A radically different new concept in exam preparation, providing individual on-line evaluation and vital access to peer group comparison. The First Past the Post Practice papers series is a

leading-edge new product for 11+ exam preparation formulated by on-line market leader ElevenPlusExams. There is no national syllabus for the 11+ exam, no pass mark and no retake option. Unlike conventional exams it's always been examined on a first past the post principle. This is where the 11+ Peer-Compare system comes in: the key to success or failure is how the student performs against peers. 'Official SQA Past Papers' provide perfect exam preparation. As well as delivering at least three years of actual past papers - including the 2012 exam - all papers are accompanied by examiner-approved answers to show students how to write the best responses for the most marks. This book supports students preparing for the AQA GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable. This book supports students preparing for the Edexcel GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam.
