and terms. Anyone can take and pass a CLEP test.  
What are you waiting for? \*\*\*\*Testimonial\*\*\*\*I just  
wanted to drop you guys a line and tell you that I  
passed my final CLEP exam last Monday which gives me  
all of the credits I need to graduate. I have taken  
30 credits worth of CLEP exams and I've passed them  
all by using your study guides. I actually purchased  
one of your study guides and failed my first test. I  
didn't fail because of your guide though, I failed  
because I didn't manage my time effectively and I  
ran short. I looked at your study guide after  
failing though, and a lot of the information on your  
study guide was very relevant to what was on the  
test. So, I tried again with a different test and a

different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks,  
-John S.\*\*\*\*I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.\*\*\*\*
