New York Times, USA Today, Wall Street Journal and international bestselling phenomenon David Weber delivers the first entry in an original young adult science fiction adventure series, the Star Kingdom saga! Young teen Stephanie Harrington forms a telepathic bond with an intelligent alien treecat on a pioneer planet—and must fight for the freedom of her new friend and his species against highly-placed enemies determined to claim the world for humans only. Stephanie Harrington always expected to be a forest ranger on her homeworld of Meyerdaahl . . . until her parents relocated to the frontier planet of Sphinx in the far distant Star Kingdom of Manticore. It should have been the perfect new home --- a virgin wilderness full of new species of every sort, just waiting to be discovered. But Sphinx is a far more dangerous place than ultra-civilized Meyerdaahl, and Stephanie's explorations come to a sudden halt when her parents lay

down the law: no trips into the bush without adult supervision! Yet Stephanie is a young woman determined to make discoveries, and the biggest one of all awaits her: an intelligent alien species. The forest-dwelling treecats are small, cute, smart, and have a pronounced taste for celery. And they are also very, very deadly when they or their friends are threatened . . . as Stephanie discovers when she comes face-to-face with Sphinx's most lethal predator after a hang-gliding accident. But her discoveries are only beginning, for the treecats are also telepathic and able to bond with certain humans, and Stephanie's find --- and her first-of-its kind bond with the treecat Climbs Quickly --- land both of them in a fresh torrent of danger. Galactic-sized wealth is at stake, and Stephanie and the treecats are squarely in the path of highly placed enemies determined to make sure the planet Sphinx remains entirely in human hands, even if that means the extermination of another thinking species. Unfortunately for those enemies, the treecats have saved Stephanie Harrington's life. She owes them . . . and Stephanie is a young woman who stands by her friends. Which means things are about to get very interesting on Sphinx. About A Beautiful Friendship: "It's rare to find teen science fiction that strays beyond popular dystopian fare. Despite not being an active participant in the English Civil War, seventeenth-century political thinker James Harrington exercised an important influence on the ideas and politics of that crucial period of history. In The Commonwealth of Oceana he sought to explain why civil war had broken out in 1642, to put the case for commonwealth government, and to offer a detailed constitutional blueprint for a new and successful English government. In this intellectual biography of Harrington, Rachel Hammersley sets a fresh analysis of this and Harrington's other writings against the background of his life and the turbulent period in which he lived. In doing so, this study seeks to move beyond the conventional view of Harrington as primarily a republican thinker, offering a broader and more comprehensive account of him which addresses the complexity of his republicanism as well as exploring his contributions to economic, historical, religious, philosophical, and scientific debates; his experimentation with vocabulary and literary form; and the relationship between his life and thought. Harrington is presented as an innovative political thinker,

committed to democracy, social mobility, and meritocracy. Ultimately, this broader examination of Harrington's life and work opens a window on political, economic, religious, and scientific issues which serve to complicate understandings of the English Revolution, and sheds fresh light on the relevance of seventeenth-century ideas to the modern world. Robert Jordan (1612-1676) lived in New Hampshire and was married to Sarah Winter. Descendants and relatives lived in New Hampshire, Massachusetts, Connecticut, Indiana, Wisconsin, Nebraska, Iowa, California and elsewhere in the United States and in New Brunswick, Ontario and elsewhere in Canada. TOP TEN NEW YORK TIMES BESTSELLER! Book #19 in the best-selling Honor Harrington series from New York Times, USA Today, Wall Street Journal and international best-selling phenomenon David Weber. Uncompromising Courage. Uncompromising Vengeance. Uncompromising Honor. The Solarian League—for hundreds of years they have borne the banner of human civilization. But the bureaucratic Mandarins who rule today's League are corrupt and looking for scapegoats. They've decided the upstart Star Kingdom of Manticore must be annihilated. Honor Harrington has worn the Star Kingdom's uniform for half a century. So far, hers has been a voice of caution. But now the Mandarins have committed atrocities such as the galaxy has not known in a thousand years. They have finally killed too many of the people Honor Harrington loves. Now Honor Harrington is coming for the Solarian League. And Hell is riding in her wake. About Uncompromising Honor: "...a balanced mix of interstellar intrigue, counterespionage, and epic fleet action...with all the hard- and software details and tactical proficiency that Weber delivers like no one else; along with a large cast of well-developed, believable characters, giving each clash of fleets emotional weight."—Booklist "... moves. . . as inexorably as the Star Kingdom's Grand Fleet, commanded by series protagonist Honor Harrington. . . . KNOW THY ENEMY For Captain Honor Harrington, it's sometimes hard to know who the enemy really is. Despite political foes, professional jealousies, and the scandal which drove her into exile, she's been offered a chance to reclaim her career as an officer of the Royal Manticoran Navy. But there's a catch. She must assume command of a "squadron" of jury-rigged armed merchantmen with crew drawn from the dregs of her service and somehow stop the pirates who have taken advantage of the Havenite War to plunder the Star Kingdom's commerce. That would be hard enough, but some of the "pirates" aren't exactly what they seem . . . and neither are some of her "friends," For Honor has been carefully chosen for her mission<sup>3/4</sup>by two implacable and powerful enemies. The way they see it, either she stops the raiders or the raiders kill her . . . and either way, they win. At the publisher's request, this title is sold without DRM (Digital Rights Management). Struggling to deal with her lover's murder and a forced retirement, Captain Honor Harrington assumes the role of Steadholder on the planet Grayson, but a threatening uprising calls her back into duty as head of the Grayson Navy. Now with new content! RIGHT WOMAN, WRONG PLACE It's hard to give peace a chance when the other side regards war as the necessary prelude to conquest, and a sneak attack as the best means to that end. That's why the Kingdom of Manticores needs allies against the so-called "Republic" of Haven--and the planet Grayson is just the right strategic place to make a very good ally indeed. But Her Majesty's Foreign Office had overlooked a "minor cultural difference" when they chose Honor Harrington to carry the flag: women on the

planet Grayson are without rank or rights; Honor's very presence is an intolerable affront to every male on the planet. At first Honor doesn't take it personally; where she comes from gender discrimination is barely a historical memory, right up there in significance to fear of the left-handed. But in time such treatment as she receives from the Graysonites does become wearing, and Honor would withdraw if she could--but then Grayson's fratricidal sister planet attacks without warning and she must stay and prevail, not just for Honor's honor, but for her sovereign's, for--THE HONOR OF THE QUEEN. At the publisher's request, this title is sold without DRM (Digital Rights Management). On cover and title page: House, committees of the whole House, general committees and select committees # 3 New York Times bestseller in hardcover. David Weber New York Times, USA Today, Wall Street Journal and international bestselling phenomenon delivers book #13 in the multiple New York Times best-selling Honor Harrington series. Honor Harrington faces down a powerful attack by a corrupt and powerful star empire while rooting out a deadly plot to enslave the entire human-inhabited galaxy. Peril and strife strike on a double front for Honor Harrington and company. After a brutal attack on the Manticoran home system, Honor Harrington and the Star Kingdom she serves battle back against a new, technologically powerful, and utterly nefarious enemy. And as if that weren't task enough, Honor must also face down a centuries-old nemesis in the crumbling, but still mighty, Solarian League. The war between the People's Republic of Haven and the Star Kingdom is finally won and peace established, but grave danger looms--for there is a plan well on its way to completion designed to enslave the entire human species. Behind that plan lies the shadowy organization known as the Mesan Alignment. Task number one for Honor is to defend against another devastating Mesan strike--a strike that may well spell the doom of the Star Kingdom in one fell blow. It is time to shut down and secure the wormhole network that is the source of the Star Kingdom's wealth and power--but also its greatest vulnerability. Yet this is an act that the ancient and corrupt Earth-based Solarian League inevitably will take as a declaration of war. The thunder of battle rolls as the Solarian League directs its massive power against the Star Kingdom. And once again, Honor Harrington is thrust into a desperate battle that she must win if she is to survive to take the fight to the real enemy of galactic freedom--the insidious puppetmasters of war who lurk behind the Mesan Alignment!
