To Professor, with Love Oct 19 2022 Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.

Maybe Never, Maybe Now Apr 20 2020 award - winning novel, Painting Caitlyn, and is one of four linked titles that feature the intersecting stories of best friends, Caitlyn and Ashley.

They brave the deadly desert to arrive in an abandoned city at the edge of a lake where a Great Old One slumbers. The adventurers must track Count Lowls's party, recover a vile tome, activate the city's Star Stelae, and perform a powerful ritual that allows them to follow the Count to Carcosa. Along the way the characters must be careful they don't wake the slumbering Great Old One or stir up the flying polyps sealed beneath the city. "What Grows Within" is a Pathfinder Roleplaying Game adventure for 13th-level characters. The adventure continues the Strange Aeons Adventure Path, a twisted delve into madness that pits the heroes against the cosmic horrors of the Cthulhu Mythos. A selection of new monsters, details on the great old one Xhamen-Dor, a look at the Necronomicon, and the next installment of a new Pathfinder's Journal round out this volume of the Pathfinder Adventure Path. Each monthly full-color softcover Pathfinder Adventure Path volume contains an in-depth adventure scenario, stats for several new monsters, and support articles meant to give Game Masters additional material to expand their campaign. Pathfinder Adventure Path volumes use the Open Game License and work with both the Pathfinder RPG and the world's oldest fantasy RPG.

Insta-Family Jan 10 2022 LUCY GAMBLE, KNOCKED UP BY DYING MAN SHE

GAVE SYMPATHY SEX, NOW MOVING ON TO HIS BIG BROTHER. Have you ever tried to come up with a headline for your life? Well, mine's so cringeworthy I can't believe it's actually my story...or a hundred percent true. But honestly, how could I say no to the one-night-stand when he begged? Only a monster could deny someone their dying wish, right? I mean, okay, getting pregnant from the encounter was a regrettable, irresponsible mistake; I can fully admit that. Turning to his brother, however, was never part of the plan. Initially, I didn't even like the guy. Except Vaughn Merrill is a force to be reckoned with. He's determined to be an "involved" uncle, and no matter how much I tell him he doesn't have to be so helpful, he's just so freaking helpful. And gorgeous. Plus not at all the ass I assumed he was. Then there's this massive pain and grief and loneliness I see in his eyes. I just want to hug him constantly and give him the sense of family he so desperately needs. So really, can you blame me for falling for the one man I know I shouldn't?

With Every Heartbeat Feb 28 2021 I used to think everything was black and white, truth or lie, easy or hard, that if I could just escape my strict, overbearing, abusive father, my life would be perfect. But since I've found a reason to risk his wrath and leave, to help a friend in need, I've come to realize everything I thought I knew is wrong. Friends have their own agenda, honesty comes with a dosage of lie, easy doesn't even exist, keeping secrets sucks, and love...love is the most painful thing of all. Maybe if Quinn Hamilton hadn't asked me to skip classes for the day and help him pick out an engagement ring for my best friend, I wouldn't have fallen for him so completely on that sunny Tuesday afternoon and I wouldn't feel so conflicted. But I did, and I can't take it back, no matter how hard I try. So I have to deal with the fact that even I'm not as good, or honest, or caring as I'd always thought I was, and no matter what I do next, someone's going to get hurt. Probably me. -Zoey Blakeland

In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.

Consolation Prize Nov 27 2020 Don't you just hate it when someone destroys all your carefully made plans? I mean, I had goals: college to graduate in one semester, a future I was working hard to reach, and an image of myself I wanted the world to see. My life was stacked into these precisely placed blocks. But then Colton Gamble came along and knocked them all askew. I hated how he messed everything up, how he could hog all my attention whenever he was around, how he made my pulse quicken—but only because he ticked me off...not because I was attracted to him. Oh! And I hated how he knew how attractive he was too, the shallow, full of himself, doesn't take no for an answer, too flirty, too cocky, extremely irritating jerk. The boy had all the qualities that turned me off. Or so I thought. One night he wasn't quite the brainless, overconfident jerk I assumed he always was. One night, he took care of me when I was at my lowest. He opened up to me and made me open up to him. Now I'm learning maybe he's not what I first thought he was. And maybe I'M not what I first thought I was. Maybe it's okay to rearrange a couple of my perfectly set blocks. Maybe, just maybe, I'll stop worrying about what I'm afraid everyone else will think and finally reach for something I really want. It's possible some of my plans need to be destroyed,

and Colton Gamble is exactly the kind of mess I need in my life. What do you think? Should I give him a try? Desperately seeking your advice, Julianna Radcliffe

When Urban's sister must travel to Donnelly, the kingdom within the sand, for her arranged marriage to align two realms, he goes with her. But he no sooner steps foot inside their castle than his mark starts itching like a son of a bitch, telling him his one true love is near. It just figures, though, that the woman meant for him is completely forbidden. Now he must decide if he should ignore the persistent mark, telling him she's the one, in order to avoid a possible war between kingdoms, or if he should discover whether she's worth risking everything for so they can be together. Either way, his life gets sucked into chaos with threats of beheadings, dark magic lurking, castle traitors scheming, and sword fights eminent. Who knew one little tattoo could cause so much trouble?

Worth It Aug 05 2021 I fell in love once. It was amazing. She was amazing. Life was amazing. I lived for each time I could see her, and nothing else mattered, not that our families were enemies, our time together was forbidden, or we had to meet in secret. Our love could conquer all. Until it didn't. So I was ripped away from the love of my life and shoved into hell, forced to continue without her. It shattered me, broke the best parts of me, left me permanently damaged. Or so I thought. Years later, I swear history's trying to repeat itself because she's back in my life, and I'm just as drawn to her as I was before. But I'm older and wiser now, and I know she should stay away from a worthless piece of ex-con like me. So, I will not let her in. I absolutely refuse to hurt her. I will keep her away. Then again, sometimes risking your greatest fear to get to a smile makes everything worth it, and besides, I'm not sure I can resist her, anyway. This is the story of how Felicity Bainbridge changed my life forever, starting one summer day long ago after I was forced to change a dirty diaper... --Knox Parker

He is going to feel my wrath. Enter Wick Webster, his archenemy. Nothing would provoke my ex more than to see me moving on with the one guy he hates most, so that’s exactly what I plan to do. The only hitch in my brilliant scheme is Wick himself. He’s just gotta be all love-not-war and peace-is-the-only-way. He’s more concerned about helping me heal than seeking my sweet revenge. The damn guy is making me fall for him.

Price of a Kiss Oct 07 2021 I don't care what my cousin says; I am not the queen of impossible relationships. I mean, just because my last boyfriend tried to kill me and left a bit of a scar on my neck, then forced me to move across the country and legally change my name to Reese Randall to escape him, does not mean- Oh, who am I kidding? For a freshman in college, I have to have the worst dating track record ever. It's no wonder love is the last thing on my mind when Mason Lowe enters my life. But the chemistry between us is like bam! Our connection defies logic. And he's just so freaking hot. Being around him makes me feel more alive than I've ever felt before. I even like bickering with him. He could be my soul mate...except for one teeny tiny glitch. He's a gigolo. Boy, do I know how to pick them.
