Stef blamed the dating app. She saw his picture—his smile, the rugged line of his jaw, the way the man could fill out a suit, and like an idiot, she fell a bit in love with him. Idiot because no one ever really looked like their profile pic. Idiot also because if the

man did look like his profile pic then he certainly wasn't going to be into a science geek who binged old Sci-Fi shows on the regular, and whose longest relationship was with her golden retriever named Fred. But in a night of drunken insanity, she swiped right on the picture she'd been drooling over for months. Then in a morning of hangover unpleasantness, she saw that he'd swiped right, too. And suddenly, she found herself on a date with the man of her dreams. The only question was whether or not he lived up to them. The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science. ? poured into a tiny red satin dress steps into his nightclub. A jagged edge of raw desire nicks the impenetrable armor around his heart. Charlotte MacQueen has been told since childhood to stay in school, live a normal life. Leave the family business—hunting down dragons—to her brothers. But tonight, she’s shed her chemist’s lab coat and infiltrated enemy lines to bag a dragon of her own. Twilight meets Games of Thrones in this hot new dragonshifter romance by USA Today Bestselling author Lauren Smith! A witty, gracious, and charmingly illustrated anti-consumer manifesto Like most people, Sarah Lazarovic covets beautiful things. But rather than giving in to her impulse to spend and acquire, Sarah spent a year painting the objects she wanted to buy instead. Based on a visual essay that was first published on The Hairpin, *A Bunch of Pretty Things I Did Not Buy* is a beautiful and witty take on the growing “slow shopping” movement. Sarah is a well-known blogger and illustrator, and she writes brilliantly without preaching or guilt-tripping. Whether she’s trying to justify the purchase of yet another particleboard IKEA home furnishing, debating the pros and cons of leg warmers or calculating the per-day usage cost of big-ticket items, Sarah’s poignant musings will resonate with any reader who’s ever been susceptible to an impulse buy. Her brother's best friend might be a rake, but she's about to be his ruin... Claire is the dutiful, proper Cleveland sister, and the only one who's not embroiled in a scandal. Until now. With her sister's marriage to an earl, the weight of responsibility to save her family has been lifted from her shoulders, and for the first time in her life Claire is free. A rebelliousness she's long denied has her acting out in ways she would never have imagined. Like chasing her brother through the dark streets of London... and kissing her brother's best friend and notorious rake, Lord Nicholas. Nicholas thought he knew everything there was to know about his friend's proper and boring younger sister. Beautiful though she might be, Claire holds no allure for the worldly rogue. At least, not until he holds her in his arms. Could this passionate, daring, feisty woman be the same Claire Cleveland with the simpering smiles? Even more alarming, has the woman of his heart been right in front of his eyes this whole time? He may be late to realize that there is more to Claire than meets the eye, but now that he's seen her true nature, he'll do anything to keep her by his side. Even if that means marrying her. Please Note: This book was formerly titled *A Rake's Ruin*. *Wild Swans* meets *Educated* in this riveting true story spanning four generations 'Revelatory and remarkable' - TRENT DALTON 'Memorable and vivid' - RICHARD GLOVER 'Lands with a thump in your heart' - LISA MILLAR 'Heartbreaking and

uplifting' - MEAGHAN WILSON ANASTASIOS 'An heroic saga' - MIKE MUNRO The dragon circles and swoops ... a tiger running alone in the night ... Mimi Kwa ignored the letter for days. When she finally opened it, the news was so shocking her hair turned grey. Why would a father sue his own daughter? The collision was over the estate of Mimi's beloved Aunt Theresa, but its seed had been sown long ago. In an attempt to understand how it had come to this, Mimi unspools her rich family history in House of Kwa. One of a wealthy silk merchant's 32 children, Mimi's father, Francis, was just a little boy when the Kwa family became caught up in the brutal and devastating Japanese occupation of Hong Kong during World War II. Years later, he was sent to study in Australia by his now independent and successful older sister Theresa. There he met and married Mimi's mother, a nineteen-year-old with an undiagnosed, chronic mental illness. Soon after, 'tiger' Mimi arrived, and her struggle with the past - and the dragon - began ... Riveting, colourful and often darkly humorous, House of Kwa is an epic family drama spanning four generations, and an unforgettable story about how one woman finds the courage to stand up for her freedom and independence, squaring off against the ghosts of the past and finally putting them to rest. Throughout, her inspiration is Francis's late older sister, the jet-setting, free-spirited Aunt Theresa, whose extraordinary life is a beacon of hope in the darkness. PRAISE FOR HOUSE OF KWA 'House of Kwa enchants and enthralls like the best kind of sweeping, dynastic fiction, but it rattles the bones and breaks the heart with the pure facts of Mimi Kwa's extraordinary story. Revelatory and remarkable storytelling.' Trent Dalton 'An astonishing true tale that leaps across centuries and cultures to land with a thump in your heart.' Lisa Millar 'A startling tale of the past, its terrible grip on the present, and the battle to set yourself free. Full of scenes that hover between tragedy and farce, House of Kwa is one of the most compelling stories you'll read this year. Memorable and vividly told, this is a book for anybody forced to survive their own parents.' Richard Glover 'From the back streets of China to war-torn Hong Kong to suburban Australia, this is an heroic saga that reveals just some of the stories behind the multi-cultural nation we are today.' Mike Munro AO 'This is a charming and compelling story, an insight into a deeply traditional Chinese family in times when China was undergoing internally and externally induced upheaval.' South China Morning Post 'A rich and riveting read which heralds a new chapter in Kwa's life as a writer. The spirited tiger, full of life and driven to achieve, has many stories to tell yet.' The Weekend Australian 'House of Kwa answers the question of how one should write about one's family with generosity and love - to read it is to experience Kwa's wonder at the strength and resilience of her family, as well as the intimacy of her relationships with them. Traversing the boundaries of a traditional

memoir, *House of Kwa* is the biography of a family that explores the way our lives are shaped by the past we can and cannot remember. *Kill Your Darlings* 'A rare work of non-fiction which balances page turning prose with lyrical depth. Do yourself and everyone you know a favour and dive in!' Megan Rogers An utterly captivating, gripping and inspirational tale of one woman's triumph over adversity. In this extraordinary multi-generational memoir, *Kwa* fearlessly grapples with questions of love, loyalty, and the power of the human spirit. Intimate and revelatory, *House of Kwa* is the most heart-breaking and uplifting book I have read in years and announces the arrival of an exciting writer. Meaghan Wilson Anastasios 'If you're a fan of the book *Educated* by Tara Westover, as I am, and most readers I know are, then you have to read this.' Joan McKenzie, *Joan's Picks*, *Whitcoulls* 'Mimi's narrative about their family life is heart-breaking, hilarious, and often unbelievable.' Magic talk FM 'An exotic journey that takes readers through the contributions Chinese immigrants have made to multicultural Australia.' ABC Nightlife 'Kwa is an engaging storyteller.' Asian Review of Books 'Extraordinary - I couldn't put it down. Wonderfully written, this intriguing family story reads like a page-turning novel. The journey of the Kwa dynasty and its legacy is told in such rich, colourful detail, you feel like you are there. I loved it. Sue Smethurst 'I laughed, I grieved, I was intrigued. It took enormous strength to write this story of trauma, abuse, mental health, dislocation, racism and reinvention. Above all it is a story of love and kindness. It will resonate with so many people.' Kirsty Manning

How is it possible for six men to take a Liberian-flagged oil tanker hostage and negotiate a huge pay out for the return of its crew and 2.2 million barrels of crude oil? In his gripping new book, Jatin Dua answers this question by exploring the unprecedented upsurge in maritime piracy off the coast of Somalia in the twenty-first century. Taking the reader inside pirate communities in Somalia, onboard multinational container ships, and within insurance offices in London, Dua connects modern day pirates to longer histories of trade and disputes over protection. In our increasingly technological world, maritime piracy represents not only an interruption, but an attempt to insert oneself within the world of oceanic trade. one adjective used to describe my entire hockey career. I prefer to call it hard work, at least I did until my game went to complete crap. I haven't scored in eight games and the team owner is talking about trading me. I've never believed in superstitions. Never needed one. I suppose I was "lucky" in that way. But now the best way to refer to me is desperate. I'd wear the same socks for an entire year just to be the high-scoring center I used to be. Imagine my surprise when after spending New Year's Eve with a woman, I score a hat trick in the next game—that's three goals in one game for you non-hockey lovers. Now, I have to track her down and bribe her to do it again before every game. Get your mind out of the gutter, I'm not talking about it. I find her and when I get to know her better, I end up spending more time thinking about her than my game, but she's made it clear she wants no part of me. She's going to learn that I didn't become a professional hockey player without having to fight for what I want. As the hunt for the Ghost heats up, Detective Silas Warren and Madison Corman do their best to leave no stone unturned, but when Captain Fletcher tells the media the crimes are being committed by a copycat, the duo thinks his lies might have scared their killer away. Is he in hiding or is he meticulously planning his next kill? But when victims are found murdered in the Pacific Northwest, their bodies strung up high in the branches of Redwood trees, Ella finds everything she's known to be put to the test. Is she wrong?
