"Freak. Witch. Crazy. Schizo. Ember Brycin has been called them all. She's always known she's different. No one has ever called her normal, even under the best circumstances. Bizarre and inexplicable things continually happen to her, and having two different colored eyes, strange hair, and an unusual tattoo only contributes to the gossip about her. When the latest school explosion lands her in a facility for trouble teens, she meets Eli Dragen, who's hot as hell and darkly mysterious. Their connection is full of passion, danger, and secrets. Secrets that will not only change her life, but what and who she is--leading her down a path she never imagined possible. Between Light and Dark, Ember finds a world where truth and knowledge are power and no one can be trusted. But her survival depends on finding out the truth about herself. In her pursuit, she is forced between love and destiny and good and evil, even when the differences between them aren't always clear. At worst, she will incite a war that could destroy both worlds. At best, she will not only lose her heart but her life and everyone she loves. Once the truth is out, however, there will be no going back. And she'll definitely wish she could."--Back cover. What if when you died, no one would ever know you were all that stood between man and the enemy?When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice. Explains that taking action like picking up trash and planting flowers are ways to be a good citizen. *Game of Thrones* meets the Grimm's fairy tales in this twisted, fast-paced romantic fantasy-adventure about Sleeping Beauty's daughter, a warrior princess who must fight to reclaim her

throne. It's been ten years since Princess Aurora's mother, the Sleeping Beauty, sacrificed her life to give her daughter her magical powers. Aurora knows that magic is never free. The price for hers is that she will never know romantic love. Prince Niklaas is living on borrowed time. Unless he is able to convince a princess to marry him before his eighteenth birthday, he will meet the same terrible fate as his ten older brothers. When Niklaas and Aurora meet under unusual circumstances, they must race to prevent the fulfillment of an ogre prophecy foretelling the end of human life. But will they be able to break their curses? "Compelling and action-packed. . . . The combination of adventure; lovable, complex characters; and a touch of romance make this a book that teens will be drawn to, especially those who appreciate strong female protagonists."—School Library Journal "The plotting is impeccable, the world building ample, and the resolution neatly done without feeling pat."—Booklist "The banter between rakish Niklaas and feisty Aurora is crackling with chemistry and wit."—The Bulletin "We absolutely loved Stacey Jay's *Princess of Thorns*, a riveting retelling of 'Sleeping Beauty' that's full of action, drama and romance."—romantictimes.com "Will appeal to fantasy lovers."—VOYA "Jay creates people with real flaws, but endows them with enough integrity to be characters to respect and want to know."—examiner.com Praise for *Juliet Immortal* "The bones of the classic Beauty and the Beast story are all here, imaginatively fleshed out with tropes from science fiction, fantasy, even political drama. . . . Will please readers who like to believe that fairy tales can come true, even under dire circumstances." —The Bulletin, Recommended Praise for *Of Beast and Beauty* "The romance is intense, and so is the horror in this strong reversal of the Romeo and Juliet story. . . . Teens will enjoy the macabre fantasy story of forbidden love." —Booklist There are many stories about regular girls meeting a prince, falling in love, and living happily ever after...blah, blah, blah. This is not that story. As a lowly Baron's daughter, I sit on the outskirts of the noble circle, watching the royal family from afar. Exactly where I'd rather be. To me that world was anything but magical or fantasy, their lives under a relentless microscope, controlled by traditions and expectations. I was the girl dreaming about becoming a veterinarian and surrounding myself with animals instead of people. A wallflower who suddenly bloomed, I somehow nabbed the attention of the arrogant, but undeniably handsome, Theodore Alexander Philip Robert David Livingston. The Prince of Great Victoria. I never imagined falling in love with a prince, but I did. When Theo comes back from the Royal Air Force with an extremely sexy, but extremely arrogant new bodyguard, Lennox Easton, everything is flipped upside down. Tattooed, mysterious, and cruel, our mutual hatred for each other becomes even more complicated when I move into the palace, becoming the official girlfriend of Prince Theo, and now under Lennox's watch. Thrown in a society which controls my every move, social media viciously coming after me, and paparazzi looking for any juicy gossip, my world becomes a cage. Glided or not, my life becomes nothing like I imagined, I find myself turning to the very last person I should. When family secrets start to surface from the past, old enemies come for revenge, along with blackmail, forbidden love, and devastating revelations. Everything is set to bring me down and even take my life. I knew loving a prince would come with sacrifices, but when you give up everything...when does the fairytale become a nightmare? *An Indie Next List Pick and a Top Ten Rainbow Book for Young Readers!* Jules Machias explores identity, gender fluidity, and the power of friendship and acceptance in this dual-narrative story about two kids who join forces to save a dog . . . but wind up saving each other. Ash is no stranger to feeling

like an outcast. For someone who cycles through genders, it's a daily struggle to feel in control of how people perceive you. Some days Ash is undoubtedly girl, but other times, 100 percent guy. Daniel lacks control too—of his emotions. He's been told he's overly sensitive more times than he can count. He can't help the way he is, and he sure wishes someone would accept him for it. So when Daniel's big heart leads him to rescue a dog that's about to be euthanized, he's relieved to find Ash willing to help. The two bond over their four-legged secret. When they start catching feelings for each other, however, things go from cute to complicated. Daniel thinks Ash is all girl . . . what happens when he finds out there's more to Ash's story? With so much on the line—truth, identity, acceptance, and the life of an adorable pup named Chewbarka—will Ash and Daniel forever feel at war with themselves because they don't fit into the world's binaries? Or will their friendship help them embrace the beauty of living in between? 'The Iliad meets Friday Night Lights in this muscular, captivating debut' Oprah Magazine 'A gorgeous debut that conjures one small town and the big emotions of its wealthiest family, the Briscoes, whose saga plays out over six days of pain, rage and love' People, Best of Summer 'I read without breathing - OK, maybe I gasped - and I experienced the characters' grief and regret as if they were my own' New York Times 'The novel is based on Greek myths but you don't need to know your Zeus from your Apollo to enjoy this saga full of deceit and drama' Good Housekeeping 'Beautifully written and filled with atmosphere... a hugely accomplished debut' Prima 'Secrets, lies and deceptions with Greek myth-like undertones... A literary family saga that spans one week and packs in everything from infidelity to a shooting' High Life 'A total page-turner' Kirkus (starred review) 'The most wildly entertaining novel I've read in a long time' Richard Russo winner of the Pulitzer Prize for Fiction When March Briscoe returns to East Texas two years after he was caught having an affair with his brother's wife, the Briscoe family becomes once again the talk of the small town of Olympus. His mother, June, hardly welcomes him back with open arms: her husband's own past affairs have made her tired of being the long-suffering spouse. Is it, perhaps, time for a change? But within days of March's arrival, someone is dead, marriages are upended, and even the strongest of alliances are shattered. In the end, the ties that hold the Briscoes together might be exactly what drag them all down. An expansive tour de force, Olympus, Texas combines the archetypes of Greek and Roman mythology with the psychological complexity of a messy family. After all, at some point, we all wonder: what good is this destructive force we call love? Kidnapped by the notorious rebel group, Provstat, Brexley finds her connection goes deeper than she ever imagined. Reunited with old acquaintances and an uncle she never knew, Brexley is thrown into the vicious world of politics, where human and fae leaders will do anything to come out on top. Here dangerous associations and meticulous plots are far more dangerous and cutthroat than any game she survived in Halálház. If her life wasn't complicated enough, her relationship with the infamous legend is growing stronger. The more she tries to untangle the link between Warwick and her, the thicker it wraps around them both, entwining them in a world between life and death, where brutal passion and fury collide. When whispers of a coveted magical substance, called the nectar, start buzzing louder, Brexley's strange bond to the fae book leads her on an unexpected journey. One that brings her closer to the answers she seeks. But once she opens the door, all the secrets and lies of her past come flooding out. Truths she's not ready to face. And betrayals that cut bone deep. Fans of Maggie Stiefvater's *Shiver* and Becca Fitzpatrick's *Hush* will relish this intense

paranormal love story featuring Romeo and Juliet, literary history's most tragic couple, who meet again, not as true lovers, but truly as enemies. The most tragic love story in history . . . Juliet Capulet didn't take her own life. She was murdered by the person she trusted most, her new husband, Romeo Montague, a sacrifice made to ensure his own immortality. But what Romeo didn't anticipate was that Juliet would be granted eternity, as well, and would become an agent for the Ambassadors of Light. For 700 years, she's fought Romeo for the souls of true lovers, struggling to preserve romantic love and the lives of the innocent. Until the day she meets someone she's forbidden to love, and Romeo, oh Romeo, will do everything in his power to destroy that love. "These violent delights have violent ends And in their triumph die, like fire and powder, Which as they kiss consume." —Romeo and Juliet by William Shakespeare I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." -Laura Thalassa She has the power to destroy him, but not if he acts first... When a violent pirate crew raids her ball, Whitley finds an unlikely savior. Bluff, a pirate with the ability to shift his appearance at will, sweeps her away from her high society life and sneaks her onto his ship to avoid capture. But savior or not, she knows she can't trust him. Bluff has his own reasons to ensure Whitley doesn't make it into the wrong hands—to save his own damn skin. Especially, when he learns that sirens have joined the hunt for Whitley and the power lying dormant in her blood. Whitley is the only one who can control him and he doesn't intend to let anyone have that much power over him. He's determined to avoid feelings at all costs, especially with this girl. Except he can't deny his attraction to her. Why does this high-society princess have to be so beautiful and fierce and loyal and brave? His walls are slipping every moment he spends with her and that might be the most dangerous thing of all. Falling in love with the key to his destruction is a terrifying thought. And yet—he may be hopeless to resist. A full length, fae fantasy romance, the first in the Bright Wicked series. A fast-paced tale of forbidden love, sworn enemies, and wicked beauty. When Amethyst Faye was six-years-old, she was almost stolen by a monster in the woods on the same night her mother mysteriously disappeared. Ten years, a half dozen psychiatrists, and a slew of diagnoses haven't made things any better; she is still plagued by nightmares, ridiculed at school, and misunderstood by everyone from her teachers to her counselor to her father. And lately she's been sprouting thick green thorns out of her skin. When the paranoia doesn't end, and the treatment options run out, she's faced with a choice between inpatient treatment or spending the summer with a grandmother she hasn't heard from in a decade. Summer at Gran's in Morgan Springs wins out, just barely, and only because a backwater town sounds marginally more interesting than a mental institution. Amethyst draws the attention of Ben, the boy of her dreams, and Absynth,

the creature from her nightmares. Although neither of them is what she expected, Amethyst realizes both Ben and Absynth are exactly what she needs to heal her heart and harness the fairy magic she's inherited. Unfortunately for Amethyst, trying to walk both paths could get her killed, but having to choose between them is far worse.

GARDEN OF THORNS AND LIGHT is an exiting new fantasy where sometimes, it's OK to be After ten years of exile among fairies who teach her to use her magically-enhanced strength and courage, Sleeping Beauty's daughter Aurora enlists the help of Niklaas, eleventh son of King Eldorio, in the fight to reclaim her throne. Originally published in hardcover in 2021 by Aladdin. For fans of *Sorcery of Thorns* and *Furyborn* comes a thrilling new fantasy about a kingdom ravaged by war, and the princess who might be the key to saving not only those closest to her, but the kingdom itself, if she reveals the very secret that could destroy her. The kingdom of Hálendi is in trouble. It's losing the war at its borders, and rumors of a new, deadlier threat on the horizon have surfaced. Princess Jennesara knows her skills on the battlefield would make her an asset and wants to help, but her father has other plans. As the second-born heir to the throne, Jenna lacks the firstborn's--her brother's--magical abilities, so the king promises her hand in marriage to the prince of neighboring Turia in exchange for resources Hálendi needs. Jenna must leave behind everything she has ever known if she is to give her people a chance at peace. Only, on the journey to reach her betrothed and new home, the royal caravan is ambushed, and Jenna realizes the rumors were wrong--the new threat is worse than anyone imagined. Now Jenna must decide if revealing a dangerous secret is worth the cost before it's too late--for her and for her entire kingdom.

A Whitney Award Nominee "A gorgeous fantasy that captivates from beginning to end, and a fierce heroine every reader will root for."--KATHRYN PURDIE, #1 New York Times bestselling author of *Burning Glass* and *Bone Crier's Moon*

"Beautiful writing, wondrous world building, and enchanting characters. This is YA fantasy at its most fun."--DANA SWIFT, author of *Cast in Firelight*

This magical adventure set in an enchanted castle surrounded by thorns tells a tale of the power of memory and story, forgiveness and strength, and the true gifts of craft and imagination. By the acclaimed author of *The Princess Curse* and *Handbook for Dragon Slayers*, this original fantasy is perfect for fans of Gail Carson Levine, Karen Cushman, and Shannon Hale. When blacksmith apprentice Sand wakes up in a ruined castle, he has no idea how he got there, but the thorny brambles that surround the walls prevent him from leaving. As he begins to fix up the castle in order to survive, everything he touches somehow works better than it should. Then, as he continues to explore, Sand discovers the castle's secrets, including its long lost heir, Perrotte. Together they must fully repair the broken castle if they ever want to leave. Secrets can't hide in daylight...Hudson, Valen, Sylvain, and Marcus revealed their secret to Briar Hale, and she astonished them. The four vampires hadn't expected her to handle their revelation so easily, but Briar is a scientist and recognizes there are all manner of creatures in the world--some benign, some predatory, and some, like the brothers' maker, pure evil. Caught in Asher's sights, Briar fights not only to stay alive, but to stay sane. Asher is in her head, whispering doubts and bringing to light her vampires' hidden pasts. He shows her everything--every bloody, terrible, heart-wrenching moment. But she is stronger than Asher and the horrors stalking her vampires. Briar loves them, and she won't give them up, nor will she let them give up on each other. With war on the horizon, Briar, Hudson, Valen, Sylvain, and Marcus will have to fight Asher and the secrets threatening to rise

up and destroy them.***Shadow of Thorns is the second book in the Midnight's Crown Trilogy.*** Q: HOW MANY ZOMBIES DOES IT TAKE TO RUIN A SOCIAL LIFE? A: NOT MANY. Megan Berry is a Zombie Settler by birth, which means she's part-time shrink to a whole bunch of semi-dead people with killer issues. All Megan really wants is to go to homecoming, but when you're trailed by a bunch of slobbering corpses whenever you leave the house, it's kinda hard to score a date. Let's just say Megan's love life could use some major resuscitation. Megan's convinced her life can't get any worse – until someone in school starts using black magic to turn average, angsty Undead into scary, hardcore flesh-eating Zombies. Now it's up to Megan to stop the Zombie apocalypse. Her life – and more importantly, the homecoming dance – depends on it. When a strange man dies literally on top of her, 16-year-old Emmy is thrust into a mystery much more horrifying than the one in the novel she's writing. The best place to hide is in a lie... I could never fit in to the life my parents demanded. By the time I was thirteen, it was too much. I ran away to New York City...and found a nightmare that lasted three years. A nightmare that began and ended with a pimp named Luis. Now I am Dirty Anna. Broken, like everything inside me has gone bad. Except that for the first time, I have a chance to start over. Not just with my parents but at school. Still, the rumors follow me everywhere. Down the hall. In classes. And the only hope I can see is in the wide, brightly lit smile of Jackson, the boy next door. So I lie to him. I lie to protect him from my past. I lie so that I don't have to be The Girl Who Went Bad. The only problem is that someone in my school knows about New York. Someone knows who I really am. And it's just a matter of time before the real Anna is exposed... From the New York Times bestselling author of *The Downstairs Girl*, Stacey Lee, an evocative novel about a teen aroma expert who uses her extrasensitive sense of smell to help others fall in love—while protecting her own heart at all costs. Perfect for fans of *When Dimple Met Rishi* and *I'll Be the One* and now in paperback. Sometimes love is right under your nose. As one of only two aromateurs left on the planet, sixteen-year-old Mimosa knows what her future holds: a lifetime of weeding, mixing love elixirs, and matchmaking—all while remaining incurably alone. For Mim, the rules are clear: falling in love would render her nose useless, taking away her one great talent. Still, Mimosa doesn't want to spend her life elbow-deep in soil and begonias. She dreams of a normal high school experience with friends, sports practices, debate club, and even a boyfriend. But when she accidentally gives an elixir to the wrong woman and has to rely on the lovesick woman's son, the school soccer star, to help fix the situation, Mim quickly begins to realize that falling in love isn't always a choice you can make. At once hopeful, funny, and romantic, Stacey Lee's *The Secret of a Heart Note* is a richly evocative coming-of-age story that gives a fresh perspective on falling in love and finding one's place in the world. Almost twenty years after the barrier between Earth and the Otherworld fell in the Fae Wars, Budapest is balancing on the precipice. A battle for dominance is brewing between the elite fae and the privileged humans in Eastern Europe. The prejudice between the sides is bubbling with hate and violence. Nineteen-year-old human, Brexley, has grown up in privilege, but not without heartbreak. After being orphaned, she is taken in by General Markos, living in a walled city rife with power grabs and ruthless political games. Then one night the course of her life changes, and Brexley is thrown into the most feared prison in the east. Halahaz, the House of Death—where you go in but don't come out. She must learn to live with the worst of fae and human criminals. The rule of hierarchy puts humans on the bottom, where the only way to

survive each day is to make alliances with the fae. Here she meets the sexy, vicious legend, Warwick Farkas. A myth among man and fae. He is as brutal, cruel, arrogant, and as lethal as the lore says he is, ruling the prison with unchallenged authority. Brexley can't deny an intense draw to him, one that might cost her life. If The Games don't take her out first-A fight to the death where only one survives. From New York Times best-selling author Lexi Ryan, *Cruel Prince* meets *A Court of Thorns and Roses* in this sexy, action-packed fantasy about a girl who is caught between two treacherous faerie courts and their dangerously seductive princes. Brie hates the Fae and refuses to have anything to do with them, even if that means starving on the street. But when her sister is sold to the sadistic king of the Unseelie court to pay a debt, she'll do whatever it takes to get her back—including making a deal with the king himself to steal three magical relics from the Seelie court. Gaining unfettered access to the Seelie court is easier said than done. Brie's only choice is to pose as a potential bride for Prince Ronan, and she soon finds herself falling for him. Unwilling to let her heart distract her, she accepts help from a band of Unseelie misfits with their own secret agenda. As Brie spends time with their mysterious leader, Finn, she struggles to resist his seductive charm. Caught between two dangerous courts, Brie must decide who to trust with her loyalty. And with her heart. Once upon a time, a girl dreamed of fairy tales, a world of magic, monsters, music. But like all fairy tales, this one didn't have a happily ever after. The dreams twisted into nightmares, haunting her steps, making the line between asleep and awake blur. So Ginevra shut it down, turned her back on it all. On them. Until the four beautiful fae who introduced her into the world returned. And this time, they weren't leaving without her. Don't miss out on this series. Scroll up and one-click today!**UPDATED version as of February 2021***IMPORTANT NOTE: This is a reverse harem novel where the leading lady doesn't have to choose between love interests. The series will have MM and FF content and is rated M due to language, violence, and steamy scenes. Not meant for anyone under the age of 18. "This sweet New Adult book is sure to leave you with a smile on your face." —USA Today bestselling author Cindi Madsen Katie Capwell is a bright and accomplished recent law school graduate, and she has her shiny future all mapped out. It's brimming with courtroom victories and creating change. Ryan Brincatt is a tattooed and impossibly cool martial artist, and he's mastered a fierce roundhouse kick. Their paths never should have crossed. But when Katie lurks outside the kickboxing gym where Ryan works as a trainer, she's immediately drawn to his casual confidence and playful green eyes. Without making her usual list of pros and cons, she impulsively signs up to train with him. She never imagined that one decision would change. Absolutely. Everything. After her mother's suicide, Isabel yearns to find herself and to decipher the mystery of her mother's death. What if Beauty became the Beast? Discover a new angle on the classic fairytale in this fantasy retelling that's perfect for anyone who can't get enough of Beauty and the Beast. In the city of Yuan, the blind Princess Isra is raised to be a human sacrifice. Her death will ensure her city's vitality. In the desert, a mutant beast named Gem fights to save his people, known as the Monstrous, from starvation. Neither dreams that, together, they can return balance to their worlds. When Gem is captured for trying to steal Yuan's enchanted roses, he becomes a prisoner of the city. Isra enlists his help, and soon begins to care for him—and to question everything she has been brought up to believe. . . . "Engrossing tale . . . [an] intense love story." —Kirkus Reviews "The bones of the classic Beauty and the Beast story are all here, imaginatively fleshed out with tropes

from science fiction, fantasy, and even political drama.” —The Bulletin, Recommended “Jay’s characters are well-realized . . . [the] setup is intriguing and her writing assured.” —Publishers Weekly “Revelations and plot twists keep the action flowing and romance growing. . . . A satisfying read for fans of romantic fantasy.” —School Library Journal

Home to eighty thousand people, Accra’s Old Fadama neighbourhood is the largest illegal slum in Ghana. Though almost all its inhabitants are Ghanaian born, their status as illegal ‘squatters’ means that they live a precarious existence, marginalised within Ghanaian society and denied many of the rights to which they are entitled as citizens. The case of Old Fadama is far from unique. Across Africa, over half the population now lives in cities, and a lack of affordable housing means that growing numbers live in similar illegal slum communities, often in appalling conditions. Drawing on rich, ethnographic fieldwork, the book takes as its point of departure the narratives that emerge from the everyday lives and struggles of these people, using the perspective offered by Old Fadama as a means of identifying wider trends and dynamics across African slums. Central to Stacey’s argument is the idea that such slums possess their own structures of governance, grounded in processes of negotiation between slum residents and external actors. In the process, Stacey transforms our understanding not only of slums, but of governance itself, moving us beyond prevailing state-centric approaches to consider how even a society’s most marginal members can play a key role in shaping and contesting state power. "On the eve of the San Francisco Earthquake of 1906, Mercy Wong--daughter of Chinese immigrants--is struggling to hold her own among the spoiled heiresses at prestigious St. Clare's School. When tragedy strikes, everyone must band together to survive"-- #1 NEW YORK TIMES BESTSELLER • A gripping, complexly plotted thriller set within the halls of the U.S. Supreme Court, where a young law clerk finds herself embroiled in a shocking mystery crafted by one of the most preeminent judges in America—from celebrated national leader and bestselling author Stacey Abrams. "Abrams follows in Dan Brown's footprint with this masterfully plotted thriller that unfolds like the ultimate chess match—bold move to bolder move with lives hanging in the balance."—Lisa Gardner, author of *Before She Disappeared* "A first-class legal thriller, favorably compared to many of the best, starting with *The Pelican Brief*, which it brings to mind. It's fast-paced and full of surprises—a terrific read."—Scott Turow, author of *Presumed Innocent* Avery Keene, a brilliant young law clerk for the legendary Justice Howard Wynn, is doing her best to hold her life together--excelling in an arduous job with the court while also dealing with a troubled family. When the shocking news breaks that Justice Wynn--the cantankerous swing vote on many current high-profile cases--has slipped into a coma, Avery's life turns upside down. She is immediately notified that Justice Wynn has left instructions for her to serve as his legal guardian and power of attorney. Plunged into an explosive role she never anticipated, Avery finds that Justice Wynn had been secretly researching one of the most controversial cases before the court--a proposed merger between an American biotech company and an Indian genetics firm, which promises to unleash breathtaking results in the medical field. She also discovers that Wynn suspected a dangerously related conspiracy that infiltrates the highest power corridors of Washington. As political wrangling ensues in Washington to potentially replace the ailing judge whose life and survival Avery controls, she begins to unravel a carefully constructed, chesslike sequence of clues left behind by Wynn. She comes to see that Wynn had a much more personal stake in the controversial case and realizes his

complex puzzle will lead her directly into harm's way in order to find the truth. While *Justice Sleeps* is a cunningly crafted, sophisticated novel, layered with myriad twists and a vibrant cast of characters. Drawing on her astute inside knowledge of the court and political landscape, Stacey Abrams shows herself to be not only a force for good in politics and voter fairness but also a major new talent in suspense fiction. A New York Times bestseller and National Book Award longlist selection The first book in a new trilogy from acclaimed New York Times–bestselling author Rae Carson. A young woman with the magical ability to sense the presence of gold must flee her home, taking her on a sweeping and dangerous journey across Gold Rush–era America. Walk on Earth a Stranger begins an epic saga from one of the finest writers of young adult literature. Lee Westfall has a secret. She can sense the presence of gold in the world around her. Veins deep beneath the earth, pebbles in the river, nuggets dug up from the forest floor. The buzz of gold means warmth and life and home—until everything is ripped away by a man who wants to control her. Left with nothing, Lee disguises herself as a boy and takes to the trail across the country. Gold was discovered in California, and where else could such a magical girl find herself, find safety? Rae Carson, author of the acclaimed *Girl of Fire and Thorns* series, dazzles with the first book in the *Gold Seer Trilogy*, introducing a strong heroine, a perilous road, a fantastical twist, and a slow-burning romance, as only she can. Three years have passed in Earth's realm when Ember and her friends finally return from the Otherworld. Eli feels her the moment she steps back, and the beast is far from delighted. Believing for the last three years she was dead, he has become violent and cruel in her absence. Eli's anger isn't the only thing she should fear. Ember is at the top of the Unseelie King's list after breaking her oath with him. No one breaks a vow with King Lars without severe consequences. And Ember will pay. As tension for war mounts between the Seelie and Unseelie, the pressure to find the only weapon which can kill the Seelie Queen, the *Sword of Light*, takes them to the high cliffs of Greece... Where betrayal follows her. But is Ember the answer to the location of the sword? Is she the one to fulfill the prophecy? As usual nothing is ever what it seems. Some myths should just stay buried. *Brexley's* journey has led her to the most coveted object in the world. In discovering the *Nectar*, *Brexley* finds other secrets and truths she was not ready for, ones that destroy everything she has ever known, confronting a power within herself she is not ready to face. Magic is a balance. Things come at a cost. In saving lives, *Brexley* destroys her own power, cutting the connection with the infamous legend. When faced with devastating loss and destruction, the fabric of friendship, trust, and love are put to the test. Trying to forget her grief, *Brexley* delves deeper into stopping *Istvan*, uncovering the depths he will go to gain power. She is thrown deep into the underbelly of greed and deceit, leading her back into the depths of hell. Where only one survives.. Only the most ruthless fae can win. And I have nothing to lose. I am *Caelynn* of the *Shadow Court*, a countess banished to the human realm for killing a fae prince a decade ago. But when I get the chance to fight for a full pardon--I'll face every regret and lost hope to earn it. Including *Rev*. For the first time in years I am allowed the chance to enter the world of wild magic to compete in this ruthless completion. But the hardest part of the trials won't be the shadow-wyverns or mind twisting mazes. It'll be facing those I've betrayed. Especially *Rev*--the sexy *Luminescent Court* prince who hates me. Only one of us can win, and *Rev* will do everything in his power to make sure I don't make it out of the trials alive. Because ten years ago, I killed his brother. And *Reveln* never forgets. From New York

Times bestselling author of *Lead From The Outside* and political leader Stacey Abrams, a blueprint to end voter suppression, empower our citizens, and take back our country. "With each page, she inspires and empowers us to create systems that reflect a world in which all voices are heard and all people believe and feel that they matter." —Kerry Washington

A recognized expert on fair voting and civic engagement, Abrams chronicles a chilling account of how the right to vote and the principle of democracy have been and continue to be under attack. Abrams would have been the first African American woman governor, but experienced these effects firsthand, despite running the most innovative race in modern politics as the Democratic nominee in Georgia. Abrams didn't win, but she has not conceded. The book compellingly argues for the importance of robust voter protections, an elevation of identity politics, engagement in the census, and a return to moral international leadership. *Our Time Is Now* draws on extensive research from national organizations and renowned scholars, as well as anecdotes from her life and others' who have fought throughout our country's history for the power to be heard. The stakes could not be higher. Here are concrete solutions and inspiration to stand up for who we are now. "This is a narrative that describes the urgency that compels me and millions more to push for a different American story than the one being told today. It's a story that is one part danger, one part action, and all true. It's a story about how and why we fight for our democracy and win." - Stacey Abrams

To the charity workers, Dadaab refugee camp is a humanitarian crisis; to the Kenyan government, it is a 'nursery for terrorists'; to the western media, it is a dangerous no-go area; but to its half a million residents, it is their last resort. Situated hundreds of miles from any other settlement, deep within the inhospitable desert of northern Kenya where only thorn bushes grow, Dadaab is a city like no other. Its buildings are made from mud, sticks or plastic, its entire economy is grey, and its citizens survive on rations and luck. Over the course of four years, Ben Rawlence became a first-hand witness to a strange and desperate limbo-land, getting to know many of those who have come there seeking sanctuary. Among them are Guled, a former child soldier who lives for football; Nisho, who scrapes an existence by pushing a wheelbarrow and dreaming of riches; Tawane, the indomitable youth leader; and schoolgirl Kheyro, whose future hangs upon her education. In *City of Thorns*, Rawlence interweaves the stories of nine individuals to show what life is like in the camp and to sketch the wider political forces that keep the refugees trapped there. Lucid, vivid and illuminating, here is an urgent human story with deep international repercussions, brought to life through the people who call Dadaab home. Brexley has endured starvation and survived torture and even Warwick Farkas, the brutal legend who still haunts her like a ghost, spilling into her thoughts and life. His betrayal made her a prisoner of Killian, the gorgeous Fae Lord of Budapest. There her life takes another unforeseen twist, something that will change the fragile alliance between the humans and the fae, and Brexley finds herself in the middle. As weeks go by, Brexley also discovers Killian isn't the malicious leader she was told about. As they spend more time together, their relationship begins to shift. However, when an old acquaintance turns up, she is given the chance to escape the sexy fae leader, and her entire world explodes. Brexley is thrown into a nefarious web of politics, desire, betrayal, lies, and truths that will shatter her foundation and who she is, what she believes, and who can be trusted. No longer is there a clear line between good and bad. Hunted by both sides, Brexley is on the run and must untangle all the lies, deceit, and deceptions, before she becomes another victim in the wild lands. Enchanted forests. Deadly

bargains. Welcome to the magic of Faerie. Realms of Fae and Shadow is a breathtaking fantasy anthology featuring eight exclusive tales. Discover magic, romance, and betrayal as you lose yourself in the faerie world... Can a human girl rescue a cursed fae prince before she's shackled to a dull mortal life? When the heir to the Unseelie Court is confronted with an unsettling fate, does he embrace the dark magic of the crown or turn his back on duty forever?
