For Olivia Sullivan, love is more a four letter curse word than a sentiment. Growing up as the daughter of a small town mortician, guys didn't warm to the fact there were dead people in her house. At thirty, taking over the family business and becoming the town Coroner helped to cement her undateable status. Of course her past sex history didn't help matters either. Attempt number one with her first love ended barely before it got started with a horrific latex

allergy hospitalization. Attempt number two had him coming and then going with an undiagnosed heart condition. For the past three years, Olivia has closed up shop for fear of what might happen next in the bedroom. After being forced to go single to her mother's lingerie shower, Olivia stumbles into an out of town bar with one intention: find an able bodied stud to go home with to end her losing sex streak. Enter Holden Caulfield Mains aka Catcher, who earned his nickname not just from the book he was named for, but for the fact he was sure to catch the attention any woman who came within a five mile radius. Waking up after a night of the most mind blowing sex she could have ever imagined, a horrified Olivia runs away thinking she's left Catcher behind. When Olivia's small town is wracked by its first murder, she never could have imagined her one night stand would reappear in the form of the GBI's lead investigator. To her mortification, Catcher isn't ready to let go of their sizzling chemistry, and he doesn't understand the meaning of no. As things start to heat up between them, the body count starts to rise, and they're led on a wild goose chase from back woods mountain Nudist Colonies to altercations with the Dixie Mafia. Can Olivia and Catcher survive to solve the murder while also not succumbing to their explosive passion? After witnessing his younger brother's death in a tragic accident, Jonathan Nelson desperately tries losing himself on the gridiron. No matter how hard he tries keeping his head above water, he's drowning in a sea of grief. Compounding his inability to get his head on straight is Presley—the girl who had a complicated relationship with his brother, Jake, and who is pregnant with his child. At first, Jonathan only harbors resentment and animosity to Presley when she moves in with his parents. But the more the two are thrown together, the more his feelings for her begin to change, and the more confusing Jake's loss becomes. Presley Patterson never imagined finding out she was pregnant just a month before graduating high school. She also never fathomed losing the baby's father to a tragic accident.

Needing support for her and her unborn child, she seeks solace by moving in with Jake's parents. She isn't too surprised to find an adversary in Jonathan, but she isn't about to let him ruin the first stability she's ever experienced. Surprisingly, the animosity towards Jonathan begins to fade and is replaced by more amorous feelings. Taking a chance on Jonathan means risking the perfect world she's built for herself and her daughter. Can the two move on from the specter of Jake in order to find a future together, or will their wounded hearts remain unhealed? The secret is out: he's a father! Ross is in for a shock when he's reunited with the unforgettable Carmel – and sees a child who looks undeniably like him! Now the truth is revealed, can Ross prove he'll step up for Carmel and their son? When her bookshop closes its doors, Laura agrees to help organize a literary festival. Her initial excitement is followed by panic when she realizes that an innocent mistake has led the festival committee to believe that she is a personal friend of the reclusive writer Dermot Flynn. Even though Laura has been infatuated with Dermot since her college days, traveling to Ireland to persuade him to come out of hiding is not what she had in mind. Nevertheless, she sets off to charm her literary hero into headlining the festival. Unfortunately, Dermot is maddening, temperamental, and up to his ears in a nasty case of writer's block. But he's also infuriatingly attractive.... With all the warmth and wit that have made Katie Fforde's novels huge bestsellers in the U.K., *Love Letters* is an irresistible tale of love and literature and the quest for a happy ending.

Rules for developing talent with disciplined, deliberate, intelligent practice We live in a competition loving culture. We love the performance, the big win, the ticking seconds of the clock as the game comes down to the wire. We watch games and cheer, sometimes to the point of obsession, but if we really wanted to see greatness—wanted to cheer for it, see it happen, understand what made it happen—we'd spend our time watching, obsessing on, and maybe even cheering the practices instead. This book puts practice

on the front burner of all who seek to instill talent and achievement in others as well as in themselves. This is a journey to understand that practice, not games, makes champions. In this book, the authors engage the dream of better, both in fields and endeavors where participants know they should practice and also in those where many do not yet recognize the transformative power of practice. And it's not just whether you practice. How you practice may be a true competitive advantage. Deliberately engineered and designed practice can revolutionize our most important endeavors. The clear set of rules presented in Practice Perfect will make us better in virtually every performance of life. The "how-to" rules of practice cover such topics as rethinking practice, modeling excellent practice, using feedback, creating a culture of practice, making new skills stick, and hiring for practice. Discover new ways to think about practice. Learn how to design successful practice. Apply practice across a wide range of realms, both personal and professional. The authors include specific activities to jump-start practice.

Doug Lemov is the best-selling author of Teach Like a Champion. A hands-on resource to practice, the rules within will help to create positive outliers and world-changing reservoirs of talent. One unexpected and hotly fought-over little boy, two dead bodies, and a series of home vandalisms throw Texas attorney turned island chanteuse Katie Connell into a tizzy. Juggling all of this, Bloody Mary cravings, baggage, and the bad guys too, she waffles between the jumbie house that brought her back from the brink and the man she believes is the love of her life. Leaving Annalise is Volume 2 in the Katie & Annalise series. To catch Katie's first adventure, check out Volume 1, Saving Grace. Watch for Volume 3--Finding Harmony--coming in February 2014. If you like Sandra Brown or Janet Evanovich, you will love Pamela Fagan Hutchins. An attorney and native Texan, Pamela lived in the U.S. Virgin Islands for nearly ten years. She refuses to admit to taking notes for this novel during that time. #2 in the Katie & Annalise

series. Catch #1, Saving Grace, and #3, Finding Harmony.

For Abby Renard, the plan was supposed to be simple—join her brothers' band on the last leg of their summer tour and decide if she's finally ready for the limelight by becoming its fourth member. Of course, she never imagined stumbling onto the wrong tour bus at Rock Nation would accidentally land her in the bed of Jake Slater, the notorious womanizing lead singer of Runaway Train. When he mistakes her for one of his groupies, Abby quickly lets him know she sure as hell isn't in his bed on purpose. Jake Slater never imagined the angel who fell into his bed would resist his charms by promptly kneeling him in the balls. Of course, the fact she seems like a prissy choir girl makes her anything but his type. So he is more than surprised when after betting Abby she wouldn't last a week on their tour bus, she is more than willing to prove him wrong. But as Jake's personal life begins to implode around him, he finds an unlikely ally in Abby. He's never met a woman he can talk to, joke with, or most importantly make music with. As the week comes to a close, neither Abby nor Jake is ready to let go. Can a sweetheart Country songstress and a bad boy of

Rock N Roll actually have a future together? Treating such issues as animal sex, species politics, environmental justice, lesbian space and "gay" ghettos, AIDS literatures, and queer nationalities, this lively collection asks important questions at the intersections of sexuality and environmental studies. Contributors from a wide range of disciplines present a focused engagement with the critical, philosophical, and political dimensions of sex and nature. These discussions are particularly relevant to current debates in many disciplines, including environmental studies, queer theory, critical race theory, philosophy, literary criticism, and politics. As a whole, *Queer Ecologies* stands as a powerful corrective to views that equate "natural" with "straight" while "queer" is held to be against nature.

Twenty year old Lane Montgomery never imagined her usually boring summer in the boonies would require her to trade her toe shoes for hunting boots or her monotonous college textbooks for treasure map deciphering. Mills & Boon Modern — Escape to exotic locations where passion knows no bounds. She's running out of options, especially after her gay best friend backs out from being her sperm donor. Of course, there's always a sperm bank, but Emma fears a donor mix-up might impregnate her with the spawn of Satan. Resident company womanizer, Aidan Fitzgerald, is used to always getting what he wants, especially in the bedroom. When Emma spurns his advances at the company Christmas party, he's determined to have her no matter what it takes. After Aidan learns of Emma's predicament, he is quick to offer a proposition that

will benefit them both. He will father Emma's child, but she must conceive it with him naturally. Not one for hook-ups or casual sex, Emma is reluctant to take him up on his offer, but his charm, coupled with her intense desire for motherhood, wins out. Soon their baby-making sessions become more than just physical. Aidan can't seem to walk away from her while Emma begins to wonder if Aidan could be the one. But can Aidan leave his past behind to become the man Emma needs him to be? ETERNAL ROMANCE: Find your heart's desire... The Party Coming off a break-up with his latest "friend with benefits," the last thing Aidan Fitzgerald needs is a family hassle about his bachelor status. But after standing up as godfather for his great-nephew, Mason, that's just what he gets at the Christening Party. Escaping the wrath of his father and sisters, he wants nothing more than to get to the company Christmas party. There he knows he can knock back a few stiff drinks and find some new no-strings-attached girl to take home for the night. The last thing Emma Harrison wants is to attend another party-least of all one at work. After throwing the annual life celebration (for the anniversary of her fiancée's death) with close friends, she's finally gotten the courage to take matters into her own hands and become a mother. Convincing her slightly inebriated best-friend, Connor, to be her sperm donor was a lot easier than she thought, and all that's left now is to start the process. But at her best friend and work colleague, Casey's, insistence, she decides to make an appearance at the company Christmas party for her new boss's sake. Neither Aidan nor Emma could imagine what fate had in store for them at the party. The Predicament Unlike her best friend Emma Fitzgerald, Casey Rossi had never been overly maternal. She much preferred parties with Patron to Pampers and pacifiers. Most of all, she enjoyed a healthy sex life with her husband, Nate. But all that changed with the birth of their daughter. While motherhood is a thrilling, new adventure and her love for Nate grows even stronger seeing him be a wonderful father, Casey can't ignore how stagnant

things have become between her once steamy sheets. Between her exhaustion and Nate's schedule at the hospital, there's little time or energy for sex. She can deal with sporting spit-up stained clothes and a few sleepless nights, but she can't abide losing the white-hot connection with her hubs. No matter what it takes, Casey is determined to resuscitate her flat lining sex life. She starts out seeking the advice of her friends, Emma and Megan. But she's desperate enough to try anything that she even solicits the advice of reformed manwhore, Aidan Fitzgerald, which turns into a fiasco of epic proportions. Will any of Casey's intentions be successful at reigniting her lost bedroom heat, or will they fail and cause matters to fizzle even worse? It's one hell of a predicament.

Barrett The name's Barrett Callahan. Yeah, that Barrett Callahan—the one the press dubbed “Bare” after those naked sexting pictures surfaced. At twenty-five, I was armed with an MBA from Harvard, an executive position at my father's Fortune 500 company, a penthouse, and a different piece of delectable eye candy in my bed every weekend. I had a life most men dreamed of. But then my father decided to run for president, and my playboy lifestyle became a liability to his campaign that was built on family values. My “makeover” comes in the form of a fake fiancée who I don't even get to choose—one who is an uptight, choirgirl acting priss but also sexy-as-hell. Addison My latest relationship had gone down in flames, and I was drowning in a sea of student loans when in true Godfather status, James Callahan made me an offer I couldn't refuse. Seven figures for seven months on the campaign trail pretending to be the adoring fiancée of his son, Barrett. As soon as he won the election, our engagement would be dissolved amicably for the press, I was free to ride off into the sunset a million dollars richer, and because of the NDA, no one would be the wiser. Sure, I'd never met the guy, but I'd been a theater nerd in high school. I could pull off any role from Lady Macbeth to Maria Von Trapp. But that was before I met my fake fiancé—the infuriating, self-absorbed, egotistical, drop-dead-

sexy King of the Manwhores. The race will be a fight to the death finish, and that's not even the actual campaign. Gemma intends on making amends, but a small case of mistaken identity causes the people she knew years ago—including Hallie and her dreamy brother Josh—to believe she's someone else. As though the summer wasn't complicated enough already. Can Gemma keep up the charade? Or will she be found out by the very people she's been hiding from? With revolutionaries, an emperor, and Alan's own father demanding their respective heads on platters, Hallie and Alan learn that love can bloom in the hearts of even the deadliest of enemies. When the woman I've longed for decides she wants to have a baby, there's only one man for the job -- me. Now, if I can just convince her. I wanted Clara the first time I saw her two years ago, but as soon as I figured out we'd be working together, I knew I had to stay far away. And the friend zone has been working just fine. Well, mostly. The night she tells me she's ready to get knocked up by some random donor changes everything. Not on my watch. I might not be partner material -- running the family business and my new hockey team keeps me busy. I barely have time to talk to a woman, let alone fall in love. But there's no way I'm letting Clara pick Donor #257, or anyone besides me. The arrangement is perfect. I make my donation, she gets her baby, we go back to being friends. No strings. No messy heartbreak. Until I suggest it'll be a lot more fun to make a direct deposit and get her pregnant the old-fashioned way. All it takes is for her to agree. That spark between us? It's a blazing fire I have no desire to extinguish. Our baby proposition just got a lot more complicated. After years of bad relationships and a cheating ex-fiancé, twenty-eight-year-old Mia Martinelli prefers healing her

patients' hearts on the Cardiac Care floor rather than risking having her heart broken again. After a scorching weekend of steamy passion, Mia's intention of getting out with her heart unscathed is challenged by the stud with the wicked sense of humor, especially when he wants to continue seeing her. But when the harsh reality of AJ's hoard of female admirers sends her insecurities into overdrive, Mia bails, leaving him handcuffed to his bathroom shower. AJ never imagined that after two weeks of the best sex and female companionship he'd ever experienced, he would need rescued by his band mates from his shower prison. Although he tries to forget the sensual brunette whose curves made his mouth water, AJ can't get her out of his mind...or his heart. Months later when he finally seeks Mia for answers as to why she left, nothing could prepare him for their life-altering reunion. Can AJ prove to Mia that regardless of the women after his body, his heart belongs only to her?( After her former boyfriend left her pregnant and alone, Megan swore off men and vows to focus solely on raising her son. This volume presents over a decade of work by Mark Schroeder, one of the leading figures in contemporary metaethics. One new and ten previously published papers weave together treatments of reasons, reduction, supervenience, instrumental rationality, and legislation, to explore the nature and limits of moral explanation. An impassioned look at games and game design that offers the most ambitious framework for understanding them to date. As pop culture, games are as important as film or television—but game design has yet to develop a theoretical framework or critical vocabulary. In *Rules of Play* Katie Salen and Eric Zimmerman present a much-needed primer for this emerging field. They offer a unified model for looking at all kinds of games, from board games and sports to computer and video games. As active participants in game culture, the authors have written *Rules of Play* as a catalyst for

innovation, filled with new concepts, strategies, and methodologies for creating and understanding games. Building an aesthetics of interactive systems, Salen and Zimmerman define core concepts like "play," "design," and "interactivity." They look at games through a series of eighteen "game design schemas," or conceptual frameworks, including games as systems of emergence and information, as contexts for social play, as a storytelling medium, and as sites of cultural resistance. Written for game scholars, game developers, and interactive designers, *Rules of Play* is a textbook, reference book, and theoretical guide. It is the first comprehensive attempt to establish a solid theoretical framework for the emerging discipline of game design. A Guardian Book of the Year

Maggie Nelson is one of the most electrifying writers at work in America today, among the sharpest and most supple thinkers of her generation - *Olivia Laing* *Bluets* winds its way through depression, divinity, alcohol, and desire, visiting along the way with famous blue figures, including Joni Mitchell, Billie Holiday, Yves Klein, Leonard Cohen and Andy Warhol. While its narrator sets out to construct a sort of 'pillow book' about her lifelong obsession with the colour blue, she ends up facing down both the painful end of an affair and the grievous injury of a dear friend. The combination produces a raw, cerebral work devoted to the inextricability of pleasure and pain, and to the question of what role, if any, aesthetic beauty can play in times of great heartache or grief. Much like Roland Barthes's *A Lover's Discourse*, *Bluets* has passed between lovers in the ecstasy of new love, and been pressed into the hands of the heartbroken. Visceral, learned, and acutely lucid, *Bluets* is a slim feat of literary innovation and grace, never before published in the UK. An orphan poses nervously for a Renaissance maestro in medieval Siena, and an artist's servant girl in seventeenth-century Amsterdam snatches a moment away from her work to lose herself in tales of knights and battles. Professors Howard Gardner and Katie Davis name today's young people The App Generation, and in this spellbinding book they explore what it means to be "app-dependent" versus "app-enabled" and how life for this generation differs from life before the digital era. Gardner and Davis are concerned with three vital areas of adolescent life: identity, intimacy, and imagination. Through innovative research, including interviews of young people, focus groups of those who work with them, and a unique comparison of youthful artistic productions before and after the digital revolution, the authors uncover the drawbacks of apps: they may foreclose a sense of identity, encourage superficial relations with others, and stunt creative imagination. On the other hand, the benefits of apps are equally striking: they can promote a strong sense of identity, allow deep relationships, and stimulate creativity. The challenge is to venture beyond the ways that apps are designed to be used, Gardner and Davis conclude, and they suggest how the power of apps can be a springboard to greater creativity and higher aspirations. Deux pas en avant, trois pas en arrière. Après la trahison d'Aidan, Emma a rompu tout contact. Mais, même s'il a agi comme un lâche, Aidan n'est pas de ceux qui abandonnent la partie sans se battre. moment propice... que la vie lui apporte finalement sur un plateau d'argent. Seul à pouvoir s'occuper d'Emma, alitée suite à des complications liées à sa grossesse, il parvient à se rapprocher d'elle. De son côté, Emma ne parvient pas à oublier le médecin qui l'a reçue à l'hôpital. À bien y réfléchir, il représente même tout ce qu'elle désire : un homme stable, prêt à être mari et père, un homme à l'opposé d'Aidan, et qui ne veut rien d'autre que gagner son cœur... Mais Emma est-elle prête à l'accorder une seconde fois ?

Even though she's matured into a beauty, Eli still doesn't remotely see his childhood pal as a sex-object. When tragedy brings

her back into his world, Eli moves mountains to help Emersyn get back onto her feet by finding her a job as a backup singer for Jacob's Ladder. At first, Eli is thrilled that Emersyn is along on tour, and he sets out to do his best to help her forget her sorrow through a range of crazy friend dates. Thorn From the first time I played army as a kid, the military has been my life. As an Airborne Major, I'd led my men through two tours in Afghanistan. But when my father was elected president, I became an even greater target for the enemy—a prize for someone to take out. To ensure not only the safety of myself, but of my men, I got stripped of my cammies, shoved into an Armani suit, and placed into a management position at my father's company. After years of trekking through the desert with an assault rifle, I was way out of my area of expertise, which my transition coordinator was more than happy to let me know on a

daily, if not hourly basis. The brunette bombshell would be the death of me in more ways than one, especially since I hadn't been with a woman since my last deployment. She's turning out to be one of the greatest foes I've ever done battle with. Isabel In the backwoods Georgia town I was born in, you either married right out of high school or got the hell out of town. I chose the second and never looked back. After graduating top in my class, I started working for The Callahan Corporation. Fast forward five years and I was about to become the youngest female manager in the history of my department. And then all the blood, sweat, and tears I'd put into my career were for nothing when the boss's billionaire son was handed my position on a silver platter. Not only that, I was expected to help transition him into the job that was supposed to be mine. Sure, he's easy on the eyes with his chiseled good-looks and impossibly built physique, but I'm not going to let that distract me. I hope soldier boy is good at military strategy because sabotage is the name of the game I'll be playing. For the last four years, good girl Lane has regretted breaking up with Noel Falcon. Then after Lane discloses she needs him to procure a job, Noel proves he's a changed man by forcing her to go on the road with him in order to get it.
