From the author-illustrator of *The Book of Mistakes* comes a gorgeous picture book about caring for your own heart and living with kindness and empathy. My heart is a window. My heart is a slide. My heart can be closed...or opened up wide. Some days your heart is a puddle or a fence to keep the world out. But some days it is wide open to the love that surrounds you. Lily Rose is used to people paying attention to her gorgeous twin sister, Daisy. But even though Lily loves her own fat body, she can't shake the idea that no one would ever choose her over Daisy – not when they could have the thin twin. That is, until she meets Cal, the gorgeous, sweet guy from New Zealand who can't seem to stay away. The gorgeous, sweet guy who also happens to be Daisy's summer crush. Lily can't seem to figure out why she isn't as into him as she should be. She should be head-over-heels in love, not missing time at the ice-cream shack with her life-long best friend, Cassie. Not wondering what Cassie is getting up to with Cal's friend Jack, or what she's thinking about when they're alone . . . With University threatening to tear Cassie and Lily apart at the end of summer and Lily desperately trying to keep Cal a secret from Daisy, summer is set to be far from relaxing. Rob Ryan is a star of the London arts and crafts scene whose work has succeeded thus far both as fine artwork and as commercial art, design and decoration. His work is irresistibly bright and colorful, and will find universal appeal as a gift book. He will also find an audience in art and design categories, where his artwork is appreciated alongside illustrators like Jean-Philippe Delhomme or Jean Julien, and his commercial work is aligned with such colorful names as Paul Smith, Lulu Guinness, and Liberty of London. The first monograph celebrating the jubilant and romantic artwork of the beloved East London paper-cut artist Rob Ryan. A New York Times Book Review Editors' Choice "Intelligent, honest, and full of heart," *My Heart* is an intimate work of autobiographical fiction by one of ex-Yugoslavia's greatest writers about his family's experience as refugees from the Bosnian war—a timeless story of love, memory, and the resilience of

the human spirit that "has all the qualities one might seek in a friend" (Etgar Keret, author of *The Seven Goods* Years). "Today, it seems, was the day I was meant to die." When a writer suffers a heart attack at the age of fifty, he must confront his mortality in a country that is not his native home. Confined to a hospital bed and overcome by a sense of powerlessness, he reflects on the fragility of life and finds extraordinary meaning in the quotidian. In this affecting autobiographical novel, Semezdin Mehmedinovic explores the love he and his family have for one another, strengthened by trauma; their harrowing experience of the Bosnian war, which led them to flee for the United States as refugees; eerie premonitions of Donald Trump's presidency; the life and work of a writer; and the nature of memory and grief. Poetically explosive and pure to the core, *My Heart* serves as a kind of mirror, reflecting our human strengths and weaknesses along with the most important issues on our minds--love and death, the present and the past, sickness and health, leaving and staying. Perfect gift for fathers, sons, neighbours, new Christians, old Christians... A working mother reassures her child that even when they're apart, they're always in each other's hearts. This lovely board book is perfect for moms to share with their little ones. Though we're not together we're never truly apart, because you're always on my mind and you're always in my heart. This is what a mother tells her child as she leaves for work each day. This lovely board book perfectly captures the sentiment that many women feel about being a working mom. The lyrical text takes us through a mother's day away, showing us that although she's working hard, her child is always on her mind and always in her heart. A gripping, bloody tribute to classic slasher cinema, *Final Girls* and our buried ghosts, combining *Friday the 13th*, the uncanny mastery of Shirley Jackson, and the razor wit of *The Evil Dead*. The Jordan Peele of horror fiction turns his eye to classic slasher films: Jade is one class away from graduating high-school, but that's one class she keeps failing local history. Dragged down by her past, her father and being an outsider, she's composing her epic essay series to save her high-school diploma. Jade's topic? The unifying theory of slasher films. In her rapidly gentrifying rural lake town, Jade sees the pattern in recent events that only her encyclopedic knowledge of horror cinema could have prepared her for. And with the arrival of the *Final Girl*, Letha Mondragon, she's convinced an irreversible sequence of events has been set into motion. As tourists start to go missing, and the tension grows between her community and the celebrity newcomers building their mansions the other side of the Indian Lake, Jade prepares for the killer to rise. She dives deep into the town's history, the tragic deaths that occurred at camp years ago, the missing tourists no one is even sure exist, and the murders starting to happen, searching for the answer. As the small and peaceful town heads towards catastrophe, it all must come to a head on 4th July, when the town all gathers on the water, where luxury yachts compete with canoes and inflatables, and the final showdown between rich and poor, past and present, townsfolk and celebrities slasher and *Final Girl*. Wheeler presents a collection of tender and inspiring stories to remind readers that only a Christ-filled Christmas has any meaning at all. Illustrations. You're my joy beyond joy, a gift from the start. You are my blessing and love — you are my heart. How do you get over the woman you loved? A painful yet playful tale of love, break-up, solitude and hope told in words and pictures, from the author of *The Red Notebook*, Antoine Laurain, and Paris street artist Le Sonneur. Janet Pope has memorized an amazing 90 chapters of the Bible, including 11 New Testament books. This book is a collective reflection of comfort and pain in the most surprising of times. It talks about teenagers, mental health, being depressed, insecurities, betrayals, friends and love in a beautiful fictional world that the author has created. It's a collection of poems, stories and quote that reflect the unspoken truths and times of the author. The author, herself has faced severe depression and anxiety in her life that has made it difficult for her to function as a normal human being. She speaks her heart out in a fictional disguise, she wants people especially teenagers to know it's okay to be different and not fit in. What makes you insecure today, the features that make you different, the ones that you cried about are the ones that's going to make you stand out. People going through hard times will find comfort in some pages while in others they'll find comfort knowing that they're not alone in pain and suffering. This book is an exploration of a teenager, her thoughts while finding herself in a world that's constantly telling everyone what to be and what is acceptable. A haunting tale of war, love and loss from the author of *Birdsong* and *A Week in December* The Sunday Times bestseller *On a small island off the south coast of France*, Robert Hendricks – an English doctor who has seen the best and the worst the twentieth century had to offer – is forced to confront the events that made up his life. His host is Alexander Pereira, a man who seems to know more about his guest than Hendricks himself does. The search for the past takes us through the war in Italy in 1944, a passionate love that seems to hold out hope, the great days of idealistic work in the 1960s and finally – unforgettably – back into the trenches of the Western Front. This moving novel casts a long, baleful light over the century we have left behind but may never fully understand. Daring, ambitious and in the end profoundly moving, this is Faulks's most remarkable book yet. \*\*\* #1 Bestselling title \*\*\* We all have lots of feelings, it's OK to let them show. They all live in our heart as our very own rainbow. What does your body do when you're sad or angry? How do you show someone you are proud? For children, experiencing new emotions and understanding them are two vastly different things, but poet Jessica Urlichs and illustrator Rebekah Ballagh have created an accessible and wonderful rhyming picture book about the rainbow of feelings that live in our heart that helps little ones to express their feelings. Also a qualified counsellor, Rebekah has provided notes for parents and teachers at the back of the book to help caregivers start conversations around understanding, identifying and navigating emotions. Two children make sure their parents' love story gets a second chance in this compelling romance from New York Times bestselling author Catherine Anderson. Two years ago, Ellie Grant would have fallen apart at any reminder of her ex-husband, Tucker. But now she doesn't bat an eye when "their song" comes on the radio. She's unfazed by the thought of Tucker's perky new girlfriend. Ellie is totally over him. And things are better for Tucker as well. The single life agrees with him. And they've both done a good job of being civil to each other, for their sons' sake. But the kids aren't buying it. Zach and Kody are convinced that,

deep down, their parents are still meant to be together. Up to their elbows in scheming and dreaming, the brothers hatch a plan: they'll run away from home into the Oregon wilderness and stay there until their parents agree to get back together. Surely Ellie and Tucker will come to the rescue—and to their senses.... A retelling of stories from Genesis, set in eighteenth-century Scotland, finds Jamie and Evan McKie vying for the attention of their father, while Leana and Rose McBride compete for the love of the same man, setting in motion a thorny love triangle marked by parental manipulation and sibling rivalry. Original. Stranger In My Heart is about the search for understanding oneself, answering the question “Who am I?” by seeking to understand the currents that sweep down the generations, eddy through one’s own persona and continue on – palpable but often unrecognised. My father fought at the Battle of Hong Kong in December 1941, was taken prisoner by the Japanese and then escaped in February 1942, making his way across 1200 miles of inhospitable country to reach China’s wartime capital at Chongqing. Seventy years later I retraced his steps in an effort to understand a man who had died when I was 18, leaving a lot of unanswered questions behind. My book is the quest that I undertook to explore my father’s life, in the context of the Pacific War and our relationship with China. A picture of a man of the greatest generation slowly unfolds, a leader, a 20th Century Great, but a distant father. As I delve into his story and research the unfamiliar territory of China in the Second World War, the mission to get to know the stranger I called ‘Dad’ resolves into a mission to understand how my own character was formed. As I travel across China, the traits I received from my father gradually emerge from their camouflage. The strands of the story are woven together in a flowing triple helix, with biography, travelogue and memoir punctuated with musings on context and meaning. Sometimes my heart feels like a big yellow star, shiny and bright. I smile from ear to ear and twirl around so fast, I feel as if I could take off into the sky. This is when my heart is happy. Happiness, sadness, bravery, anger, shyness . . . our hearts can feel so many feelings Some make us feel as light as a balloon, others as heavy as an elephant. In My Heart explores a full range of emotions, describing how they feel physically, inside. With language that is lyrical but also direct, toddlers will be empowered by this new vocabulary and able to practice articulating and identifying their own emotions. With whimsical illustrations and an irresistible die-cut heart that extends through each spread, this unique feelings book is gorgeously packaged. The Growing Hearts series celebrates the milestones of a toddler's emotional development, from conquering fears and expressing feelings to welcoming a new sibling. Even when we're apart You're always in my heart! A playful rhyme about the love shared between a parent and child. With gorgeous heart-shaped pages, this book is ideal for helping little ones to cope with separation anxiety. This keepsake Bible includes 24 full-color pages featuring adorable artwork and lined space for capturing the exciting and important details of your child's early years. When Boo doesn't think he can make it back to their burrow, Big explains that with God's love they are strong enough to do anything. Two brothers fight to claim one father’s blessing. Two sisters long to claim one man’s heart. In the autumn of 1788, amid the moors and glens of the Scottish Lowlands, two brothers and two sisters each embark on a painful journey of discovery. Jamie and Evan McKie both want their father Alec’s flocks and lands, yet only one brother will inherit Glentool. Leana and Rose McBride both yearn to catch the eye of the same handsome lad, yet only one sister will be his bride. A thorny love triangle emerges, plagued by lies and deception, jealousy and desire, hidden secrets and broken promises. Brimming with passion and drama, Thorn in My Heart brings the past to vibrant life, revealing spiritual truths that transcend time and penetrate the deepest places of the heart. Explore the world of emotions with this stunning peek-through book. Lyrical text and enchanting illustrations bring each emotion to life to help children understand the universal and unique nature of feelings. "Love doesn't warn you when it hits. It's like a drug. You're on an awesome high; but when you try to wean yourself off, knowing that in the long run you'll be better off without it, you start to get withdrawal symptoms. So you go back for more, hoping that it'll make you feel the same way it did when you first experienced it. Christian was my drug; he was my addiction." Anushka Lamba, a strong minded British Indian woman wants to shape her destiny as

director of her own life. Except, she constantly battles with her inner self and her traditional but loving Hindu parents, who believe she is too 'westernised' and not Indian enough. When Anu arrives at university, half way across the country, to study a degree that's far from her parents choice and their wavering eye - she's exposed to freedom and independence in abundance. She embarks on a secret relationship with fellow student Chris, whom she desperately wants to introduce and welcome into her family. Her dilemmas and decisions take her on a roller coaster ride - a tangled web of culture, identity, betrayal confusion, love, hatred and heartache - in ways she could never have imagined. Is Anu strong enough to face the obstacles that stand in her way or will she give up midway and live a lesser life, leaving things to the mercy of destiny? Four charmingly illustrated storybooks allow small children to come to terms with upsetting and bewildering situations that might be affecting them or people around them. Beautiful artwork and ultimately uplifting stories encourage young readers to talk about their own experiences. It's been six months since Ashlyn Daniels was kicked out of her home. Six months since she stood up to her abusive stepfather and got a busted rib-and seeing all her things set ablaze in a backyard bonfire-for her trouble. Never going back. She doesn't need trouble...especially if trouble is tattoo artist Lane Garrett, who's six-feet-plus of tattooed hotness and a complete ass. Lane has spent the last decade fighting to support his family. To protect them. There's no room for romance, even with a fragile (yet amusingly feisty) stunner...even if she somehow manages to invade his world and his heart. But while some secrets are as visible as ink on the skin, others must remain hidden at all costs... Each book in the Written on my Heart series is a standalone story that can be enjoyed out of order. Series Order: Book #1 Written on my Heart Book #2 Seared on My Soul "In today's hypercompetitive world, kids often internalize the message that their worth is attached to their accomplishments and that messing up is something to be ashamed of, rather than a normal part of life, which can lead to critical self-talk. Listening with My Heart reminds us of the other golden rule--to treat ourselves like we would treat a friend. When we do this, we are practicing self-compassion."-- A brilliant and heartbreaking novel perfect for fans of Thirteen Reasons Why. Aysel and Roman are practically strangers, but they've been drawn into an unthinkable partnership. In a month's time, they plan to commit suicide - together. Aysel knows why she wants to die: being the daughter of a murderer doesn't equal normal, well-adjusted teenager. But she can't figure out why handsome, popular Roman wants to end it all....and why he's even more determined than she is. With the deadline getting closer, something starts to grow between Aysel and Roman - a feeling she never thought she would experience. It seems there might be something to live for, after all - but is Aysel in so deep she can't turn back? One of few books translated into English from Sesotho, In My Heart introduces a long-neglected voice to global readership. Elsewhere Texts, edited by Gayatri Chakraborty Spivak and Hosam Aboul-Ela, presents radical new engagements with non-European literary cultures. This volume, the latest in this ambitious series, is a brilliant collection of essays originally written in Sesotho by Sophonia Machabe Mofokeng. Often confined to the role of "native informants" in the nineteenth and twentieth centuries, writers working in African languages laid the foundation for the politics and poetics of decolonization and are legendary among their own communities of readers, though their work remains little known elsewhere. In My Heart belongs to this tradition of colonial renegades. Writing in the 1950s during the cataclysmic events of apartheid that were transforming life in South Africa, Mofokeng offers a series of meditations that provide his readers with a Sesotho worldview outside the categories authorized by colonial knowledge. In My Heart, expertly translated by Nhlanhla Maake, introduces a significant African thinker's influential work to a global readership. The world is filled with shapes. A bird, a car, the stars in the sky - what shapes can you see? Children will love spotting familiar shapes on every page. With a warm story and bright illustrations, this is the perfect book to share with any child. Fame and money rained down on Dess Hampton like a monsoon. She couldn't imagine needing more—until her golden voice was silenced. Now her quiet days are filled with her guitar and she savors every sunrise. Curious, and as a favor to a friend, she emerges to hear a rumored superstar in the making. Music pours out of Erika Alvarez through her voice

and her fingertips. She's awed that the reclusive Dess Hampton wants to hear her sing, and then blown away when Dess agrees to sit in for a few gigs. Dess can tell that Erika is destined for the life that she once had and wants no part of, ever again. But can the magic of the music they make together, and the growing love between them, trump Erika's ambition and Dess's fears? How much are they willing to sacrifice for it—and for each other? *Piece of My Heart* is Peter Robinson's outstanding sixteenth novel in the acclaimed Inspector Banks series. Richly textured with the music and conflicting mores of 1960s Britain, the story weaves between two eras as it explores just how dangerously things can go awry when one generation is estranged from the next, when fathers no longer understand their daughters. The novel opens in 1969. Yorkshire's first outdoor rock festival has just finished, and the psychedelic pastoral band the Mad Hatters and other top British groups have departed. Even the last of their fans has gone, leaving behind only a muddy field, littered with rubbish. Volunteers are cleaning up when one of them finds the body of a young woman inside a sleeping bag. Stanley Chadwick, the straitlaced detective called in to find her killer, could not have less in common with — or less regard for — the people he now has to question: young, disrespectful, long-haired hippies who smoke marijuana and live by the pulsing beats of rock and roll. And he has almost just as little in common with his own daughter, who lied to him about her whereabouts and slipped off to the festival. More than thirty-five years later, Inspector Alan Banks is investigating the murder of a freelance music journalist who was working on a feature about the Mad Hatters for Mojo magazine. This is not the first time that the Mad Hatters, now aging rock superstars, have been brushed by tragedy, and Banks has to delve into the past to find out exactly what hornet's nest the journalist inadvertently stirred up. This eagerly awaited novel showcases the many reasons why Peter Robinson is among the small elite of authors internationally whose mysteries are nothing less than works of art. Born in a big old Calcutta house on the same night, the wild, tragic night their fathers were both mysteriously lost, Sudha and Anju are cousins. Closer even than sisters, they share clothes, possessions, worries, dreams - and three mothers, who preside over the matriarchal Chatterjee household. But when Sudha discovers a terrible secret about their past, their mutual loyalty is sorely tested. A family crisis forces the mothers to start the serious business of arranging the girls' marriages, and the inseparable pair are torn apart. Sudha moves to her new family's home in rural Bengal, while Anju joins her immigrant husband in California. But nothing has prepared them for the pain, as well as the joy, that each will have to face in her new life. Rooted in Indian folklore and steeped in the mysticism of ancient tales, this bright, jewel-like novel shines its light on the bonds of family, on love and loss, against the realities of traditional arranged marriages, and the adjustments needed for modern life. A sweet story about love that is a wonderful gift for new parents and babies to share. A precious love poem written from parent to child, *Always in My Heart* is a sweetly illustrated board book that will melt hearts. Parents will enjoy sharing these reminders of the special moments they share throughout the day with their little ones. *Always in My Heart* includes space on the inside cover to write a personal message in this keepsake book that is a gift to be treasured.
