Solving gruesome murder cases is only one of Elizabeth Campbell's challenges; another is her growing attraction to the female detective who is hell-bent on keeping her client in prison. Journey with Jewel, Bethy, Linda, and Dawn as they navigate lives impacted by the Sins of Our Mothers. The heartache, the longing, the tragedy, the monsters, and the memories that haunt are the pulse of sin, mental illness, and addiction. Will they survive or will they succumb to the Sins of Our Mothers? Detective Chief Inspector Johnny Allen always knew his past would catch up with him, he was told often enough. Jane Woods was the most beautiful girl he'd ever seen, she was the love of his life, his sin, but she kept a guilty secret from him. The brutal murder of Jane's cousin, Alison Woods, some thirty years back had haunted him ever since. Did Norman Denman murder Alison? The shocking discovery of Megan Davis's body brings Allen's past back to haunt him. Billy Reynolds was his best friend, the pair were more like brothers than friends, but Billy changed, he just wasn't the same Billy anymore. Allen must fight against his past. These people were my friends,

my family. We all have a past, some good, some bad, it's only a matter of time before it catches up with us. It has been fifteen hundred years since the solar flare devastation of the Global Catastrophe. Due to the radioactivity in the harvesting fields, society dismisses its defective children as nothing more than flawed products of the malfunctioned seeds in the field. But Lyratelle, a hyper-observant musical prodigy, believes these "defects" are intelligent, particularly her own sibling, the youngest child of her impervious mother. Abandoning her dream career, Lyratelle climbs the bureaucratic ladder to run the Defect Research Center, where she can safeguard the child. With an underground team of women who share her uncertainties, Lyratelle unearths the Old History truth that womankind's survival actually hinges on the existence of these defects. When General Sarah Love, the city's most powerful advocate against the defects, detects Lyratelle's sympathy toward the creatures, she threatens the life of Lyratelle's sibling. Now Lyratelle's desperate attempt to save this child endangers everyone she loves--her team, her family, even the existence of the defects themselves. My Mother's Sins dives into a world that is kept secret from those who don't live in it. Junie has always had a rough life. She's been mistreated and mishandled by everyone from family to strangers. Life seems to take an upturn when Junie meets Troy, but is Junie's life really meant to take a turn for the better? Purchase "My Mother's Sins" now and see how this author defies boundaries and bends limits to show the reader gritty details of secret lives in oblivion that some endure. Be sure to keep an open mind when reading this novel. IT WILL NOT DISAPPOINT!!!! Engrossing and memorable, The Sins of the Father is the second novel in international bestseller Jeffrey Archer's celebrated the Clifton Chronicles. It takes us to New York in 1939 where our hero Harry Clifton is in desperate need of help. Only days before Britain declares war on Germany, Harry joins the Merchant Navy, unable to face long-held family secrets and the fact he will never be able to marry his true love Emma Barrington. But when his ship is sunk mid-Atlantic, Harry takes the opportunity to assume the identity of one his deceased rescuers and begin a new life. Landing

in America, he quickly discovers he has made a mistake and without any way to prove his true identity, Harry is now chained to a past that could be far worse than the one he had hoped to escape . . . Brimming with intrigue, Jeffrey Archer takes readers into a world they will never want to leave as the Clifton Chronicles continues its powerful journey with family loyalties stretched to their limits and fates decided. Continue the bestselling series with *Best Kept Secret* and *Be Careful What You Wish For*. Akielas had traveled the world of Odealeous searching for the apprentices that betrayed him. When he finally found them and learned of their malice plot, he was filled with remorse and blamed himself for all they had done. His apprentices named themselves the Specters and they were on the hunt for all four remnants of the dragon gods. The Specters had one jewel in their possession and Akielas feared what they would do if they found all four. Carrying the weight of the world on his shoulder, and great guilt, Akielas was determined to defeat the Specters all alone. However, his friends from different parts of the world, stepped forth and joined his struggle. With sword and magic and a burning desire to avenge the fallen, they swore to defeat the Specters. But there was a problem. Akielas's hands trembled at the thought of slaying his own apprentices. Buy this book right now and enter the mystical world of Odealeous "Every family holds secrets from the past. Some are generational curses and some are blessings. The Sins of my Fathers involves a Louisiana family whose fragile "togetherness" is only possible when they never talk about the family secrets--the sins of the past might be affecting the family in the present day. The Sins of my Fathers is about one families journey, led by one family member, who would not stop asking questions until everything is as basic and clear as 1-2-3. C. Anthony "Tony" Sherman, Author of NOW released fictional novel, "The Sins of my Fathers", published by Authorhouse. Young ladies whispered about the Duke of Mondvale in hushed tones, their eyes following his tall, dark figure. For the newly-ostracized Lady Constance Thornton, the Duke is magnetic and desirable. Since her reputation is already ruined in London society, why shouldn't she dance with the scandalous Lord of Sin? The beautiful and

innocent Lady Constance is fun to be sure, but she is also his means to exact revenge. By ruining her, he will have his vengeance against her brother. Except that the Lady is full of surprises... and she could well be the ruin of him. Each book in the Scandalous House of Calydon series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 *The Duke's Shotgun Wedding* Book #2 *The Irresistible Miss Peppiwell* Book #3 *Sins of a Duke* Book #4 *The Royal Conquest Journey* with Jewel, Bethy, Linda, and Dawn as they navigate lives impacted by the Sins of Our Mothers. The heartache, the longing, the tragedy, the monsters, and the memories that haunt are the pulse of sin, mental illness, and addiction. Will they survive or will they succumb to the Sins of Our Mothers? The pretty young prostitute is dead. Her alleged murderer—a minister's son—hanged himself in his jail cell. The case is closed. But the dead girl's father has come to Matthew Scudder for answers, sending the unlicensed private investigator in search of terrible truths about a life that was lived and lost in a sordid world of perversion and pleasures. 'Michael is living proof that love always has the power to bring you home.' Charlie Mackesy 'A cracking read. Really gets to the bottom of the madness of a man fighting his demons.' Ray Winstone 'His life may have had its ups and downs, but it is wonderful example of God's transforming power.' Nicky Gumbel, Vicar of HTB & pioneer of ALPHA 'Take it from me, Michael got up to some mischief. And to find some peace at the end of it all! You really need to hear this story.' Former London Crime Boss Growing up, Michael wanted nothing more than to follow in his dad's footsteps and join the family business. Aged 18, he did just that and entered into the glamorous, dangerous world of organised crime. Michael's father, a career criminal and contemporary of the infamous Krays, was a wayward role model. Soon Michael's criminal activities were funding a reckless lifestyle of drugs, sex, and violence. But the high couldn't last. In 1993 both men were arrested for their involvement in a £13-million smuggling operation. Michael was sentenced to twelve years, serving time in the same prison as his dad. Inside HMP Exeter, Michael found something he had never expected: answers. A

chance encounter in the prison chapel led to an experience that would shake the foundations of his life. This is a true story of trauma and transformation, one man's search for redemption, and the struggle to become the father he never had. 'One of Ireland's most powerful campaigners' The Kavanagh Sisters I look back now and see that I never stood a chance. It's hard when you realise your whole childhood was taken away. I never got the chance to be a child.' Shaneda Daly was only four when her father started grooming her. For nearly 15 years, he would go on to sexually abuse his daughter every day. The emotional and physical toll was immense and, eventually, her ex-army and prison officer father admitted to his family what he had been doing. Leaving home for only a year to get help, he was welcomed back 'a changed man'. With no choice but to accept it, Shaneda lived alongside him again only for him to try and abuse her once more. After realising she had no choice but to leave home, Shaneda finally reclaimed her power by standing up to the man who destroyed her childhood and contacted the police. Decades later, in 2011, she watched as her father was convicted of 227 counts of abuse. Shaneda now fights as a campaigner for other victims and is bravely telling her story fully for the first time: the story of a survivor. In this powerful, provocative SF classic from the award-winning author of *The Forever War*, a young man of peace is transformed into an intergalactic killer. Once Otto McGavin was a kind and gentle soul; then he was recruited by the all-powerful Confederación. An ultrasecretive, government-linked organization, the Confederación's stated mission of protecting threatened life, both human and alien, throughout the galaxy greatly appeals to the Anglo-Buddhist McGavin as he eagerly prepares to embark on a career of diplomacy and selfless works. But Otto's new masters have other plans for the idealistic young recruit. Through a process of immersion therapy and hypnosis, and by encasing him in temporary bodies of plastiflesh, scientists can overlay Otto's true persona with other ones, transforming him completely—body, mind, and soul—into the ruthlessly effective prime operator the Confederación wants him to be. But decades of interstellar subterfuge and violence, and

years spent wearing the personae of spies and cold-blooded killers, must ultimately take their toll—and before he leaves behind the lives that have been cruelly thrust upon him, Otto McGavin will have to somehow come to terms with who he really is and the monstrous things he has done. One of the most powerful and thought-provoking stories from the Hugo and Nebula Award-winning author of *Worlds* and *The Forever War*, Joe Haldeman's *All My Sins Remembered* is a stunning work of speculative fiction. This ebook features an illustrated biography of Joe Haldeman including rare images from the author's personal collection. Heroes aren't BORN, they EMERGE. Now you can read the first three books in the *Sins of Our Ancestors* series, all in one convenient collection. Ruby had barely started kindergarten when the world collapsed, but by now she's over it. Like, really over it. To celebrate their upcoming graduation, the teenagers in Port Gibson are gathering to play a forbidden game from *Before*, a game called spin the bottle. Pretty much every girl in Port Gibson likes the same two guys, and Ruby knows them both. Wesley, the charismatic son of the town Mayor who's being groomed to step into his dad's job, and Sam, the ripped but terrifying second-in-command to the town's Security Chief. But only Wesley's graduating with Ruby, and if he shows up, she's determined to finally seize her chance to kiss her long time crush. When things go sideways, endangering her dear Wesley's life, there's only one person Ruby can ask for help, no matter how scary and enigmatic he is: Samuel Roth. Can Ruby convince Sam to risk his life to save Wesley's? And can Ruby navigate the post-apocalyptic world in time to save her crush, or will the long forgotten past come back to claim its due? Kirkus Reviews said of the first book, *Marked*, "Baker's prose is sharp and vivid, and she manages to immediately plunge her readers into the world of the novel. The story is swiftly paced and features some surprising twists and intriguing characters. The combination of sci-fi, mystery, and teen romance makes for a compelling adventure. A promising YA debut about a girl's search for a future in the wreckage of the past." KW: dystopian romance, ya dystopian romance, complete post apocalyptic series, complete dystopian series, end of the

world book, dystopian novel, ya dystopian, ya post apocalyptic, ya end of the world, ya romance, love triangle, protective hero. A New York Times Notable Book: A psychologist's "gripping and thought-provoking" look at how and why our brains sometimes fail us (Steven Pinker, author of *How the Mind Works*). In this intriguing study, Harvard psychologist Daniel L. Schacter explores the memory miscues that occur in everyday life, placing them into seven categories: absent-mindedness, transience, blocking, misattribution, suggestibility, bias, and persistence. Illustrating these concepts with vivid examples—case studies, literary excerpts, experimental evidence, and accounts of highly visible news events such as the O. J. Simpson verdict, Bill Clinton's grand jury testimony, and the search for the Oklahoma City bomber—he also delves into striking new scientific research, giving us a glimpse of the fascinating neurology of memory and offering "insight into common malfunctions of the mind" (*USA Today*). "Though memory failure can amount to little more than a mild annoyance, the consequences of misattribution in eyewitness testimony can be devastating, as can the consequences of suggestibility among pre-school children and among adults with 'false memory syndrome' . . . Drawing upon recent neuroimaging research that allows a glimpse of the brain as it learns and remembers, Schacter guides his readers on a fascinating journey of the human mind." —*Library Journal* "Clear, entertaining and provocative . . . Encourages a new appreciation of the complexity and fragility of memory." —*The Seattle Times* "Should be required reading for police, lawyers, psychologists, and anyone else who wants to understand how memory can go terribly wrong." —*The Atlanta Journal-Constitution* "A fascinating journey through paths of memory, its open avenues and blind alleys . . . Lucid, engaging, and enjoyable." —*Jerome Groopman, MD* "Compelling in its science and its probing examination of everyday life, *The Seven Sins of Memory* is also a delightful book, lively and clear." —*Chicago Tribune* Winner of the William James Book Award *The Sins of My Parents* is a gut-wrenching coming of age story that tackles love, loss, abuse, and addiction. The story follows Ro, as she grapples with the sins she inherited from

her parents and the ones she collects along the way. This coming of age story addresses the effects of generational trauma through the lens of epigenetics and lived experience while highlighting the importance of healing across communities. As Ro journeys through life, she finds that the very traits and behaviors she's come to hate about her parents are the very traits that she, herself, possesses. While trying to unpack and correct these shortcomings, she finds herself in a world of trouble and is forced to confront the demons she's enjoyed dancing with for years. Through this confrontation, she is forced to grow up and bravely face the sins of her parents. *The Sins of My Parents* is required reading for anyone that has ever struggled with building a bridge of understanding between themselves and a parent or anyone who has tried to mend a relationship with an absentee parent. It is a compelling tale of how the environment we are born into shapes the life we live and the way we come to give and receive love. This beautifully brutal and oft visceral story will undoubtedly encourage lifelong conversations surrounding parenting, consent, relationships, friendship, community, and forgiveness. This jaw dropping account of growing up will make you laugh, cry and reflect as you realize that you could be Ro and in fact, you are. The final novella set in the universe of James S. A. Corey's NYT-bestselling *Expanse* series. Now a Prime Original series. This story will be available in the complete *Expanse* story collection, *Memory's Legion*. HUGO AWARD WINNER FOR BEST SERIES Through one of the gates, a colony stands alone. Their supplies are low. Their defences, weak. The leadership is uncertain, and the community fragile. Huge alien beasts threaten the little they have left. But the worst monsters are human, and the greatest dangers are the past they brought. *The Expanse* Leviathan Wakes *Caliban's War* *Abaddon's Gate* *Cibola Burn* *Nemesis* *Games Babylon's Ashes* *Persepolis Rising* *Tiamat's Wrath* *Leviathan Falls* *Memory's Legion* *The Expanse Short Fiction Drive* *The Butcher of Anderson Station* *Gods of Risk* *The Churn* *The Vital Abyss* *Strange Dogs* *Auberon* *The Sins of Our Fathers* For the first thirty-three years of my life I had no knowledge of my father, no idea what he looked like, his name, whether he was dead or alive. Then fate

brought us together. Then, a year later, he decided to hire me. Although we had talked for a year, my father was still Gawain Morgan to me, a stranger, not my dad. Would the task of locating Frankie Quinn bring us closer together, or drive us further apart? Frankie Quinn was a con-man, a life-long villain, a member of my father's old gang. That's right, my father was a villain too, with dodgy contacts, a shady past and sins he preferred to forget. The police wanted Frankie and, if arrested, he faced the prospect of spending his final years in prison. However, he had a trump card, evidence of my father's indiscretions. Frankie was looking to cut a deal with the police, my father was looking for Frankie. They knew that one of them would spend the winter of their days in prison; but who would it be? Meanwhile, the clock was ticking towards my wedding day. Would I enjoy the happiest day of my life, or be left crying into my champagne? Sins of the Father, ten days that defined my relationship with my dad. After building an empire that has made her a legend in business, Olivia spends months each year planning a lavish holiday for everyone in her family to enjoy. This summer she has arranged a dream trip on a luxurious yacht in the Mediterranean, which she hopes will be the most memorable of all. More than anything, she hopes to express her love and her regret at all the important times she missed during her children's early years. But her younger daughter, Cassie, a hip London music producer, refuses the invitation altogether as she does every year. Liz, her older daughter, is preoccupied with a chance to recapture her dream of being a writer and is terrified of failure, again. And her sons John and Phillip work for her, for better or worse, with wives who wish they didn't. Immersed in the splendour of the Riviera, this should be a summer to remember, but old resentments die hard, and Olivia is still running the business full-time. As each of these individuals confront the past and the challenges of the present and future, they also learn to accept the enduring, unconditional love of their family and a mother who is strong enough to take more than her fair share of the blame, and loving enough to accept them as they really are. The question is: can they do the same for her? Ex-gangster

Michael Emmett recounts his journey away from prison and the glamorous, dangerous world of organised crime and into his most difficult journey yet - surrender. The eldest daughter of a lustful, sinful mother is consumed with mending the lives of her broken siblings and obtaining the love of a mother she has never really known. Kelvin Pierce was raised to be a hard core racist. His father, Dr. William Luther Pierce III, was founder and leader of the National Alliance, one of the most well-known White Supremacist organizations in the world. In 1978 William Pierce wrote *The Turner Diaries*, which has been labeled "the bible of the racist right" to this day. All the while, Pierce indoctrinated his son with tenets of White Supremacy, interspersed with physical and psychological abuse. By the time the author left home he was a seething morass of hate and suffering. Read about his eventual recovery and transformation. Many are suffering from the sins of their fathers but they are blaming others. They keep going from church to church, from one prayer house to another. They continue to pack ice from the refrigerator and load it on the ground. It will not form snow but a waste of effort. The cycle will continue on and on. This publication contains stories that will make you to ask questions and mature in the spirit. "When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things" 1 Corinthians 13:11. The quickness to lay the blame of ill-fortune on the door-step of others is also a sin, even a much bigger one. Many do this without realizing that they are under their own particular bondage. This has caused pain and distress which should not be. A new steamy mafia-meets-military romance from USA Today Bestselling Author Lexxi James! Ivy He was a handsome stranger who made me an offer I couldn't refuse ... Give me anything I wanted. Anything for one night. The catch? No strings. No commitments. No names. I had no idea who he was when we met. I only knew that he protected me. And he looked damned good doing it. Leo To the outside world, I'm known only as Z. The enforcer. A widower with nothing to lose. An ex-SEAL sworn to keep one vow: protect the D'Angelo's at all costs. I'm not a good man, and I never claimed to be. Protecting her was second nature. Nothing more. Claiming her

was just a one-night escape. But she made one mistake ... a cardinal sin. Slipping away on her terms. Not mine. No strings. No commitments. No names? No way. There's just one price for my protection. And it's her. Full Steam Ahead. Lexxi James Books are seductive, suspenseful romances filled with fun, sensual, and sizzling high-heat love scenes.

A suspenseful, emotionally charged real-life Sopranos: The son of New York's most notorious Mafia killer reveals the conflicted life he led being raised by a cold-blooded murderer, who was also a devoted family man, and the wrenching legacy of Mafia family life. Al DeMeo will never forget the day in 1992 when a coworker, a fellow trader at the New York Stock Exchange, taunted him with a copy of the hot new book Murder Machine, chronicling the horrific criminal life of DeMeo's father, Roy, the head of the most deadly gang in organized crime. The moment sent DeMeo into a psychological tailspin: How could he have spent his life looking up to, and loving, a vicious killer? For the Sins of My Father recounts the chilling rise and fall of the man who led the Gambino family's most fearsome killers and thieves, through the eyes of a son who had never known any other kind of life. Coming of age in an opulent Long Island house where money is abundant but its source is unclear, Al becomes Roy's confidant, sent to call in loans at age fourteen and gradually coming to understand his father's job description--loan shark, car thief, porn purveyor and, above all, murderer. But when Al is seventeen, Roy's body is found in the trunk of a car, a gangland slaying that places Al between federal prosecutors seeking his testimony and a mob crew determined to keep him quiet. Desperate to abide by the father-son bond, but equally determined to escape his father's dangerous and doomed life, Al Demeo embarks on a courageous quest for the truth, reconciliation, and honor. With the implacable narrative drive of a thriller and the power of a painfully honest memoir, For the Sins of My

Father presents a startling and unprecedented perspective on the underworld of organized crime, exposing for the first time the cruel legacy of a Mafia life. Never has it been so easy to buy a human being. The more innocent, the higher the price tag. Ginger Vincent took the underground world of human trafficking by storm with her technology-based black market. As a woman, she's got her work cut out for her when the vultures begin to circle, closing in on all she's built. When someone more beast than man is taken on a routine acquisition run—who has no name other than Sin-Ginger's curiosity gets the better of her. She decides to keep him close to learn his secrets. Little does she know, Sin is there for a reason, and that reason is to take her down. With equally bleak histories and jaded world views, they both begin to question everything they believe in the face of one another. When two dark souls collide, will the world burn, or will they? *Sins of our Fathers* is a DARK romance with themes not suitable for those under 18 or those with triggers. Please check the trigger warnings before proceeding, and don't say I didn't warn you. Prequel: *Sins of the Family* Over 250,000 copies sold Have we become so focused on “major” sins that we've grown apathetic about our subtle sins? Renowned author Jerry Bridges takes you into a deep look at the corrosive patterns of behavior that we often accept as normal, in this established and impactful book. Practical, thought-provoking, and relevant at any stage of life, *Respectable Sins* addresses a dozen clusters of specific “acceptable” sins that we tend to tolerate in ourselves, such as: Jealousy Anger Judgementalism Selfishness Pride Writing from the trenches of his own battles with sin, Bridges offers a message of hope in the transforming grace of God to overcome our “respectable sins.” Now with an added study guide for personal use or group discussion so you can dive deeper into this staple of Jerry Bridges's classic collection. “Read this book—we need to—and be ready for a gentle surgeon's sharp knife.” —J. I. Packer, author and speaker In 1950s rural Ireland a widow conceals pregnancy by travelling to Belfast and giving birth to a girl named Marie Therese. The child was left to face a life of misery in the care of nuns at Nazareth House. This is her story, one of resilience and the need

to discover who she really is by tracing the mother that the nuns had told her didn't exist. When Lily Dunn was just six years old, her father left the family home to follow his guru to India, trading domestic life for clothes dyed in oranges and reds and the promise of enlightenment with the cult of Bhagwan Shree Rajneesh. Since then he has been a mystery to her. She grew up enthralled by the image of him; effervescent, ambitious and elusive, a writer, publisher and entrepreneur, a man who would appear with gifts from faraway places, and with whom she spent the long, hot summers of her teenage years in Italy, in the company of his wild and wealthy friends. Yet he was also a compulsive liar, a delinquent, a man who abandoned his responsibilities in a pursuit of transcendence that took him from sex addiction, via the Rajneesh cult, to a relentless chase of money, which ended in ruin and finally addiction to alcohol and prescription drugs. A detective story that charts two colliding narratives, *Sins of My Father* is a daughter's attempt to unravel the mysteries of a father who believed himself to be beyond reproach. A dazzling work of literary memoir, it asks how deep legacies of shame and trauma run, and if we can reconcile unconditional love with irreparable damage. New York, 1939. Tom Bradshaw is arrested for first degree murder. He stands accused of killing his brother. When Sefton Jelks, a top Manhattan lawyer, offers his services for nothing, penniless Tom has little choice but to accept his assurance of a lighter sentence. After Tom is tried, found guilty and sentenced, Jelks disappears, and the only way for him to prove his innocence would be to reveal his true identity - something that he has sworn never to do in order to protect the woman he loves. Meanwhile, the young woman in question travels to New York, leaving their son behind in England, having decided she'll do whatever it takes to find the man she was to marry - unwilling to believe that he died at sea. The only proof she has is a letter. A letter that has remained unopened on a mantelpiece in Bristol for over a year. Jeffrey Archer continues the saga of *The Clifton Chronicles* with this epic second novel in the series, *The Sins of the Father*. Family loyalties are stretched to their limits as secrets unravel, and the story moves from the backstreets of Bristol to the

boardrooms of Manhattan. The 7 Sins of Highly Defective People takes an honest look at each of the seven deadly sins and the virtues that are needed to overcome each. The intensely practical book offers applications for overcoming the sins. The concise and touching writing style offers appropriate illustrations and stories to support the themes and principles presented. The good news is that the seven sins can be defeated and the seven virtues can be cultivated to build Christian character, leading one into a lifestyle that is pleasing to God. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. The basis for the upcoming major motion picture The Program directed by Stephen Frears (High Fidelity, The Queen, Philomena), starring Chris O'Dowd as journalist David Walsh and Ben Foster as Lance Armstrong. When Lance Armstrong won his first Tour de France in 1999, the sports world had found a charismatic new idol. Journalist David Walsh was among a small group covering the tour who suspected Armstrong's win wasn't the feel-good story it seemed to be. From that first moment of doubt, the next thirteen years of Walsh's life would be focused on seeking the answers to a series of hard questions about Armstrong's astonishing success. As Walsh delved ever deeper into the shadow world of performance-enhancing drugs in professional athletics, he accumulated a mounting pile of evidence that led a furious Armstrong to take legal action against him. But he could not make Walsh—or the story—go away, and in the autumn of 2012, Walsh was vindicated when the cyclist was stripped of his seven Tour de France titles. With this remarkable book, Walsh has produced both the definitive account of the Armstrong scandal, and a testament to the importance of journalists who are willing to report a difficult truth over a popular fantasy. From the New York Times bestselling author of Looking for Mr. Goodbar—a haunting tale of forbidden love set against the backdrop of the American industrial revolution. This is the story of Emmeline Mosher, who, before her fourteenth birthday, was sent from her home on a farm in Maine to support her family by working in a cotton mill in Massachusetts. So begins the sixth novel by the author of Looking for Mr. Goodbar. But nothing Judith Rossner has written can

prepare the reader for this haunting love story of a young girl thrust into one of America's early industrial towns, then drawn into a love affair for which she is far from ready. In Emmeline, Rossner brings us the intensity, grasp of character, and storytelling ability that have distinguished her novels of modern women.
