So are the privacy and security initiatives that must occur to reach and maintain compliance. Organizations need a quick, concise reference in order to meet HIPAA requirements and maintain ongoing compliance. Practical Guide to HIPAA Privacy and Security Compliance is a one-stop resource for real-world HIPAA. In Dec. 2008, the FBI implemented a new DIOG, which described the procedures its employees must follow when conducting domestic investigations. The FBI implemented comprehensive training on the DIOG for approximately 20,000 FBI agents, analysts, and technicians. These employees were required to complete 16.5 hours of live classroom-style training. Moreover, after taking this training, the employees had to take and pass a written, computerized 51-question exam concerning the DIOG. Because of the concerns that there may have been widespread assistance given during the exam, in January 2010 this investigation was begun related to the DIOG exam.
