Two street kids get tangled in a plot over their heads - and risk an unexpected connection - in this heart-pounding thriller by Tim Wynne-Jones. (Age 14 and up) Boy, did Blink get off on the wrong floor. All he wanted was to steal some breakfast for his empty belly, but instead he stumbled upon a fake kidnapping and a cell phone dropped by an "abducted" CEO, giving Blink a link to his perfect blonde daughter. Now Blink is on the run, but it's OK as long as he's smart enough to stay in the game and keep Captain Panic locked in his hold. Enter a girl named Caution. As in "Caution: Toxic." As in "Caution: Watch Your Step." She's also on the run, from a skeezy drug-dealer boyfriend and from a nightmare in her past that won't let her go. When she spies Blink at the train station, Caution can see he's an easy mark. But there's something about this naïve, skinny street punk, whom she only wanted to rob, that tugs at her heart, a heart she thought deserved not to feel. Charged with suspense and intrigue, this taut novel trails two deeply compelling characters as they forge a blackmail scheme that is foolhardy at best, disastrous at worst - along with a fated, tender partnership that will offer them each a rare chance for redemption. Named One of the 16 Best Young Adult Books of 2016 (So Far) by Paste Magazine! Trixie Watson has two very important goals for senior year: to finally save enough to buy the set of Doctor Who figurines at the local comic books store, and to place third in her class and knock Ben West--and his horrendous new mustache that he spent all summer growing—down to number four. Trixie will do anything to get her name ranked over Ben's, including give up sleep and comic books—well, maybe not comic books—but definitely sleep. After all, the war of Watson v. West is as vicious as the Doctor v. Daleks and Browncoats v. Alliance combined, and it goes all the way back to the infamous monkey bars incident in the first grade. Over a decade later, it's time to declare a champion once and for all. The war is Trixie's for the winning, until her best friend starts dating Ben's best friend and the two are unceremoniously dumped together and told to play nice. Finding common ground is odious and tooth-pulling-painful, but Trixie and Ben's cautious truce slowly transforms into a fandom-based tentative friendship. When Trixie's best friend gets expelled for cheating and Trixie cries foul play, however, they have to choose who to believe and which side they're on—and they might not pick the same side. Stephanie Perkins meets 10 Things I hate About You in The Only Thing Worse than Me Is You, a fresh, romantic debut from author Lily Anderson inspired by Much Ado About Nothing. This book examines John Chrysostom's role as preacher and his pastoral activities as deacon, presbyter and bishop. It also provides fresh and lively translations of a key selection of sermons and letters. THE PERFECT GIFT FOR GAMERS The first in a series of original graphic novels, starring Ninja (Tyler Blevins) - the most influential public figure in gaming today - as he embarks on exciting gaming adventures, with the fate of the world at stake. Tyler Blevins (aka "Ninja") - the undisputed champion of the world's most popular online battle royale - enjoys a captivated audience of millions as he does what he loves: decimating the competition. At the end of one fateful stream, however, Ninja receives a strange email with a link to an impossibly realistic, challenging, and addictive game that simultaneously explodes in popularity. As the best player in the world, Ninja's unable to resist a challenge and soon discovers that there's more to this game than meets the eye. Teleported into the battle royale's universe, a digitized Ninja must start from scratch, finding a way to win the game--and save the world. Along the way, he meets valuable friends and ultimately fulfills a destiny larger than he ever could have imagined. Set in a fictional world created by notable comics writer Justin Jordan and comics artist Felipe Magaña, this is the first in a graphic novel series that offers a new way for Ninja fans of all ages to experience the gaming streamer's unmatched wits and skill. THE STORY: Billed as a whirlwind tour of the gay American landscape, this one-man show juxtaposes ten predominantly gay characters in fourteen vignettes. The characters question, contradict and especially challenge one another's credo of what be Upset that his grandchildren think that his life is dull, Grandpa tells them a story that is anything but dull not that keen on the idea, but things are looking up So, you ?re interested in this book, are you? Awesome! Read on: What do pink chocolate syrup caps, tuna casserole, and a brand-name soap have in common? More than you might think! Especially if you take the time to curl up with this amazing book! A raw and honest account of a husband and wife ?s experience with breast cancer, Our Breast Cancer Journey / How to Kick Cancer ?s Ass follows Michelle and Corey Joyce as they recount their fight against the dreaded "Cansah." Buy it today! ©2011 Hypochondriac, neurotic and a habitual worrier, Ariel Leve has always looked on the blighted side of life. She counts it a good day if she manages to get out of bed. If someone should ask: what's the worst that can happen? she has a ready-made list and lives in permanent fear of what's to come. But at least, as a pessimist, she's fully prepared for any eventuality: people who see the glass half full are only a spill away from disappointment. Whether you've been dumped by the love of your life, lost your job, said the wrong thing at a party, or forgotten to have children, Ariel is there to remind you that it could be worse ... you could be her. Eva Smith has been murdered trapped between two worlds and unable to move on .Eva meets Thomas a handsome playboy who can hear her. Together the two of them set about to find her killer . Eva and Thomas begin to fall in love with each other . The murders continue and Eva realises she has to solve the murders and move on.A tale of love after death . A story to break your heart – if you read only one book this year, make it The Fortunate Ones. Germany, 1941. When Inge – all blonde curls and good manners – first locks eyes with Felix, she knows instinctively that he's off limits. Her staunchly proper parents will never approve of a working-class Jewish boy for their precious only daughter. But that doesn't make their first, shy kiss less significant, or the moment they're torn apart less shocking. The next time they see each other, it will be across the packed courtyard of a Nazi concentration camp – Felix in the prisoners' ranks and Inge on the arm of her new, Nazi husband. Inge never knew that her father's 'party loyalty' would extend to marrying her off to a cruel Nazi officer twice her age,

who sees his new wife as just another thing to control. She has always been a good girl – a silent wife – but when Inge sees Felix that day – beaten, bloody and brave – she knows she can't stay silent any longer. She must save him, whatever the cost, whatever her husband or even her country might do to her later... What readers are saying about *The Fortunate Ones*: ***** 'What an amazing read, well written emotional and very compelling... I was totally absorbed in the story and I would love to give it 10 stars. One of my best reads this year. I can't begin to say how much I loved this book, I couldn't put it down, absolutely brilliant.' Goodreads reviewer ***** 'Heartbreaking... I cried many, many times... This story showed just how important hope can be.... The historical detail Hokin poured into this book through her research was simply phenomenal. *The Fortunate Ones* is a must-read.' Goodreads reviews ***** 'This was a wonderful story about romance, life, and survival. I could not put it down... heartbreaking.' Crossroad Reviews ***** 'This story just swept me away... I was left speechless... just wow!!... I do recommend a box of tissues... This book will have you turning the pages.' Red Headed Book Lady blog ***** 'I stayed up all hours to finish this book. There were moments I could barely breathe. A fantastic and compelling read if you like suspense, WWII, and stories that aren't always tied neatly with a bow.' Goodreads reviewer ***** 'What an extraordinary, engaging story. It moved me to undiscovered heights of understanding and compassion. A novel that will stay in my mind forever.' Goodreads reviewer ***** 'Contained within a richly detailed narrative was a story that spoke of prevalence of the human spirit, both resilient and beatific, bowed but never broken by the unfathomable horrors of war. Captivating. Sobering. Unflinching. 5+ stars.' Goodreads reviewer 'The writing is deeply moving, so much detail is cleverly woven throughout to make this a vivid and entrancing read. Strong characters make this such a gripping read.' NetGalley reviewer 'From the first to the very last page this story was a sheer joy to read. One of hope, despair, love and loss and history combined this book has it all. Thoroughly recommend.' Goodreads reviewer Drugs, murder, conspiracy, and a headstrong heiress complicate his covert security mission. Tru Creighton wants her wealthy and powerful family to take her seriously. Sneaking away to investigate bookkeeping discrepancies from one of their holdings seems the perfect opportunity to prove her worth. Stranded on a hostile planet with a price on her head, she seizes her one opportunity for survival. Nick Rayven, determined to build his reputation and fledgling security company, doesn't flinch at difficult and dangerous missions. A former soldier and refugee from a war-demolished planet, he battles to create order and stifle his painful memories. His hard-won accomplishments are threatened when a spoiled heiress in danger awakens emotions he thought long gone. Two people with plenty to prove risk everything to unravel their tangled missions. His sense of duty and vulnerable heart compel him to fight his growing attraction to her. Her heart demands she follow it straight into his arms. The people behind the conspiracy keeping them together and in harm's way have other ideas. **CONTENT WARNING: Language and Violence 72,478 Words** This unique and funny journal notebook makes the perfect present for those hard to buy for people. This 108 page 6x9 lined book is as practical as it is cute! The ideal size for journaling, a diary or even to do lists. Makes an excellent gift idea for birthdays, Christmas, coworkers or any special occasion. Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale. **THE SUNDAY TIMES-BESTSELLING BOOK BY ONE OF BRITAIN'S BEST-LOVED COMIC WRITERS** There are many aspects of modern life that trouble award-winning comedian David Mitchell, such as: Why is every film or TV programme a sequel or a remake? Why are people so f***ing hung up about swearing? Why do the asterisks in that sentence make it ok? Why do so many people want to stop other people doing things, and how can they be stopped from stopping them? Join Mitchell on a tour of the absurdities of our times - from Ryanair to Richard III, Downton Abbey to phone etiquette, UKIP to hotdogs made of cats. Funny, provocative and shot through with refreshing amounts of common sense, *Thinking About It Only Makes It Worse* celebrates and commiserates on the state of things in our not entirely glorious modern world. 'Mitchell is an exceptionally clever, eloquent and spot-on commentator . . . We should be grateful for him.' Daily Mail, Books of the Year We all go a little crazy sometimes... Jasmine has spent five years underground, locked in a secret government bunker. Outside, the world has gone to hell, a mysterious virus killing all but 1 in 20 of the world's population. It's enough to drive anyone mad - but Jasmine's crazier than most. The cure she was working on had an unexpected side effect, psychotic symptoms which only powerful drugs can suppress. Jasmine's rescuers, the pirate rulers of the New Caribbean, don't care. They need Jasmine's help to discover what it is that has turned the inhabitants of Cuba into rabid killers. Jasmine's quest to find a cure for this new plague, as well as for her own madness, draws her across the fractured continent of America and into the darkest recesses of her own past. "Unexcitable Gramps surprises everyone with a whopping tale of derring-do that proves there's life in the old boy yet. Stevenson's watercolors couldn't be better."--School Library Journal. Copyright © Libri GmbH. All rights reserved. A rhyming illustrated humor book for moms who feel they're not doing a good job (and that's all moms, right?). Packed with scientifically true examples of terrible parents in the animal kingdom, to remind and reassure any mother that there are way worse moms out there. Lavish parties. Committee chairmanships for sale. Pay-to-play corruption. Backroom arm-twisting. Votes on major legislation going to the highest bidder. Welcome to Washington, D.C., the swamp that President Donald Trump was elected to drain. Congressman Ken Buck is blowing the whistle on the real-life House of Cards in our nation's capital. Elected in 2014 as president of one of the largest Republican freshman classes ever to enter Congress, Buck immediately realized why nothing gets done in Congress, and it isn't because of political gridlock—in fact, Republicans and Democrats work together all too well to fleecce taxpayers and plunge America deeper into debt. "It is an insular process directed by power-hungry party elites who live like kings and govern like bullies," Buck reports. Buck has witnessed first-hand how the unwritten rules of Congress continually prioritize short-term political gain over lasting, principled leadership. When Buck tangled with Washington power brokers like former Speaker John Boehner, he faced

petty retaliation. When he insisted Republicans keep their word to voters, he was berated on the House floor by his own party leaders. When other members of Congress dared to do what they believed to be right for America instead of what the party bosses commanded, Buck saw them stripped of committee positions and even denied dining room privileges by the petty beltway bullies. In *Drain the Swamp*, Buck names names and tells incredible true stories about what really happened behind closed doors in Congress during legislative battles that have ensued over the last two years including budget, continuing resolutions, omnibus, trade promotion authority, Iran, and more. If the Trump administration is going to bring real change to Washington, it first needs to get the whole story—from deep inside the swamp. Being a kid is full of what ifs, but the biggest and worst question remains: Which is Worse? Finally, here's a hilarious book chock-full of creative, daring, gross, and terrible questions that reveal you and your friends' innermost thoughts on just what would be the worst thing ever! From gross meals (eat a spider or eat a cockroach?) to fantastically horrifying worst case scenarios (trapped in a box with a scorpion or chained to a wild tiger?), this is an awfully perfect solution to the usual boring this or that questions. Do you think you know which is worse? When drought and depression hit southwestern Kansas, thousands fled the region. But, surprisingly, more than three-quarters of the population stayed. Examining the social impact of economic hardship and environmental disaster, Pamela Riney-Kehrberg illustrates how both farm and town families survived by finding odd jobs, working in government programs, or depending on federal and private assistance. Those years of deprivation, she shows, dramatically affected standards of living, family relationships, city and county finances, land ownership, farm prices and production, population shifts, and politics - and indelibly altered the outlook and future plans of these Kansans. More important, her study provides a moving testament to the endurance and fortitude of these remarkable people.
