Its virtually what you craving currently. This Staking His Claim Line Of Duty 5 Tessa Bailey, as one of the most involved sellers here will totally

be along with the best options to review.

For the benefit of the tape, Line of Duty is Jed Mercurio's police procedural masterpiece, following the AC-12 team as they handle the murky business of - in the words of the iconic Ted Hastings - "nicking bent coppers". Packing in more twists and turns than M Knight Shyamalan in an advanced tango class, the show has won countless awards and proved the breakthrough for a number of extremely talented cast and crew. It's also won the hearts of its viewers, with over 8 million people across the UK alone tuning in to watch the Series 5 finale as it aired on BBC1 in 2019. In a nutshell, Line of Duty has provided us with some of the greatest TV moments and the majority of the finest waistcoats of the 21st century so far, and that's why this book exists. It contains: - 300 quiz questions about Line of Duty- Questions separated into 24 individual rounds, plus an extra set of tiebreakers to separate the Arnotts from the are-nots- Each round is made up of (AC)12 questions- The questions step up in difficulty as you get further and further through the book And if you haven't watched all of Line of Duty yet, please be aware that this book contains spoilers (obviously). Now, ready to be interrogated? The opportunity was just too damn delicious for Ginger Peet to pass up. The purse full of money she finds—\$50,000 to be exact—could give her and her teen sister the new start they

need. So she grabs the cash, her gothy sibling, and their life-sized statue of Dolly Parton, and blows outta Nashville in a cloud of dust. Chicago, here we come... Turns out, Chicago has some pretty hot cops. Hot, intense, naughty-lookin' cops like Derek Tyler, who looks like he could eat a girl up and leave her begging for more. And more. Tempting as he is, getting involved with the sexy homicide lieutenant next door poses a teensy problem for a gal who's on the lam. But one thing is certain—Derek's onto her, and he wants more than just a taste. And as far as he's concerned, possession is nine-tenths of the law. Each book in the Line of Duty series is STANDALONE: * Protecting What's His * Officer Off Limits * Asking for Trouble * Staking His Claim * Protecting What's Theirs At the request of her many fans—Terri Blackstock revisits the heroic cast of characters in this fifth book in her best-selling Newpointe 911 series In Line of Duty, a bomb explodes at the Icon International building in New Orleans while lawyer Jill Clark Nichols is in the top floor boardroom. The thirty-story building goes up in flames and fire departments from all around the area are called in. The firefighters from Newpointe are especially concerned since they know Jill is inside the building. Dan, her husband, rushes in to save her. But as firefighters work to evacuate the upper floors of the building, a second and third bomb explode, causing the lower floors to cave in. Firefighters and civilians are

buried beneath the rubble. When the smoke finally clears, a count is taken. Jill narrowly escapes the chaos of the explosions and fire only to find Dan missing. Were the bombs the act of a terrorist, or a scheme coming from a heart of greed? Can Jill's faith carry her through these long days of pain and uncertainty? And will Dan survive this tragedy . . . or sacrifice his life in the line of duty? Marriage for the sake of a baby neither of us expected to have... Ella's younger sister asked her to be a surrogate for her, but then she changed her mind when Ella was already pregnant! Once the baby is born, her sister's brother-in-law, Yevgeny, decides that he should adopt the baby to raise with his fiancée. Ella refuses, as she doesn't believe Yevgeny's flashy lifestyle will be good for a child. So Yevgeny offers a compromise—he asks Ella to marry him instead! The Federal Bureau of Investigation's Uniform Crime Reports Section selected and analyzed 51 incidents of police officer killings in order to evaluate the psychology of the offender, the behavior of the police officer, and circumstances in which the police officer lost his or her life. The study was conducted over a 3-year period; the 51 incidents resulted in the death of 54 police officers and involved 50 offenders. Results demonstrated that, while no single offender profile could be established, most killers of police officers had been diagnosed as having some type of personality disorder. Behavioral descriptors of

victims were frequently similar in that they were good-natured and more conservative than their fellow officers in the use of physical force. The incidents themselves revealed that killings were often facilitated by some type of procedural miscue (e.g., improper approach to a vehicle). Type of assignment, circumstances at the scene of an encounter, weapons involved, and the environment in which events occurred all played a role in the preponderance of police officer deaths in the South. The report presents extensive information on the victims, offenders, and incidents studied. It identifies personality types of offenders, provides guidance on how individuals of a given personality type interact with authority figures, and offers approaches to interrogation. The report also points out specific areas where law enforcement training and procedures may be improved. Appendixes contain the study methodology and a description of personality types. "A roller-coaster ride of a plot with all manner of twists and turns." -Midwest Book Review

Joni Weir kissed her husband goodbye just that morning, but she never figured it would be the last time she'd see him alive. When the news hits that Officer Barry Weir was shot and killed in the line of duty, Detective Madison Knight and every cop in Stiles is itching for revenge. With evidence pointing to a drive-by shooting, the investigation takes Madison into the seedy underbelly of the city in the search for justice. But as she digs, the evidence

only becomes more puzzling. With emotions running high, Madison's relationships are tested to their breaking point. Troy Matthews, her boyfriend and colleague, also Weir's childhood friend, is cut deeply, and his grief drives a wedge between them. But she's not going to let her own pain stop her from getting to the truth. Madison will push through—for Troy, but also for Weir's wife and three young daughters—and figure out if Weir was murdered as part of a gang initiation, a straight-up hate crime, or a targeted kill. But with members of the Stiles PD possibly under attack, she has to do it fast. Before more officers pay with their lives. A brilliant action-packed mystery with heart-stopping twists. Perfect for fans of Robert Dugoni, J.D. Robb, and Lisa Regan. The Detective Madison Knight Series is currently optioned and under development by Muse Entertainment and Pop Fiction. Readers love *In the Line of Duty*: "Fans of crime fiction will be moved and enthralled by *In the Line of Duty*, as much an action-packed mystery as it is a heartfelt tribute to police who give up their lives to protect others." -Publishers Weekly "A hard-hitting, emotional novel." "A slew of twists and turns along the way." "Arnold...makes us feel a roller coaster of emotions." "I absolutely loved this book." "I actually could see it being a movie." "Arnold puts words and feelings in this book that are true to life. Great writer and series." "Brilliant as usual." "An

insightful look into the lives and losses our country's heroes face every day on the front lines." "This book absolutely kept me guessing until the killer was revealed." "The twists and turns will leave your head spinning, in a good way." "The pilots were attempting to return to Honolulu but with the failure of both engines on the right wing of the UAL 747, combined with massive structural damage, there was a very real possibility that they would be required to ditch. The thought of ditching into the ocean in the dark of night is daunting. The flight attendants could have secured themselves in their jump seats but instead stood in the aisles to prepare their passengers. The roar of the air rushing by at a speed of 190 to 200 knots was deafening in the cabin. The flight attendants could only "mime" the instructions for passengers to look at their Safety Cards and to demonstrate the donning of life vests." "The Aloha 737 was severely damaged, literally now a convertible and was in emergency descent with speeds of 280 to 290 knots. The roar of the wind was deafening. The forward flight attendant had been sucked out of the cabin as it ruptured. The aft flight attendant was seriously injured. The mid flight attendant, suffering minor injuries and being the only one able, rather than securing herself in her jump seat, she crawled up and down the aisle calming her passengers and assisting the injured." *Flight Attendants Lost* offers a

fascinating look into what went on inside the airplane from actual aircraft accident and incident case studies spanning decades and countries. The book covers the intense training, the ongoing vigilance, the behind the scenes team work and the committed actions of flight attendants in emergency situations. It uncovers the complexities of aircraft safety design and makes sense of the reasons behind safety rules and regulations making this book an educational must read for air travellers. Flight Attendants Lost is not only an eye-opener but is a reassuring read that will make you look at flying differently. It is also a beautifully written memorial tribute to the hundreds of flight attendants who, over the years, have given their lives In the Line of Duty. Be it Mr Freeze or Firebug, in Gotham City there's a whole new class of criminal that needs a new calibre of crime fighter. While Batman gets all the glory, the cops on the streets continue dealing with the usual run-of-the-mill human misery. A fascinating insight into the true history of British police corruption, for fans of the hit BBC 1 drama. For more than a century, police officers used their uniforms to control and bully criminals, which in turn led to wholesale bribery and corruption. From Victorian times up to the 1950s, this crooked atmosphere tainted the UK police image of the 'friendly Bobby'. Then came the 1960s and 1970s when the Great Train Robbery and other bigtime heists changed the

rules of the 'game' forever. It was like the Wild West out there. No one knew who were the good guys and who were the bad guys anymore. By the early 1980s, corruption was endemic amongst London's vast force of detectives. It was only now that Police commissioners across the nation finally started to tackle endemic, across the board corruption. The hit BBC show has brought these stories back to the fore and in The Line of Duty - The Real Story we go behind the contemporary headlines to explore the real inspiration behind the hit show, looking back at the history of corruption in the police, and the anti-corruption units that were set up to sniff out the bent coppers among the good. Referencing real-life historic and notable cases and people, from a range of sources and first-person interviews, The Line of Duty - The Real Story tells the truth behind the fiction, and its hard-hitting impact on real life modern policing. The stories of sixty British police officers killed in the line of duty between 1900 and 1999. The stories cover men and women of all ranks who lost their lives whilst protecting the public. A RADIO 4 BOOK OF THE WEEK 'A love letter to police officers and the most vulnerable people they protect and serve' CHRISTIE WATSON, author of THE LANGUAGE OF KINDNESS 'Extraordinary . . . urgent and compelling. We all have lessons to learn from this book' SIMON MAYO There is much more to policing than tackling crime. Every one of us will need the

help of an officer at some point in our lives, often when we're at our most vulnerable. Yet how much do we really know about the realities of policing? Using real life stories from his twenty-five years of service with the Metropolitan Police, John Sutherland invites us beyond the cordon tape to bear witness to all he has seen. In doing so, he offers a hopeful vision for how we can tackle some of the biggest challenges facing society today. Includes a new Afterword on policing during the Covid-19 pandemic A breath-taking, original and compelling novel based on the private life of JFK, from the BAFTA award-winning creator of Bodyguard and Line of Duty and co-creator of the graphic novel Sleeper 'A novel of our times: shameless and prurient, detached and salacious' Observer John Fitzgerald Kennedy is the 35th President of the United States, and a serial womaniser. An American man for the modern age: Kennedy is handsome, charming, a beaming paragon of worldly virtue. But beneath the slick veneer of a confident statesman he harbours a vice that will threaten his family, his fortune and even his country. Empathetic, darkly witty and deft, Jed Mercurio's American Adulterer shines a novelist's spotlight on the world's most powerful, and corrupting institution: the American Presidency. When a counter-terrorism raid goes tragically wrong, Detective Sergeant Steve Arnott (Martin Compston) refuses to participate in a cover-up. Ostracised by colleagues, he

transfers to anti-corruption unit, AC-12, in the process of investigating one of the Force's most respected officers, Detective Chief Inspector Tony Gates (Lennie James). Not only has Gates just been awarded Officer of the Year, his squad has returned the best crime figures for three consecutive years. But Arnott is convinced that Gates' results are too good to be true and, determined to expose Gates as a fraud, the two become embroiled in a thrilling game of cat-and-mouse. Every time Gates seems cornered, he finds a way to turn the tables still believing he can save himself. But all the while he's digging a bigger hole for himself, plunging irrevocably into a moral abyss. And each day the stakes get higher. Soon it isn't just careers on the line - it's lives. Line of Duty is a hard-hitting, fast-paced thriller delving into the murky world of police corruption. Little shocks the British public more than learning of the killing of policemen and women whilst tackling criminals. Even the vast majority of hardened crooks baulk at what is seen as the ultimate crime - the mandatory death sentence in days of capital punishment reflected public disgust at such a crime, particularly when the police were largely unarmed. This book spans fifty years of crime enforcement and describes in detail the ever present danger to the police who patrolled London's streets and who lost their lives in the line of duty. Many of the police officers died carrying out run-of-the-mill police duties; from

PC Nat Edgar, shot in 1948 by a burglar to PC Patrick Dunne, the home beat officer murdered while investigating a domestic incident in 1993; it took 13 years for his killer to be brought to justice. WPC Yvonne Fletcher was mercilessly gunned-down policing a demonstration in Central London in 1984, as was Detective Sergeant Ray Purdy, whilst arresting a cheap blackmailer. PC Ray Summers, an officer with less than two years service, stabbed to death as he broke up a gang fight, and the three-man crew of the iQÍ car wiped out by gunmen in 1966, all feature in these pages. There are the thrilling stories of the investigations into the IRA after the murder of PC Stephen Tibble and the horrific bombing of Harrods store which cost three brave police officers their lives. Retired detective Dick Kirby has drawn deep on his knowledge and contacts within and outside the Metropolitan Police to track down those people who were there, who were involved in the investigations and those who were left behind; and how the trauma of losing a colleague or a loved one affected them. Written in his trademark gripping authoritative style, Death on the Beat, Dick Kirby's ninth book, promises to be the best yet. Police Chief Tess O'Rourke's small town is still reeling from a devastating fire when the FBI asks for help: Could she shelter a witness in a high-profile human trafficking case? Initially reluctant to put the townspeople of Rogue's Hollow at risk, Tess is swayed

after she sees Pastor Oliver Macpherson's genuine conviction to rescue those in need, a trait in him she's coming to love more each day. Tess's fledgling faith is tested when crews of workmen from out of town come in to assist with the fire cleanup and she worries that one of these strangers might shine a light on things best kept hidden. Neither she nor Oliver knows that Rogue's Hollow is already home to a suspect from a twenty-five-year-old murder case . . . and someone is taking cold aim at those Tess is sworn to protect. Decipher and understand the meanings of Acronyms and Abbreviations used by the British Police Force. Whether you're looking to join the force or understand the lingo in your favourite British Police drama. Are you watching Line of Duty or Bodyguard and wondering what terms like "CHIS" means? Unsure of the difference between an ARU and ARV? No clue what a LIO is? This is the book for you! "The pilots were attempting to return to Honolulu but with the failure of both engines on the right wing of the UAL 747, combined with massive structural damage, there was a very real possibility that they would be required to ditch. The thought of ditching into the ocean in the dark of night is daunting. The flight attendants could have secured themselves in their jump seats but instead stood in the aisles to prepare their passengers. The roar of the air rushing by at a speed of 190 to 200 knots was deafening in the cabin. The flight attendants could only

“mime” the instructions for passengers to look at their Safety Cards and to demonstrate the donning of life vests.” “The Aloha 737 was severely damaged, literally now a convertible and was in emergency descent with speeds of 280 to 290 knots. The roar of the wind was deafening. The forward flight attendant had been sucked out of the cabin as it ruptured. The aft flight attendant was seriously injured. The mid flight attendant, suffering minor injuries and being the only one able, rather than securing herself in her jump seat, she crawled up and down the aisle calming her passengers and assisting the injured.” Flight Attendants Lost offers a fascinating look into what went on inside the airplane from actual aircraft accident and incident case studies spanning decades and countries. The book covers the intense training, the ongoing vigilance, the behind the scenes team work and the committed actions of flight attendants in emergency situations. It uncovers the complexities of aircraft safety design and makes sense of the reasons behind safety rules and regulations making this book an educational must read for air travellers. Flight Attendants Lost is not only an eye-opener but is a reassuring read that will make you look at flying differently. It is also a beautifully written memorial tribute to the hundreds of flight attendants who, over the years, have given their lives In the Line of Duty. Please note that the content of this book

primarily consists of articles available from Wikipedia or other free sources online. Pages: 70. Chapters: American police officers killed in the line of duty, British police officers killed in the line of duty, Indian police officers killed in the line of duty, Irish police officers killed in the line of duty, Malaysian police officers killed in the line of duty, Singaporean police officers killed in the line of duty, List of Royal Malaysian police officers killed in the line of duty, List of Singapore police officers killed in the line of duty, List of Los Angeles Police Department officers killed in the line of duty, Murder of Russel Timoshenko, 2009 shootings of Oakland police officers, Lakewood police officer shooting, List of Los Angeles County Sheriff's Department officers killed in the line of duty, List of New Zealand police officers killed in the line of duty, 2009 Pittsburgh police shootings, Guy Bradley, Norman Biggs, Newhall massacre, List of British police officers killed in the line of duty, Murder of Yvonne Fletcher, J. D. Tippit, George Seman, Garda ar Lar, Ashok Kamte, Hemant Karkare, Lee Kim Lai, Assassination of Paul Anlauf and Franz Lenck, Vijay Salaskar, Bukit Kepong Incident, Daniel Faulkner, List of Philadelphia Police Department officers killed in the line of duty, Jerry McCabe, Murder of Sharon Beshenivsky, Stephen Tibble, Rodney Poceschi, Harry C. Beasley, Dennis O'Brien, Murder of Timothy Brenton, Murder of Keith Blakelock, Fred White, John Gibson, Mohan Chand

Sharma, Dominick Pezzulo, Deaths of Garda officers, Wyatt Luther Nugent, Fred Beell, 2010 West Memphis police shootings, Walter H. Auble, Waverly Brown, Silk-Miller police murders, Mohd Zabari Abdul Hamid, Chris Reyka, Tukaram Omble, Steven F. Gaughan, Edward Byrne, Kyle Dinkheller, Hoi Kim Heng, Samuel P. Cowley, Oran Pape, Henry Solomon, Ronald A. Williams II, Harry Minto, David Huerta, William Harvey Thompson, 2009 Chittoor... Police Chief Tess O'Rourke thought she'd taken care of her small town's drug problem last year. But now Rogue's Hollow residents are up in arms over a contentious vote on legalizing the sale of marijuana within city limits. And when an eighteen-year-old is found dead of a possible overdose, Tess wonders if the local pot farms might be involved and begins to fear that a new, deadlier drug supply chain has cropped up. As tempers flare and emotions boil over, Tess faces the possibility of losing the town's support. With her relationship to Sergeant Steve Logan on shaky ground, Tess could really use a friend, and she feels drawn to Pastor Oliver Macpherson's quiet presence. But the anger she holds over her father's death prevents her from embracing his faith and finding peace. Battling storms within and without, Tess is shocked when a familiar face from her past shows up in town to stir up more trouble. And his threats against Tess may prove lethal. Homicide cop Troy Bennett had a reputation with the Chicago

PD for being fearless and in control—until the night his daredevil partner is killed during a raid. From that moment on, he swears he'll never again be responsible for the loss of a loved one. To escape his demons, Troy transfers to the NYPD, bringing him up close and personal with Ruby Elliott, a beautiful, street-savvy pool hustler. Reckless and stubbornly independent, Ruby embodies everything Troy's avoiding, but when she walks into the pub he's at with his new coworkers and blows his carefully laid plans to hell, Troy knows he has to have her—risks be damned. But there's a connection between Ruby's shadowed past and a case Troy's working involving a notorious Brooklyn felon, throwing her safety into jeopardy. Confronted with his biggest fear, will Troy push Ruby away to keep her safe or fight to keep her in his arms where she belongs? An exciting prequel to the new Crossing the Line series! Each book in the Crossing the Lines series is a standalone, full-length story that can be enjoyed out of order. Series Order: Prequel Novella: His Risk to Take Book .5: Riskier Business Book 1: Risking it All Book 2: Up In Smoke Book 3: Boiling Point Book 4: Raw Redemption "Helen Piper develops a compelling argument regarding the cultural relevance of television detectives, claiming that they have privileged roles as the 'voices' of dissent within society. Many of the programmes studied here chart sentiments of social loss or change and accommodate

contemporary concerns. The discontented TV detective, Piper suggests, may serve to express a broader sense of cultural malaise." -- Back cover. Walking tall, literally, and figuratively, Lt Gen Harbakhsh Singh, VrC, was one of the most gallant and outstanding officers of the Indian Army. He was among the first batch of officers commissioned from the Indian Military Academy, Dehradun. His military career of nearly 35 years was acknowledged for his distinguished service of an exceptional order. He commanded the 1st Battalion the Sikh Regiment during operations in J&K in 1947-48; the historic battle of Shelatang was fought under his command; Battle of Tithwal won him the award of Vir Chakra. He had the rare distinction of having had combat experience in command of troops of or against many nationalities, at all levels of command from a platoon of 40 men to an Army Group consisting of 400,000 military personnel. Born on 1st October, 1913 he started his military career in a war zone in the North- West Frontier Province of erstwhile British India in 1935. He then participated in Allied operations in Malaya during World War II and was held as a prisoner-of-war by the Japanese. He attended Imperial Defence College, London in 1958. Thereafter he held almost all important and key command and staff appointments in Western Command, and in November 1964, took over as Army

Commander. In 1962 during the Chinese invasion he was posted as the Corps Commander NEFA and later on in the Sikkim Sector. In 1965 as Army Commander Western Command, it was under his leadership and overall command of the Western Army both in J&K and the Punjab theatre that the Pakistani attacks were repulsed. He was honoured with both Padma Bhushan and Padma Vibhushan in recognition of his meritorious services. This is a book about a soldier who had the courage of his convictions and was not afraid to use his judgement and face the consequences. He not only set a standard for himself to perform to the best of his ability but inspired others to do the same. The General has highlighted the shortfalls in strategic thinking on the part of a few military commanders during the J&K operations in 1947, Sino-Indian conflict of 1962 and Indo-Pak war in 1965. At the fag-end of his life he wrote his Magnum opus with the object of passing on his experiences to the younger generation of officers coming up to serve the country. The autobiography recounts all the details of the eventful life of a highly distinguished soldier. The inside story of a secret unit that has worked under cover to expose corruption in the Metropolitan Police since the early 1990s. Shocked by the extent of corruption within its ranks, Scotland Yard set up a new anti-corruption unit in the early 1990s. Its members had to operate in conditions of unprecedented secrecy and

they became known as the 'Ghost Squad'. Bent Coppers really did believe they were untouchable: they stole cash and property, fitted-up innocent people and sold secret information to cripple court cases. Many of the bent coppers are now in jail or awaiting trial but the battle against corruption is not over. only now can the story of the 'Ghost Squad' be revealed. Award-winning BBC home affairs correspondent Graeme McLagan had followed the investigation since the beginning. He has interviewed undercover officers and many of the bent coppers they have exposed. this is the inside story of the 'Ghost Squad' and how it broke into the secret world of police corruption. He devoted his life to seeking justice. But would she get any for him? It was an ordinary day for police officer Barry Weir. It was the end of shift, he was tired, and he just wanted to get home to his wife and kids. But someone had other plans for him, shooting him down and forcing him to make the ultimate sacrifice. When news of Weir's murder reaches the department, it leaves Detective Madison Knight and every cop in the Stiles PD itching for revenge. It cuts Madison's boyfriend, colleague, and Weir's childhood friend, Troy Matthews, deepest of all, driving him away from everyone he loves just when they need one another the most. With evidence pointing to a gang-related drive-by, Madison and her team investigate the town's seedy underbelly in search of justice

for their fallen brother. But the deeper they dig, the more convoluted the case becomes. Now they need to figure out if this was a random shooting as part of a gang initiation, a straight-up hate crime, or a targeted kill. But with members of the Stiles PD under attack, they have to do it fast...before more officers pay with their lives." A darkly powerful and blackly funny exposé of the horrors of life as a junior doctor, from the BAFTA award-winning creator of *Bodyguard* and *Line of Duty* and co-creator of the graphic novel *Sleeper* 'Funny, readable, galling, painful and terrifying in all the right places' *Guardian Inside* every hospital exists a world no outsider is allowed to see: a storm of malpractice, corruption, sex, drink and drop-dead exhaustion. But for first day junior doctors, their initiation into this world - the 'Killing Season' - is about to begin. A whistle-blowing despatch from the frontlines of hospital life, *Jed Mercurio's Bodies* takes us on a nerve-jangling journey through one junior doctor's loss of innocence, and his desperate, dangerous attempts to right his - and his colleagues'- wrongs. *Gotham City: a town teeming with corrupt cops, ruthless crime lords, petty thieves ... and just a small handful that would oppose them.* Grizzled veteran Harvey Bullock, Captain Maggie Sawyer, detective Renee Montoya and the GCPD are the law force that stands between order and complete anarchy. *Gotham's* Finest work around the clock to not only keep the world's most

psychotic criminals off the street... but also cleaning up the mess left behind by Batman's one-man war on crime. Written by critically acclaimed authors Ed Brubaker (*Captain America*) and Greg Rucka (52, *DETECTIVE COMICS*), this Eisner Award-winning series follows the detectives of Gotham City's Special Crimes Unit as they navigate the against the city's greatest villains — in the shadow of Batman himself. Collects issues #1-10. Ginger Peet has never regretted leaving Nashville with her sister and their life-sized statue of Dolly Parton. Now she's settled in Chicago with Lieutenant Derek Tyler, spending her nights pressed against every inch of his hard, dominating, and panty-meltingly-hot body. And there's nowhere Derek would rather be than reminding Ginger—thoroughly and exquisitely—that she belongs to him. But then trouble hits the streets of Chicago. The kind of bust the old-school boys call a "widow-maker." To keep Ginger safe, Derek's forced to shut her out and keep himself away from her luscious body, or risk losing her forever. But Ginger has just been presented with some, er, unexpected news. And right now, it's best she keeps that news to herself. Because Derek stands to lose far more than he knows, until he takes the law—and Ginger—into his own hands one last time... Previously released as part of the *Lovers Unmasked* anthology. Now available individually! Each book in the *Line of Duty* series is

STANDALONE: * Protecting What's His * Officer Off Limits * Asking for Trouble * Staking His Claim * Protecting What's Theirs A truly stunning novel of one man's dangerous obsession with immortality, from the BAFTA award-winning creator of Bodyguard and Line of Duty and co-creator of the graphic novel Sleeper. ONE OF THE GUARDIAN'S '1000 NOVELS EVERYONE MUST READ' 'A completely gripping, read-at-once novel' The Times Yefgenii Yeremin is a flyer and a phantom. Destined to go down in Soviet history books as 'Ivan the Terrible', the most deadly fighter pilot of the Korean War, one moment of madness sees Yefgenii throwing his reputation to the wind. Exiled to a remote Arctic base, his name unknown and victories uncelebrated, he must endure a fate worse than death: anonymity. But when a man arrives from Moscow's Space Committee in search of a volunteer prepared to sacrifice himself for his country, Yefgenii seizes his one last chance of immortality. Brent Mason and Hayden Winstead can't stand each other. She plans exclusive parties for her rich family's charities. He's a rough and tumble cop who rigs explosives for a living. Could two people be any less suited for conversation? They think not and prefer to keep it that way. Unfortunately, their two best friends are deeply, disgustingly in love. Forced together, the mutual attraction simmering beneath the surface of Brent and Hayden's non-relationship grows with every argument until it explodes into

a scintillating night of mind-blowing sex. And it won't be the last, as far as Brent's concerned. Hayden has a secret, though. Her father's company is relying on a merger to save them from financial ruin, and only Hayden's marriage to the CEO's wealthy son can secure the deal. If she's to protect her family, she'll have to forget Brent. And he has no intention of being forgotten. Each book in the Line of Duty series is STANDALONE: * Protecting What's His * Officer Off Limits * Asking for Trouble * Staking His Claim * Protecting What's Theirs The Metropolitan Police of the mid-twentieth century, in particular The Flying Squad and Obscene Publications Squad, has been described as 'the most routinely corrupt organisation in London'. Larger-than-life characters such as Ken Drury and Alfred 'Wicked Bill' Moody routinely fraternised with underworld figures, paid off witnesses and struck dodgy deals to get their man - regardless of whether he was innocent or guilty. And the problem went far beyond a couple of 'bent' coppers: in the end, fifty officers were prosecuted, while 478 took early retirement. Using Metropolitan Police files obtained under Freedom of Information, which have not been accessed since the 1970s, author Neil Root can finally tell the real story of how the Met became systemically corrupt, and how Sir Robert Mark, who became commissioner of the Metropolitan Police in 1972, finally cleaned it up. Tess O'Rourke dreams of becoming

the first female chief of police in Long Beach, California. As commander of the East Division, she is well on her way . . . until the night she responds to an officer-needs-assistance call and fatally shoots an unarmed teenager. Despite being cleared of wrongdoing by a grand jury, Tess is so hounded by the public that she takes a job in Oregon to escape the bad press. Winning over the residents of Rogue's Hollow might be more difficult than adjusting to her new role as police chief in the small, backwater town. Especially when her closest friend, the pastor's wife, goes missing and the woman's cousin is found shot. Tess finds an ally in sheriff's deputy Steve Logan, but as they track down Rogue's Hollow's first murderer, she worries that she's breaking one of her rules and getting too close to him. New York City police officers battle to maintain their moral character in a pressure-cooker filled with dirty politics, corruption, duplicity, and violence The first in a hotly anticipated new graphic novel series DS-5, a biologically-enhanced law enforcement marshal, is due to be decommissioned after decades in deep space. He returns to a solar system finally rising out of a devastating climate war following the discovery of a miraculous new energy source: Titan Green. His pod crashes on Titan following a mysterious explosion, and DS-5 deploys for his final mission: an investigation into mass murder that becomes entwined with a geologist's quest for her

missing father. But as DS-5's ageing tech begins to fail, human faculties and memories resurface, forcing him to confront the dark provenance of his recruitment. Jed Mercurio and Prasanna Puwanarajah have taken the Conspiracy Thriller and the Western and sent them into orbit. Stunningly illustrated by Coke Navarro, *Sleeper* is a riveting work of imagination. In a hot, sun scorched English valley, a young male is found dead. A few days later in Austria, another young male is found dead. Is there a connection between the two and if so, what is it? DCI Mark Morgan from Hipton, England, together with Chief Inspector Zweig, from Mayrhofen, Austria, try to solve what might be a double murder. But there seems to be precious little to go on and progress in the case is agonisingly slow until a letter is discovered in an attic of a house in the small Austrian village of Schwendau. Could this letter hold a clue about the deaths of the two young men? What seems to be a simple communication is far from that. It is a voice from the past, a letter which hints at a very dark time during the Second World War. There are references to Himmler and concentration camps, but this letter was never posted, so is it just a distraction for Morgan and Zweig, or is it crucial evidence in their quest to track down the killer? Time moves on and still the case is beset by complications and unknowns until a third murder is committed, back on English soil. Can Mark Morgan connect

this murder with the other two and if so, what are the implications? The case goes from being an intriguing puzzle to a complex series of problems which need to be solved in a race against time, in case the killer strikes again. On the home front, Mark Morgan has problems of his own. His relationships seem to be taking a nosedive out of all control. Shocking news about his father finally comes to light and his brother is off to Russia for who knows how long, sending the family into confusion. This novel can be enjoyed as a stand-alone story in its own right with a dramatic plot, full of complex twists and turns, or it can be read as a sequel to 'The Quiet Deaths' where the central characters are introduced; chiefly DCI Mark Morgan and his family and friends. As in the first book, there are plenty of back stories where the reader can find out what's new in the lives of the central characters. There is a lot of humour in the novel for the reader to enjoy, despite the dark tone of much of the main plot. The novel will leave readers with a lot to think about, especially in the context of war, family, trust and loyalty and raises some thorny issues to grapple with. Story Brooks' fiancé just called off their wedding two weeks before the happy day. As if that isn't bad enough, her semi-estranged father, an infamous NYPD hostage negotiator, just suffered a heart attack. Not wanting to examine her lack of emotion over the broken engagement, she hops on a plane to reconnect with her

father before it's too late. Playboy hostage negotiator Daniel Chase has never—not once—been refused by a woman. So when a debate over hospital snack foods with a delectable kindergarten teacher ends in flat-out rejection, he makes it his mission to seduce her. His only obstacle? She's the daughter of his mentor, who implicitly forbade Daniel from pursuing her. Despite her father's warnings and Daniel's troubled past, Daniel and Story can't resist their intense attraction to one another. But when the reason for her fiancé's abrupt wedding cancellation comes to light, can Story and Daniel's already forbidden relationship survive? Each book in the Line of Duty series is
