This is undoubtedly a work of fiction that takes license with history. If only a word of it were true, but alas it's not. My book states that three of the Romanov children survived Olga, Tatiana, and Marie and that two died: Anastasia and Nickolai. Marie was hidden away during the tumultuous times of Stalin's Bolshevik reign by a group of people I call the village people, a society dedicated to returning the Romanovs to power. I have Olga and Tatiana traveling to the United States where they did very well. My book starts when the village people decide to reveal to the world that a child of the Romanovs is alive and living in Russia and has been there all the while! Marie is found to be a true Romanov, a child of Alexandria and Nicholas. She had a granddaughter named Anastasia! Now you know. "Describes the life and death of Grand Duchess Anastasia Romanov of Russia"--Provided by publisher. A scrapbook derived from journals, letters, photographs, and watercolor paintings provides glimpses into the life of the youngest daughter of Russia's last tsar. Based on exclusive access to newly discovered Russian documents, the last word on the fate of the Romanov family. The New York Times bestselling author of *The Library of Light and Shadow* crafts "an enchanting glimpse of Jazz Age New York" (Christina Baker Kline, #1 New York Times bestselling author of *Orphan Train*) about a young painter whose traumatic past threatens to derail her career at a prestigious summer artists' colony run by Louis Comfort Tiffany of Tiffany & Co. fame. New York, 1924: Twenty-four-year-old Jenny Bell is one of a dozen burgeoning artists invited to Louis Comfort Tiffany's prestigious artists' colony. Gifted and determined, Jenny vows to avoid all distractions and take full advantage of the many wonders to be found at Laurelton Hall. But Jenny's past has followed her there. Images of her beloved mother, her hard-hearted stepfather, murder, and the dank hallways of Canada's notorious Andrew Mercer Reformatory for Women overwhelm Jenny's thoughts, even as she is inextricably drawn to Oliver, Tiffany's charismatic grandson. As the summer shimmers on, and the competition between the artists grows fierce as they vie for a spot at Tiffany's New York gallery, a series of suspicious and disturbing occurrences suggest someone else knows about Jenny's childhood trauma. Supported by her closest friend Minx Deering, a seemingly carefree socialite yet dedicated sculptor, and Oliver, Jenny pushes her demons aside. Between stolen kisses and jewels, the champagne flows and the jazz plays on until one moonless night when Jenny's past and present are thrown together in a desperate moment, that will threaten her promising future, her love, her friendships, and her very life. "This fast-paced mystery, star-crossed romance, and love letter to Louis Comfort Tiffany will captivate Rose's many fans and readers of 20th-century historical fiction" (Library Journal, starred review). Anastasia--the name has become synonymous with enigma. the story of the youngest daughter of the last Russian czar has become one of the world's most favorite romantic fascinations, and is one of the strangest, saddest, most haunting riddle of the twentieth century: Did she escape the massacre of the Russian Royal family in 1917? James Blair Lovell's exhaustive search for the truth culminates in the definitive book, the last word on the mystery of Anastasia. Drawn from eyewitness testimony, medical and scientific study, handwriting analysis, and a cache of thousands of documents, letters, paintings, private photographs, and audio tapes, "Anastasia: The Lost Princess" separates the facts from the myths, and establishes beyond a shadow of a doubt the identity of the real Anastasia. Filled with romance, intrigue,

drama, and startling revelation, it is Anna Anderson's true story. Shortlisted for the HWA Sharpe Books Non-Fiction Crown Award A work of investigative history that will completely change the way in which we see the Romanov story. Finally, here is the truth about the secret plans to rescue Russia's last imperial family. On 17 July 1918, the whole of the Russian Imperial Family was murdered. There were no miraculous escapes. The former Tsar Nicholas, his wife Alexandra, and their children – Olga, Tatiana, Maria, Anastasia and Alexey – were all tragically gunned down in a blaze of bullets. Historian Helen Rappaport sets out to uncover why the Romanovs' European royal relatives and the Allied governments failed to save them. It was not, ever, a simple case of one British King's loss of nerve. In this race against time, many other nations and individuals were facing political and personal challenges of the highest order. In this incredible detective story, Rappaport draws on an unprecedented range of unseen sources, tracking down missing documents, destroyed papers and covert plots to liberate the family by land, sea and even sky. Through countless twists and turns, this revelatory work unpicks many false claims and conspiracies, revealing the fiercest loyalty, bitter rivalries and devastating betrayals as the Romanovs, imprisoned, awaited their fate. A remarkable new work of history from Helen Rappaport, author of *Ekaterinburg: The Last Days of the Romanovs*. "On 17 February 1920 a young woman was rescued from a Berlin canal and taken to a local asylum. Her body bore the scars of bullet and bayonet wounds. For a long time she refused to give her name, and was known as Fraulein Unbekannt (Miss Unknown). When she did declare herself - as the Grand Duchess Anastasia, youngest daughter of the murdered Romanovs - she became the centre of a storm of controversy that still continues after her death in 1983. Peter Kurth's brilliant and meticulously researched account shows that the evidence that Anna Anderson was Anastasia is in the end overwhelming. Nevertheless the extraordinary secrecy which still shrouds some of the key evidence suggests that, as her uncle the Grand Duke of Hesse wrote, an investigation of her identity could be 'dangerous'." In August 1914, Russia entered World War I, and with it, the imperial family of Tsar Nicholas II was thrust into a conflict they would not survive. His eldest child, Olga Nikolaevna, great-granddaughter of Queen Victoria, had begun a diary in 1905 when she was ten years old and kept writing her thoughts and impressions of day-to-day life as a grand duchess until abruptly ending her entries when her father abdicated his throne in March 1917. Held at the State Archives of the Russian Federation in Moscow, Olga's diaries during the wartime period have never been translated into English until this volume. At the outset of the war, Olga and her sister Tatiana worked as nurses in a military hospital along with their mother, Tsarina Alexandra. Olga's younger sisters, Maria and Anastasia, visited the infirmaries to help raise the morale of the wounded and sick soldiers. The strain was indeed great, as Olga records her impressions of tending to the officers who had been injured and maimed in the fighting on the Russian front. Concerns about her sickly brother, Aleksei, abound, as well those for her father, who is seen attempting to manage the ongoing war. Gregori Rasputin appears in entries, too, in an affectionate manner as one would expect of a family friend. While the diaries reflect the interests of a young woman, her tone grows increasingly serious as the Russian army suffers setbacks, Rasputin is ultimately murdered, and a popular movement against her family begins to grow. Abundant, newly discovered sources shatter long-

held beliefs The collapse of the Soviet Union in 1991 revealed, among many other things, a hidden wealth of archival documents relating to the imprisonment and eventual murder of Tsar Nicholas II, his wife Alexandra, and their children. Emanating from sources both within and close to the Imperial Family as well as from their captors and executioners, these often-controversial materials have enabled a new and comprehensive examination of one the pivotal events of the twentieth century and the many controversies that surround it. Based on a careful analysis of more than 500 of these previously unpublished documents, along with numerous newly discovered photos, *The Fate of the Romanovs* makes compelling revisions to many long-held beliefs about the Romanovs' final months and moments. History. A “masterful” (The Washington Post Book World) account of the quest to solve one of the great mysteries in Russian history—from the Pulitzer Prize–winning author of *Peter the Great*, *Nicholas and Alexandra*, and *Catherine the Great* “Riveting . . . unfolds like a detective story.”—Los Angeles Times Book Review In July 1991, nine skeletons were exhumed from a shallow mass grave near Ekaterinburg, Siberia, a few miles from the infamous cellar room where the last tsar and his family had been murdered seventy-three years before. But were these the bones of the Romanovs? And if these were their remains, where were the bones of the two younger Romanovs supposedly murdered with the rest of the family? Was Anna Anderson, celebrated for more than sixty years in newspapers, books, and film, really Grand Duchess Anastasia? *The Romanovs* provides the answers, describing in suspenseful detail the dramatic efforts to discover the truth. Pulitzer Prize winner Robert K. Massie presents a colorful panorama of contemporary characters, illuminating the major scientific dispute between Russian experts and a team of Americans, whose findings, along with those of DNA scientists from Russia, America, and Great Britain, all contributed to solving one of the great mysteries of the twentieth century. A new history of the most famous of Russian dynasties. Anna-Anastasia: the old and new versions and discussion. It is known the dozens of books and hundreds of articles about Anna Anderson, best known for the role of pretender rescued daughter of Nicholas II, Anastasia. It would seem that after the comparative DNA tests (which are allegedly not confirmed kinship Anderson and the royal family), the matter is closed. However, with the exception of those DNA tests, a huge set of evidence and the facts speak in favor of self-identification Anderson as Anastasia. In this brochure, we briefly discuss the old and new versions and discussion of this subject, as well as give a detailed critique of the DNA tests and the arguments in favor Anna Anderson as Anastasia. In March 2014 the book was supplemented with a new section: «The new book "Who are you, Mrs. Tchaikovsky?" (by academician Benjamin Alekseev)” The story of the love that ended an empire In this commanding book, Pulitzer Prize–winning author Robert K. Massie sweeps readers back to the extraordinary world of Imperial Russia to tell the story of the Romanovs’ lives: Nicholas’s political naïveté, Alexandra’s obsession with the corrupt mystic Rasputin, and little Alexis’s brave struggle with hemophilia. Against a lavish backdrop of luxury and intrigue, Massie unfolds a powerful drama of passion and history—the story of a doomed empire and the death-marked royals who watched it crumble. BONUS: This edition contains an excerpt from Robert K. Massie's *Catherine the Great*. Praise for *Nicholas and Alexandra* “A larger-than-life drama.”—Saturday Review “A moving, rich book

. . . [This] revealing, densely documented account of the last Romanovs focuses not on the great events . . . but on the royal family and their evil nemesis. . . . The tale is so bizarre, no melodrama is equal to it.”—Newsweek “A wonderfully rich tapestry, the colors fresh and clear, every strand sewn in with a sure hand. Mr. Massie describes those strange and terrible years with sympathy and understanding. . . . They come vividly before our eyes.”—The New York Times “An all-too-human picture . . . Both Nicholas and Alexandra with all their failings come truly alive, as does their almost storybook romance.”—Newsday “A magnificent and intimate picture . . . Not only the main characters but a whole era become alive and comprehensible.”—Harper’s Anastasia, the youngest daughter of Tsar Nicholas II and Empress Alexandra Feodorovna was destined to become the most famous of her siblings - through rumors of her survival of the family's brutal murder on the night of 16-17 July 1918. She has appeared in movies, novels, musicals and plays, and yet among all this the real Anastasia has been lost. Here for the first time, readers can discover the real Anastasia through her own letters and writings - translated into English by Helen Azar and George Hawkins, many for the first time - a surprisingly modern teenager from the dawn of the 20th century who had a sharp sense of humor, was intelligent but sometimes naughty, with a gift for storytelling and a penchant for taking "selfies" on her brownie box. Meet the historical Anastasia who inspired the legend. "The acclaimed author of *Young Stalin* and *Jerusalem* gives readers an accessible, lively account--based in part on new archival material--of the extraordinary men and women who ruled Russia for three centuries."--NoveList. The truth of the enduring mystery of Anastasia's fate-and the life of her most convincing impostor The passage of more than ninety years and the publication of hundreds of books in dozens of languages has not extinguished an enduring interest in the mysteries surrounding the 1918 execution of the last Russian Tsar Nicholas II and his family. The Resurrection of the Romanovs draws on a wealth of new information from previously unpublished materials and unexplored sources to probe the most enduring Romanov mystery of all: the fate of the Tsar's youngest daughter, Anastasia, whose remains were not buried with those of her family, and her identification with Anna Anderson, the woman who claimed to be the missing Grand Duchess. Penetrates the intriguing mysteries surrounding the execution of Tsar Nicholas II and the true fate of his daughter, *Anastasia Reveals* previously unknown details of Anderson's life as Franziska Schanzkowska Explains how Anderson acquired her knowledge, why people believed her claim, and how it transformed Anastasia into a cultural phenomenon Draws on unpublished materials including Schanzkowska family memoirs, legal papers, and exclusive access to private documents of the British and Hessian Royal Families Includes 75 photographs, dozens published here for the first time Written by the authors of *The Fate of the Romanovs* Refuting long-accepted evidence in the Anderson case, *The Resurrection of the Romanovs* finally explodes the greatest royal mystery of the twentieth-century. On February 12, 1994, Anna Anderson, a woman in her eighties, died in Charlottesville, Virginia. Was she the youngest daughter of the last Tsar, or a former Polish factory worker who, miraculously, had intimate knowledge of the royal family's activities? Drawing on unpublished Romanov papers, extensive trial records, and numerous interviews this biography examines the life of the woman who may be the Grand Duchess Anastasia, daughter of Nicholas II It is

known the dozens of books and hundreds of articles about Anna Anderson, best known for the role of pretender rescued daughter of Nicholas II, Anastasia. It would seem that after the comparative DNA tests (which are allegedly not confirmed kinship Anderson and the royal family), the matter is closed. However, with the exception of those DNA tests, a huge set of evidence and the facts speak in favor of self-identification Anderson as Anastasia. Ann Hood's historical fantasy series comes to a thrilling end with a trip to early 20th century Russia! In the final book of the Treasure Chest, Maisie and Felix find themselves in Russia with the Romanov family. This epic series is full of time travel and mystery that piques readers' interests, delights teachers and librarians, and celebrates some of the great historical figures of the past. Every Treasure Chest book features a biography of the featured historical figure along with Ann's Favorite Facts from her research! A 12-WEEK NEW YORK TIMES BESTSELLER "Helen Rappaport paints a compelling portrait of the doomed grand duchesses." —People magazine "The public spoke of the sisters in a gentile, superficial manner, but Rappaport captures sections of letters and diary entries to showcase the sisters' thoughtfulness and intelligence." —Publishers Weekly (starred review) From the New York Times bestselling author of *The Last Days of the Romanovs* and *Caught in the Revolution*, *The Romanov Sisters* reveals the untold stories of the four daughters of Nicholas and Alexandra. They were the Princess Dianas of their day—perhaps the most photographed and talked about young royals of the early twentieth century. The four captivating Russian Grand Duchesses—Olga, Tatiana, Maria and Anastasia Romanov—were much admired for their happy dispositions, their looks, the clothes they wore and their privileged lifestyle. Over the years, the story of the four Romanov sisters and their tragic end in a basement at Ekaterinburg in 1918 has clouded our view of them, leading to a mass of sentimental and idealized hagiography. With this treasure trove of diaries and letters from the grand duchesses to their friends and family, we learn that they were intelligent, sensitive and perceptive witnesses to the dark turmoil within their immediate family and the ominous approach of the Russian Revolution, the nightmare that would sweep their world away, and them along with it. *The Romanov Sisters* sets out to capture the joy as well as the insecurities and poignancy of those young lives against the backdrop of the dying days of late Imperial Russia, World War I and the Russian Revolution. Helen Rappaport aims to present a new and challenging take on the story, drawing extensively on previously unseen or unpublished letters, diaries and archival sources, as well as private collections. It is a book that will surprise people, even aficionados. New York Times Bestseller "Compelling and utterly fascinating." —Lisa Wingate, author of *Before We Were Yours* An enthralling feat of historical suspense that unravels the extraordinary twists and turns in Anna Anderson's fifty-year battle to be recognized as Anastasia Romanov. Is she the Russian Grand Duchess or the thief of another woman's legacy? Countless others have rendered their verdict. Now it is your turn. Russia, July 17, 1918: Under direct orders from Vladimir Lenin, Bolshevik secret police force Anastasia Romanov, along with the entire imperial family, into a damp basement in Siberia, where they face a merciless firing squad. None survive. At least that is what the executioners have always claimed. Germany, February 17, 1920: A young woman bearing an uncanny resemblance to Anastasia Romanov is pulled shivering and senseless from a canal. Refusing to explain her

presence in the freezing water or even acknowledge her rescuers, she is taken to the hospital where an examination reveals that her body is riddled with countless horrific scars. When she finally does speak, this frightened, mysterious young woman claims to be the Russian grand duchess. As rumors begin to circulate through European society that the youngest Romanov daughter has survived the massacre at Ekaterinburg, old enemies and new threats are awakened. The question of who Anna Anderson is and what actually happened to Anastasia Romanov spans fifty years and touches three continents. This thrilling saga is every bit as moving and momentous as it is harrowing and twisted. "First published in 2017 ... on the occasion of the British Library exhibition Russian Revolution: hope, tragedy, myths"--Title page verso. On 17 July 1918, four young women walked down into the cellar of a house in Ekaterinburg. The eldest was twenty-two, the youngest only seventeen. Together with their parents and their thirteen-year-old brother, they were all brutally murdered. Their crime: to be the daughters of the last Tsar and Tsaritsa of All the Russias. In *Four Sisters* acclaimed biographer Helen Rappaport offers readers the most authoritative account yet of the Grand Duchesses Olga, Tatiana, Maria and Anastasia. Drawing on their own letters and diaries, she paints a vivid picture of their lives in the dying days of the Romanov dynasty. We see, almost for the first time, their journey from a childhood of enormous privilege, throughout which they led a very sheltered and largely simple life, to young womanhood – their first romantic crushes, their hopes and dreams, the difficulty of coping with a mother who was a chronic invalid and a haemophiliac brother, and, latterly, the trauma of the revolution and its terrible consequences. Compellingly readable, meticulously researched and deeply moving, *Four Sisters* gives these young women a voice, and allows their story to resonate for readers almost a century after their death. 'An astoundingly intimate tale of domestic life lived in the crucible of power' – Observer On 17 February, 1920, a young woman was rescued from a Berlin canal and taken to a local asylum. Her body bore the scars of bullet and bayonet wounds. For a long time she refused to give her name, and was known as Fraulein Unbekannt (Miss Unknown). When she did declare herself - as the Grand Duchess Anastasia, youngest daughter of the murdered Romanovs - she became the centre of a storm of controversy that still continues after her death in 1983. Peter Kurth's brilliant and meticulously researched account shows that the evidence that Anna Anderson was Anastasia is in the end overwhelming. Nevertheless the extraordinary secrecy which still shrouds some of the key evidence suggests that, as her uncle the Grand Duke of Hesse wrote, an investigation of her identity could be 'dangerous'. 'Anastasia' is a fascinating study of one of the world's greatest mysteries. 'A wholly gripping book at the end of which it is hard to believe that the Grand Duchess's identity has not been proved' – The Times 'It is, literally, an incredible story, but Peter Kurth makes it utterly convincing...a compellingly readable book' - Irish Times 'One of the most intriguing mysteries of the twentieth century. Peter Kurth's is the first serious attempt to unravel it' - Sunday Telegraph Peter Kurth has been a journalist and author for forty years, specialising in biography and Soviet history. He has written for publications such as Vanity Fair, The New York Times Book Review and Harper's Hazaar, and has contributed to Salon.com. His books include *Isadora: A Sensational Life* and *Tsar: The Lost World of Nicholas and Alexandra*. Endeavour Press is the UK's leading independent digital

We are always interested in hearing from our readers. Endeavour Press believes that the future is now. The car jolts to a halt at the pavement's edge, the driver waving through the windscreen to attract Richard's attention. He starts with astonishment. The driver is Gemma, his ex-wife. He has not seen or spoken to her for several years. They have, she memorably assured him the last time they met, nothing to say to each other. But something has changed her mind - something urgent ...

Immediately Richard is catapulted into a breathless race against time that takes him from London, across northern Europe and into the heart of a mystery that reaches back into history - the fate of Anastasia, youngest daughter of Tsar Nicholas II, the last of the Romanovs. From that moment, Richard's life will be changed for ever in ways he could never have imagined. What really happened to Anastasia Romanov? Anastasia Romanov thought she would never feel more alone than when the gunfire started and her family began to fall around her. Surely the bullets would come for her next. But they didn't. Instead, two gnarled old hands reached for her. When she wakes up she discovers that she is in the ancient hut of the witch Baba Yaga, and that some things are worse than being dead. In modern-day Chicago, Anne doesn't know much about Russian history. She is more concerned about getting into a good college—until the dreams start. She is somewhere else. She is someone else. And she is sharing a small room with a very old woman. The vivid dreams startle her, but not until a handsome stranger offers to explain them does she realize her life is going to change forever. She is the only one who can save Anastasia. But, Anastasia is having her own dreams... This is the second revised edition with photographs and never before published documents. Retired MI6 agent Rodney Mundy goes on a dangerous mission to find a lost holy icon which, if discovered, could be the key to solving one of the bloodiest and most enigmatic episodes of history - the disappearance of the Romanovs and the fate of Anastasia, the youngest daughter of the last tsar Nicholas II. During his mission, Rodney discovers not only the truth about Anastasia but also that the Vatican was involved in the rescue operation of the Imperial Family in 1918. The truth about their survival has been suppressed from the public. Though this is a work of fiction it is based on true facts. The Lost Icon existed and belonged to Grand Duchess Anastasia ( Anna Anderson/ Anastasia Manahan). The authors who have been researching the mystery surrounding the alleged murder of the Russian Imperial Family have come to the conclusion that there are many documents that do confirm the theories of survival. This book has never before seen photographs and documents of extraordinary interest for those fascinated by the mysteries of history and especially in the Romanovs. [www.thelostromanovicon.com](http://www.thelostromanovicon.com). <http://www.facebook.com/pages/The-lost-Romanov-Icon-and-the-Enigma-of-Anastasia/200394259973743> With the mystery of Maureen Johnson and Brittany Cavallaro and the historical intrigue of Romanov, this genre-bending YA will pull readers into one girl's journey of discovering the impossible tale of a long-lost aunt—and through her, the importance of being true to yourself. It's not every day you discover you might be related to Anastasia...or that the tragic princess actually survived her assassination attempt and has been living

as the woman you know as Aunt Anna. For Jess Morgan, who is growing tired of living her life to please everyone else, discovering her late aunt's diaries shows her she's not the only one struggling to hide who she really is. But was her aunt truly a Romanov princess? Or is this some elaborate hoax? With the help of a supremely dorky but undeniably cute local college student named Evan, Jess digs into the century-old mystery. But soon Jess realizes there's another, bigger truth waiting to be revealed: Jess Morgan. Because if she's learned anything from Aunt Anna, it's that only you can write your own story. But the Queen's son and two of her granddaughters married Romanovs. New York Times Bestseller "Compelling and utterly fascinating." —Lisa Wingate, author of *Before We Were Yours* An enthralling feat of historical suspense that unravels the extraordinary twists and turns in Anna Anderson's fifty-year battle to be recognized as Anastasia Romanov. Is she the Russian Grand Duchess or the thief of another woman's legacy? Countless others have rendered their verdict. Now it is your turn. Russia, July 17,

1918: Under direct orders from Vladimir Lenin, Bolshevik secret police force Anastasia Romanov, along with the entire imperial family, into a damp basement in Siberia, where they face a merciless firing squad. None survive. At least that is what the executioners have always claimed. Germany, February 17, 1920: A young woman bearing an uncanny resemblance to Anastasia Romanov is pulled shivering and senseless from a canal. Refusing to explain her presence in the freezing water or even acknowledge her rescuers, she is taken to the hospital where an examination reveals that her body is riddled with countless horrific scars. When she finally does speak, this frightened, mysterious young woman claims to be the Russian grand duchess. As rumors begin to circulate through European society that the youngest Romanov daughter has survived the massacre at Ekaterinburg, old enemies and new threats are awakened. The question of who Anna Anderson is and what actually happened to Anastasia Romanov spans fifty years and touches three continents. This thrilling saga is every bit as moving and momentous as it is harrowing and twisted. This spectacular illustrated history tells the story of the last Romanovs - one of the great tragic love stories of all time - with unparalleled vividness & intimacy. The text, which follows Nicholas & Alexandra from their childhood's to the Siberian cellar where their lives ended, is complemented by rare images from the imperial family's private collections (locked away for decades in Soviet archives, & published here for the first time), as well as by contemporary full-color photographs of the places & palaces the Romanovs knew. Welch's biography of Anna Anderson, the mysterious woman who claimed to be the lone survivor of the Russian imperial family, is a tragic comedy in the best Russian tradition--a compelling, eerie, and frequently hilarious study of discipleship, snobbery, and life after death. Illustrated. The authors, Pierre Gilliard and Constantin Savitch have produced an excellent, incisive and detailed analytical account of Franziska Schanzkowsky (aka Anna Anderson), a former Polish laborer who was used and misguided by a coterie of "friends" in an effort to gain control of the foreign investments of Tsar Nicholas II, particularly those in Germany. A prevalent rumor circulating at the time was that she was the illegitimate daughter of Tsar Nicholas II and Mathilde Kschessinska, the famous ballerina with whom he had a three-year romantic relationship prior to his marriage to Alexandra Feodorovna in 1894. The doctors who examined her after she made an unsuccessful suicide attempt in Berlin on 17 February 1920 stated that she appeared to have been born between 1892 and 1894. Moreover, Anna Anderson-who bore no physical, mental or emotional similarity to Anastasia Nicholaievna Romanov-was none other than a mentally unbalanced unmarried woman who was gradually and delusively led to believe that she was really Anastasia Romanov. Yet, when found, she spoke only Polish and German. On the other hand, the real Anastasia did not speak these two languages, but did speak English, French and Russian very well. To paraphrase Disraeli, in his book, "Konigsby," the true identity and saga of the real Anastasia and her family is enmeshed in deep intrigue, which can never be imagined by someone who is not behind the scenes. The saga of the real Anastasia Nicolaievna began in Peterhof, Russia on 18 June 1901 and ended in Newport, Rhode Island on 31 January 1997. The other members of the family lived out their lives in relative seclusion and anonymity as a result of a secret codicil in the Treaty of Brest-Litovsk on 3 March 1918 that ended the war between Germany and Russia. This fact was also personally related by

Lenin to Armand Hammer. Front cover photo: The Imperial Family, without the only son Alexei. Praise for *The Court of the Last Tsar* "Any book by Greg King is a book to be kept and savored. He has not only given us a fresh, clear-eyed, and often startling new look at the life of the last Romanovs, but also lived up to the promise of his title. He has shown us how the whole enterprise worked, from Tsar Nicholas to his lowest cook and chambermaid. This book is a great work of scholarship--and a wonderful read." --Peter Kurth, author of *Tsar: The Lost World of Nicholas and Alexandra* and *Anastasia: The Riddle of Anna Anderson* "A mammoth, monumental achievement. No other book captures the essence and the entire scope of life at the court of Nicholas II. It's a thoroughly enjoyable and encyclopedic masterpiece that will be a major source for historians and biographers for years to come." --Marlene A. Eilers, author of *Queen Victoria's Descendants* and publisher of *Royal Book News* "Greg King has truly written a tour de force. The book is extremely well researched, has over 100 illustrations and is, quite simply, marvelous." --Coryne Hall, author of *Little Mother of Russia, Once a Grand Duchess, and Imperial Dancer* "Greg King is emerging as one of the leading authorities in today's liveliest field of Russian studies, and this is a major contribution to the study of late Imperial Russia." --Joseph T. Fuhrmann, author of *Rasputin* and the editor of *The Complete Wartime Correspondence of Tsar Nicholas II and the Empress Alexandra* Sydney Gibbes was appointed tutor to the children of Tsar Nicholas II in 1908 and over the next six years lived as one of the family in the royal palace. A demanding, fastidious man, he found the Romanovs bizarrely devout and insular. Yet he came to hold them all in deep affection.
