Morganville is such a nice place to live . . . And die. If you don't mind that sort of thing. When Claire Danvers learnt that her college town was run by vampires, she did what any intelligent, self-preserving student would do: she applied for a transfer and stocked up on garlic. The transfer is no longer an option, but that garlic may come in handy. Now Claire has pledged herself to Amelie, the most

powerful vampire in town. The protection her contract secures does little to reassure her friends. All of a sudden, people are turning up dead, a stalker resurfaces from Claire's past, and an ancient bloodsucker extends a chilling invitation for private lessons in his secluded home. 'Thrilling, sexy, and funny! These books are addictive. One of my very favorite vampire series.' Richelle Mead, author of the international

bestselling Vampire Academy series.

Nobody in sixteen-year-old Beckett's life seems to be telling the whole story. Her boyfriend Jake keeps hiding texts, which could mean he's cheating on her. Her father lied about losing his job and so much more before his shocking death. And everyone in school seems to be whispering about her and her family behind her back. But none of that compares to the day Beckett finds the body of a newborn baby in a gym bag--Jake's gym bag--on the floor of her high school locker room. As word leaks out, rumors that Beckett's mother take off like wildfire in a town all too ready to believe the worst of

her. Beckett soon finds herself facing increasingly dangerous threats and accusations. Nobody believes her side of the story, and as the police investigation unfolds, she discovers that everyone has a secret to hide and the truth could alter everything she thought she knew. A page-turning thriller set in a small Southern community, Every Single Lie is a jaw-dropping, twisty must-read for fans of Sadie.
