**Left Behind 25th Anniversary Edition** Feb 17 2020 Airline captain Rayford Steele goes in search of his family and answers to how billions of people just disappeared off the face of the Earth.

**Left Behind** Jul 16 2022 An airborne Boeing 747 is headed to London when, without any warning, passengers mysteriously disappear from their seats. Terror and chaos slowly spread not only through the plane but also worldwide as unusual events continue to unfold. For those who have been left behind, the apocalypse has just begun. A repackage of the New York Times best-selling novel Left Behind. Now a major motion picture starring Nicolas Cage!

**The Mark** Feb 23 2023 His Excellency Global Community Potentate Nicolae Carpathia is back, this time as Satan. Resurrected and indwelt by the devil himself, the beast tightens his grip as ruler of the world. Terror comes to believers in Greece as they are among the first to face a GC loyalty mark application site. The gloves are off, as the forces of good and evil begin a battle for the very souls of men and women around the globe. A repackage of the eighth book in the New York Times best-selling Left Behind series.

**Glorious Appearing** Jun 03 2021 Thousands of years of human history stained by strife, death, and sin come to an end when the King of Glory returns to earth. The satisfying conclusion of the seven years of tribulation covered by the Left Behind series portrays the return of Jesus Christ to earth in both glory and judgment at the height of the battle between the forces of evil gathered at Armageddon and the remaining Christian believers at Petra and Jerusalem. A repackage of the twelfth book in the New York Times best-selling Left Behind series.

**The Left Behind Collection** Jan 22 2023 All 12 books in the New York

Times bestselling series! Over 63 million copies sold! Are you ready for the moment of truth? Mass disappearances Political crisis Economic crisis Worldwide epidemics Environmental catastrophe Military apocalypse And that's just the beginning . . . of the end of the world. This is the most successful Christian-fiction series ever. Publishers Weekly Tim LaHaye and Jerry Jenkins . . . are doing for Christian fiction what John Grisham did for courtroom thrillers. Time Combines Tom Clancylike suspense with touches of romance, high-tech flash, and biblical references. New York Times Wildly popular and highly controversial. USA Today Call it what you like, the Left Behind series . . . now has a label its creators could have never predicted: blockbuster success. Entertainment Weekly Contains the following titles: #1: Left Behind #2: Tribulation Force #3: Nicolae #4: Soul Harvest #5: Apollyon #6: Assassins #7: The Indwelling #8: The Mark #9: Desecration #10: The Remnant #11: Armageddon #12: Glorious Appearing

**The Boy He Left Behind** Oct 07 2021 "A riveting story in the hands of a master storyteller."—James McBride, *The Color of Water* "I was four years old when my father came back to kidnap me," begins this gripping memoir about Matousek's search for James Matousek, the drifter father he never knew. Described by the New York Times as "part reminiscence, part detective story, part spiritual musing," this memoir is more than the story of one man's search for his father; it is also a look at the meaning of life and how fathers contribute to that meaning. Growing up in a family of troubled women (Matousek's sister committed suicide when the author was 29), he describes the turmoil of growing up "fatherless in America"—an experience shared by millions of children in what sociologists have called the Age of the Absent Father—and the difficult, ultimately successful, struggle to figure out what being a man really means in an age of shifting definitions and evolving sexuality. With the

tension of a mystery story, the climax occurs when Matousek meets a man he believes to be his father. But is he? And does Matousek, who has reconciled with his mother as she lay dying, really care? These are just two questions leading to this memoir's surprising conclusion.

The Indwelling Nov 20 2022 The members of the Tribulation Force face their most dangerous challenges. Following the assassination of the Antichrist, some are murder suspects; others test the precarious line between subversion and being revealed. All over the news, reporters announce that Rayford Steele is Nicolae Carpathia's assassin, but Buck soon learns the truth. The world mourns the loss of a world leader until events at Nicolae's funeral bring all mourning to an end. A repackage of the seventh book in the New York Times best-selling Left Behind series.

**The Mark** Jun 15 2022 An evil world leader proclaims himself the Antichrist, drawing up plans to mark all human beings, but the members of the Tribulation Force are determined to stop him.

Angrynomics Oct 15 2019 The disconnect between our experience of the world and the economic model used to explain it has given rise to angrynomics. In a powerful and passionately argued analysis, Eric Lonergan and Mark Blyth offer a set of radical and innovative policies that might just help the world to be a less angry place.

**Desecration** Sep 06 2021 2002 Christy Award finalist! His Excellency Global Community Potentate Nicolae Carpathia, no longer pretending to be a pacifist, has ordered every Morale Monitor armed as he prepares to travel along the Via Dolorosa and then onward to the temple, where shocking surprises await. The lines are drawn between good and evil as God inflicts sores upon the flesh of those who have taken the mark. Meanwhile His chosen ones flee to Petra, where they watch anxiously as GC fighter planes appear overhead and bombs begin to fall. A repackage of the ninth book in the New York Times best-selling Left Behind series.

*Zombie Fallout 10: Those Left Behind* Dec 21 2022

**Nicolae** Feb 11 2022 It has been nearly two years since the day of the mass disappearances. In one cataclysmic instant, millions all over the globe simply vanished, leaving everything but flesh and bone behind. Global war has erupted, and the Tribulation Force sets a suicidal course

that places them in direct opposition to the rise of Antichrist. A repackage of the third book in the New York Times best-selling Left Behind series.

**House of Leaves** May 02 2021 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

**Left Behind and Loving It** Aug 17 2022 Left Behind and Loving It is a cheeky critique of popular writings about the end times. Rather than presenting a steroid-buffed Jesus wrapped in an American flag and "coming again in clouds of gunfire," Left Behind and Loving It invites readers to approach some of the most controversial and scary portions of the Scriptures with the utter confidence that "God's steadfast love endures forever." Rather than asserting a hope premised on a few chosen

ones escaping the world, *Left Behind and Loving It* argues that if it is Jesus who is to return (and not his evil twin), then the second coming has redemption written all over it. Many today cannot accept the escapist, violent, end-of-the-world scenario envisioned by "Left Behind" theology. *Left Behind and Loving It* invites readers not to fear but to trust in God's steadfast love and look at the finitude of the world with hope in an infinitely loving God.

**The Meaning of the Mark** Dec 09 2021 Explains the methods and symbols presented in the author's "It Works" and expands on the mind-power classic's techniques and ideas.

**Deceived** May 22 2020 Four teens battle the forces of evil when they are left behind after the Rapture.

**Armageddon** Aug 25 2020 2004 Christy Award finalist! The scattered Tribulation Force is drawn toward the Middle East, as are all the armies of the world, when human history culminates in the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe and the world has become a powder keg of danger. Except for those already in Petra, everyone has been forced to relocate as the Antichrist ratchets up the pressure in the world's most treacherous game. As the Trib Force waits for the coming of Christ, Chloe Williams is drawn out of the safe house to investigate something suspicious. Buck and TSION travel to Jerusalem while Nicolae Carpathia orders an attack on the city, and Rayford becomes seriously injured outside Petra. Who will survive Armageddon? A repackage of the eleventh book in the New York Times best-selling *Left Behind* series.

**The Rising** Nov 08 2021 *The Rising* begins a new *Left Behind* series that will give you a glimpse into the lives of your favorite characters before the Rapture. Have you ever wondered what life was like before the Rapture for Rayford, Irene, and Chloe Steele, Bruce Barnes, Buck Williams, and TSION Ben Judah? Plus, see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life. What were the events surrounding Nicolae's sudden rise to power? How did he become filled with evil? You will find all these answers and more in this exciting new series! In *The Rising*, Marilena Carpathia has only one dream: to be a

mother. So when a mysterious clairvoyant promises the fulfillment of this dream, Marilena does not hesitate. Through genetic engineering and the power of the prince of darkness himself, Marilena is about to become a chosen vessel, one who will unknowingly give birth to the greatest evil the world has ever known. Halfway around the world, God's plans are subtly being carried out too. Young Ray Steele is determined to avoid one day taking over the family business. Instead, Ray sets his heart on becoming a pilot. Soon Carpathia's and Steele's lives will intersect. And good and evil will clash in an explosion that will shake the world. The eternal battle for souls has come to earth. The world hurtles toward the countdown to the Rapture.

**What We Left Behind** Sep 25 2020 What if discovering who you really are means letting go of who you've been? Toni and Gretchen are the couple everyone envied in high school. They've been together forever. They never fight. They're hopelessly in love. When they separate for their first year at college they're sure their relationship will stay rock solid. The reality of being apart, however, is very different. Toni's discovering a new world - and a new gender identity - but Gretchen struggles to remember who she is outside of their relationship. While Toni worries that she won't understand Toni's shifting identity, Gretchen begins to wonder where she fits in to this puzzle. Now they must decide if their love is strong enough to last

**The Money Cult** Nov 15 2019 A grand and startling work of American history America was founded, we're taught in school, by the Pilgrims and other Puritans escaping religious persecution in Europe—an austere and pious lot who established a culture that remained pure and uncorrupted until the Industrial Revolution got in the way. In *The Money Cult*, Chris Lehmann reveals that we have it backward: American capitalism has always been entangled with religion, and so today's megapastors, for example, aren't an aberration—they're as American as Benjamin Franklin. Tracing American Christianity from John Winthrop to the rise of the Mormon Church and on to the triumph of Joel Osteen, *The Money Cult* is an ambitious work of history from a widely admired journalist.

Examining nearly four hundred years of American history, Lehmann reveals how America's religious leaders became less worried about sin and the afterlife and more concerned with the material world, until the social gospel was overtaken by the gospel of wealth. Showing how American Christianity came to accommodate—and eventually embrace—the pursuit of profit, as well as the inescapability of economic inequality, *The Money Cult* is a wide-ranging and revelatory book that will make you rethink what you know about the form of American capitalism so dominant in the world today, as well as the core tenets of America itself.

**Kingdom Come** Mar 12 2022 The sequel to the best-selling Christian fiction series that has sold over 63 million copies! Reunite with all your favorite characters and see how they fare in this capstone final title of the *Left Behind* saga. The horrors of the Tribulation are over, and Jesus Christ has set up his perfect kingdom on earth. Believers all around the world enjoy a newly perfected relationship with their Lord, and the earth itself is transformed. Yet evil still lurks in the hearts of the unbelieving. As the Millennium draws to a close, the final generation of the unrepentant prepares to mount a new offensive against the Lord Himself—sparking the final and ultimate conflict from which only one side will emerge the eternal victor.

**The Lives They Left Behind** Jul 04 2021 “The Lives They Left Behind is a deeply moving testament to the human side of mental illness, and of the narrow margin which so often separates the sane from the mad. It is a remarkable portrait, too, of the life of a psychiatric asylum—the sort of community in which, for better and for worse, hundreds of thousands of people lived out their lives. Darby Penney and Peter Stastny's careful historical (almost archaeological) and biographical reconstructions give us unique insight into these lives which would otherwise be lost and, indeed, unimaginable to the rest of us.” —Oliver Sacks “Fascinating. . . . The haunting thing about the suitcase owners is that it's so easy to identify with them.” —Newsweek When Willard State Hospital closed its doors in 1995, after operating as one of New York State's largest mental institutions for over 120 years, a forgotten attic filled with suitcases

belonging to former patients was discovered. Using the possessions found in these suitcases along with institutional records and doctors' notes from patient sessions, Darby Penney, a leading advocate of patients' rights, and Peter Stastny, a psychiatrist and documentary filmmaker, were able to reconstruct the lives of ten patients who resided at Willard during the first half of the twentieth century. *The Lives They Left Behind* tells their story. In addition to these human portraits, the book contains over 100 photographs as well as valuable historical background on how this state-funded institution operated. As it restores the humanity of the individuals it so poignantly evokes, *The Lives They Left Behind* reveals the vast historical inadequacies of a psychiatric system that has yet to heal itself.

*Marks of the Beast* Dec 29 2020 The *Left Behind* series by Tim LaHaye and Jerry B. Jenkins has become a popular culture phenomenon, selling an astonishing 40 million copies to date. These novels, written by two well-known evangelical Christians, depict the experiences of those "left behind" in the aftermath of the Rapture, when Christ removes true believers, leaving everyone else to suffer seven years of Tribulation under Satan's proxy, Antichrist. In *Marks of the Beast*, Shuck uncovers the reasons behind the books' unprecedented appeal, assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey's 1970 blockbuster *The Late Great Planet Earth*. It also explores what we can learn from them about evangelical Christianity in America. Shuck finds that, ironically, the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers—especially evangelicals—to embrace solutions that enact, rather than engage, their fears. Most strikingly, he shows how the ultimate vision put forth by the series' authors inadvertently undermines itself as the series unfolds.

[Assassins](#) Dec 17 2019 The Tribulation Force continues to fight the forces of Antichrist.

**Apollyon** Nov 27 2020 International fugitives Rayford Steele and Buck Williams travel to Jerusalem as the fourth judgment of the apocalypse begins.

**The Remnant** Aug 05 2021 Nicolae Carpathia has his enemies right where he wants them: massed at Petra, a million strong. The Trib Force's aliases and even their safe houses have been compromised, forcing Rayford, Buck, and all the members to flee for their lives while trying to maintain their overt opposition to the Antichrist. All pretense is gone, even on the part of the Antichrist, as the planet hurtles toward the ultimate showdown between good and evil. A repackage of the tenth book in the New York Times best-selling Left Behind series.

**Triumphant Return** Jul 24 2020 As an army gathers in the Middle East to destroy rebels against the Global Community, members of the Young Trib Force eagerly anticipate the long-awaited return of Jesus Christ.

The Gospel According to Mark Mar 20 2020 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Williams search for their loved ones who haven't been seen since before the earthquake. A repackage of the fourth book in the New York Times best-selling Left Behind series.

Those Left Behind Jan 18 2020 A dying planet. A desperate mission. A crew facing impossible odds. Humanity's last hope lies with them... Time is running out for the people of New Pallas. Nobody knows that better than Alvera Renata, a tenacious captain determined to scout past the stars with nothing but a handpicked crew and a promise: to find a new home for humanity. But when a perilous journey across dark space leads to first contact with a galactic civilisation on the brink of war, Alvera soon realises keeping her word might not be as easy as she thought. Her only hope lies with the secrets of the ancient alien waystations scattered across the galaxy. The mysterious technology could be the key to humanity's survival-or bring unwanted attention from the long-forgotten beings who built them. But remaining united in the face of annihilation is a lot to ask from a crew already splintering under the weight of their differences. A jaded pilot looks for a place he can start over. A young translator searches for meaning out in the galaxy's lawless frontier. And Alvera reckons with the aftermath of betrayal as she fights for a way to save them all. As they break apart to forge their own paths, Alvera and her crew all face the same question: what are they willing to sacrifice to save those left behind?

Leading Inclusion in a Secondary School May 14 2022 Leading Inclusion in a Secondary School is a practical guide to one of the most challenging and rewarding roles in a secondary setting. It highlights the key responsibilities and offers practical advice on how to lead groups of staff, embed an ethos and most importantly be the advocate for all the children in the school. Focusing on the core areas of inclusion - behaviour; SEND; safeguarding; attendance; pupil premium and OFSTED - the book provides an overview of each area and explores the skills and knowledge that are required to lead it successfully. Each chapter shares tried and tested strategies and systems for promoting inclusion alongside practical examples, case studies, thinking points and scenarios to take the reader on a comprehensive journey of the role. This is an essential text for all

current and aspiring leaders of inclusion including heads of year, senior leaders, safeguarding leads, welfare managers and so on, that will help to build an overarching strategy for inclusion in their school.

**The Road She Left Behind** Oct 27 2020 "A great pick for your book club this summer." --Working Mother Crushed by guilt over the car accident that killed her father and sister, and torn apart by her mother's resentment, Darcy Goodridge fled her family estate eight years ago and hasn't looked back. Now an unexpected phone call threatens to upend what little serenity she's found. Her nephew, Emerson, who was just a baby when his mother died, has gone missing. Darcy must return home and face her past in order to save him. Once back in Ohio, Darcy realizes there's more to Emerson's disappearance--and to the sudden retirement of her mother, Rosalind--than meets the eye. As she works to make inroads with Rosalind, Darcy begins to unravel a decades-old secret that devastated her family and forced a wedge between her and Michael Varano, the man she left heartbroken when she vanished after the funeral. After carrying the scars of that fateful night for almost a decade, Darcy is determined to find closure, healing, and maybe even love where she lost them all in the first place--right back home where she belongs.

*Notes from an Apocalypse* Jan 30 2021 From the prize-winning author of *To Be a Machine* - meet the men and women preparing for the end of the world In the remote mountains of Scotland, in high-tech bunkers in South Dakota and in the lush valleys of New Zealand, small groups of determined men and women are getting ready. They are environmentalists who fear the ravages of climate change; billionaire entrepreneurs dreaming of life on Mars; and right-wing conspiracists yearning for a lost American idyll. One thing unites them: their certainty that we are only years away from the end of civilization as we know it. Not unconcerned himself by the possibility of the end of days, Mark O'Connell set out to meet them.
