Jane, the Fox and Me Nov 15 2019 An emotionally truthful and visually stunning graphic novel about solace and redemption. "A superb, masterful piece of work."

Financial Times "A graphic novel so well drawn and beautifully told I'm certain it will speak to adults too" Observer Helene is not free to hide from the taunts of her former friends in the corridors at school. She can't be invisible in the playground or in the stairways leading to art class. Insults are even scribbled on the walls of the toilet cubicles. Helene smells, Helene's fat, Helene has no friends ... now. When Helene's heart hammers in her chest as Genevieve snickers at the back of the bus, inventing nasty things to say about her, Helene dives into the pages of her book Jane Eyre by Charlotte Bronte. And, in the solace she finds there,

Helene's own world becomes a little brighter. But how will the story end? Is there any hope for the wise, strange, plain Jane Eyre? How could Mr Rochester ever love her? On nature camp, arranged by the school as a treat, Helene finds herself in the tent of other outcasts. Again, her inner and outer worlds become entangled as she reads on - this time putting herself into Jane Eyre's shoes. It would be impossible for Mr Rochester to marry a sausage in a swimsuit, even if he loved her. Wouldn't it? But, while deeply lost in self-doubt, Helene's world is unexpectedly shaken up by a fresh new friendship. Geraldine snorts with laughter at her jokes!

They love being together!
Helene begins to worry less
about what the cruel girls think
- and more about how happy
she can be (and make others)...
Perhaps Jane Eyre's story will
end well after all, too.

Murder List Nov 20 2022 There are few authors who can weave nail-biting thrills, edge-of-your-seat drama, and romantic suspense as masterfully as Julie Garwood. Now she ratchets up the tension with Murder List, in which evil is on the hunt- and proves to be methodically organized and chillingly successful. When Chicago detective Alec Buchanan is offered a prime position with the FBI, it is the perfect opportunity to leave the Windy City and follow in his brothers’ footsteps to the top echelons of law enforcement. But first he must complete one last assignment (and one that he is not too happy about): acting as

a glorified bodyguard to hotel heiress Regan Hamilton Madison. The gorgeous exec has become entangled in some potentially deadly business. Someone has e-mailed her a graphic crime-scene photo-and the victim is no stranger. Regan suspects that the trouble started when she agreed to help a journalist friend expose a shady self-help guru who preys on lonely, vulnerable women. In fact, the smooth-as-an-oil-slick Dr. Lawrence Shields may be responsible for the death of one of his devotees, which was ruled a suicide. Hoping to find some damning evidence, Regan attends a Shields seminar. At the gathering, the doctor

persuades his guests to partake in an innocent little “cleansing” exercise. He asks them to make a list of the people who have hurt or deceived them over the years, posing the question: Would your world be a better place if these people ceased to exist? Treating the exercise as a game, Regan plays along. After ten minutes, Shields instructs the participants to bring their sheets of paper to the fireplace and throw them into the flames. But Regan misses this part of the program when she exits the room to take a call—and barely escapes a menacing individual in the parking lot. The experience is all but forgotten—until the first person on Regan’s list turns up

dead. Shock turns to horror when other bodies from the list start to surface, as a harrowing tango of desire and death is set into motion. Now brutal murders seem to stalk her every move—and a growing attraction to Alec may compromise her safety, while stirring up tender emotions she thought she could no longer feel. Yet as the danger intensifies and a serial killer circles ever closer, Regan must discover who has turned her private revenge fantasies into grisly reality. Kill And Tell May 22 2020 Still reeling from her mother's recent death, Karen Whitlaw is stunned when she receives a package containing a

mysterious notebook from the father she has barely seen since his return from Vietnam over twenty years ago. Karen packs the notebook away, putting it - and her father- out of her mind, until she receives a shocking phone call. Her father has been murdered. Homicide detective Marc Chastain considers the murder nothing more than street violence, and Karen accepts his judgment - at first. But she changes her mind when she's burgled and 'accidents' begin to happen. Desperate for answers, Karen knows she needs to find that notebook again... illustrated collection that celebrates inspirational badass women throughout history, based on the popular Tumblr blog. Well-behaved women seldom make history. Murder List Aug 05 2021 There

are few authors who can weave nail-biting thrills, edge-of-your-seat drama, and romantic suspense as masterfully as Julie Garwood. Now she ratchets up the tension with *Murder List*, in which evil is on the hunt- and proves to be methodically organized and chillingly successful. When Chicago detective Alec Buchanan is offered a prime position with the FBI, it is the perfect opportunity to leave the Windy City and follow in his brothers' footsteps to the top echelons of law enforcement. But first he must complete one last assignment (and one that he is not too happy about): acting as a glorified bodyguard to hotel heiress Regan Hamilton

Madison. The gorgeous exec has become entangled in some potentially deadly business. Someone has e-mailed her a graphic crime-scene photo—and the victim is no stranger. Regan suspects that the trouble started when she agreed to help a journalist friend expose a shady self-help guru who preys on lonely, vulnerable women. In fact, the smooth-as-an-oil-slick Dr. Lawrence Shields may be responsible for the death of one of his devotees, which was ruled a suicide. Hoping to find some damning evidence, Regan attends a Shields seminar. At the gathering, the doctor persuades his guests to partake in an innocent little “cleansing”

exercise. He asks them to make a list of the people who have hurt or deceived them over the years, posing the question: Would your world be a better place if these people ceased to exist? Treating the exercise as a game, Regan plays along. After ten minutes, Shields instructs the participants to bring their sheets of paper to the fireplace and throw them into the flames. But Regan misses this part of the program when she exits the room to take a call—and barely escapes a menacing individual in the parking lot. The experience is all but forgotten—until the first person on Regan’s list turns up dead. Shock turns to horror when other bodies from the list

start to surface, as a harrowing tango of desire and death is set into motion. Now brutal murders seem to stalk her every move—and a growing attraction to Alec may compromise her safety, while stirring up tender emotions she thought she could no longer feel. Yet as the danger intensifies and a serial killer circles ever closer, Regan must discover who has turned her private revenge fantasies into grisly reality.
