Winter (divinity, U. of Cambridge) is not concerned about where Paul went from there, but about what happened in Corinth after he was gone. He gathers all the extant material he can find from literary, nonliterary, and archaeological sources on what life was like in the first-century Roman colony, focusing particularly the important role culture played in the life of the Christians. c. Book News Inc. Tells a series of dreams by Parasians during the winter of 1881. The moving wartime story of friendship and heroism, set against the dramatic backdrop of the

World War II Battle of Dunkirk In the marshes of Essex, one of the last wild places left in England, a disfigured artist lives alone in an abandoned lighthouse. Shunned by society, he spends his days painting scenes of the coast and the birds that migrate to the meadowlands every winter. His days are solitary until one November afternoon, a young girl from a nearby village comes to his door carrying a wounded snow goose in her arms. The unlikely pair develop a friendship that deepens over the ensuing years, waiting together for the arrival of the birds every autumn. In 1940, with

England at war, the birds depart early from the shores. The man, too, is called away by his duty as an Englishman to help evacuate the soldiers stranded on the beaches of Dunkirk. A moving tale of love, war, bravery, and sacrifice. A study of Philo and Paul and the first-century sophistic movement. When Winnie and Wilbur tire of winter they create a magical summer in their garden. But they are not alone in wanting to enjoy the sunshine! This is a true story of exodus, the inevitable journey of the last of the First People, as they leave the Great Sand Face and head for the

modern world and cultural oblivion. Paul John Myburgh spent seven years with the 'People of the Great Sand Face', a group of /Gwikwe Bushmen in the Kalahari Desert. They were years of physical and spiritual immersion into a way of life of which only an echo remains in living memory. But all does not end there. In *The Bushman Winter Has Come*, the author imagines a continuing journey towards a place where we may, once again, know who we are in the context of our life on this earth ... towards a time when we may answer the /Gwikwe's morning greeting, Tsamkwa/tge? (Are

your eyes nicely open?) with a confident Yes. Hedgehog, who hibernates through the winter, wants to know what winter feels like, so he asks his friend Rabbit to save him a little bit of winter to share in the spring. 'You think it will never happen to you, that it cannot happen to you, that you are the only person world to whom none of these things will ever happen, and then, one by one, they all begin to happen to you, in the same way they happen to everyone else.' In *Winter Journal*, Paul Auster moves through the events of his life in a series of memories grasped from the point of view of his

life now: playing baseball as a teenager; participating in the anti-Vietnam demonstrations at Columbia University; seeking out prostitutes in Paris, almost killing his second wife and child in a car accident; falling in and out of love with his first wife; the 'scalding, epiphanic moment of clarity' in 1978 that set him on a new course as a writer. *Winter Journal* is a poignant memoir of ageing and memory, written with all the characteristic subtlety, imagination and insight that readers of Paul Auster have come to cherish. 'An examination of the emotions of a man growing old . . . this

book has much to recommend it, and Auster is unsparingly honest about himself.'
