Army Life Apr 20 2020 In 1884, when Albert O. Marshall published
Army Life, a memoir of his service as a private in the Thirty-Third
Illinois Regiment, twenty years had passed since his 1864 discharge.
Marshall left the journal untouched at publication, and today it is a
journal that is rare in what it is not. This memoir is not a complete
story of the Thirty-Third (known as the "Normal Regiment" because
many of its soldiers were from Illinois State Normal University), nor is
it a complete roster of regiment members, nor a list of killed and
wounded. *Army Life* is not, even, a purely military account written
from an officer's point of view. It is the story of a twenty-year-old
private whose engaging writing belies his age but also allows his
youth to shine through. Marshall tells of the battles he fought and the
games he played, of his friends, fellow soldiers, and officers, and of

the regiment's activities in Missouri and Arkansas, at Vicksburg, and in Louisiana and on the Texas Gulf Coast. Enhanced with careful editing and thorough annotations, this journal Marshall carried faithfully to every mustering out is a rich and important Civil War memoir.

*Treasure Island + The Mysterious Island Jul 16 2022 Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of "buccaneers and buried gold". First published as a book on May 23, 1883, it was originally serialized in the children's magazine *Young Folks* between 1881-82 under the title *Treasure Island or, the mutiny of the Hispaniola* with Stevenson adopting the pseudonym Captain George North. Traditionally considered a coming-of-age story, *Treasure Island* is an adventure tale known for its atmosphere, characters and action, and also as a wry commentary on the ambiguity of morality — as seen in *Long John Silver* — unusual for children's literature now and then. It is one of the most frequently dramatized of all novels. The influence of *Treasure Island* on popular perceptions of pirates is enormous, including treasure maps marked with an "X", schooners, the Black Spot, tropical islands, and one-legged seamen carrying parrots on their shoulders. *The Mysterious Island* (French: *L'Île mystérieuse*) is a novel by Jules Verne, published in 1874. The novel is a crossover sequel to Verne's famous *Twenty Thousand Leagues Under the Sea* and *In Search of the Castaways*, though thematically it is vastly different from those books. An early draft of the novel, initially rejected by Verne's publisher and wholly reconceived before publication, was titled *Shipwrecked Family: Marooned With Uncle Robinson*, seen as indicating the influence on the novel of *Robinson Crusoe* and *The Swiss Family Robinson*." The book tells the adventures of five American prisoners of war on an uncharted island in the South Pacific.*

Amazon Island Nov 20 2022 Amazon Island is a city governed by Women. Founded on a remote island, and inspired by the female supremacist society of the planet Hera, the city becomes the first place on Earth where female supremacy is practised in any scale. This volume of 'The Ladies of Hera' follows Blake, a man whose life changes dramatically when his wife catches him having an affair. His wife's retribution leads to Blake being sent to Amazon Island, where he has to adapt to an existence as a slave. Can Blake find a way to regain his freedom? This volume is the first half of a two-part story. For mature readers only. This is a Femdom themed book containing descriptions of males being brutally whipped and caned, subjected to bondage and humiliation, and reduced to slavery in a world of absolute female dominance.

Survivors of Z Island Nov 15 2019 Following the aftermath of war with Jason and his men, the community is still dealing with the loss of many of their people. However, when good news surfaces, Jess and the group travels out for one more quest to finally put the zombies to rest, but in this final chapter of the Z Island series, lives will be lost

and the group will be faced with their greatest challenge yet.

The Mysterious Island Dec 21 2022 'The Mysterious Island' - one of the most famous in the world literature novels written by the famous French writer Jules Verne. Five Americans appear on a desert island in the Southern Hemisphere but they are not going to despair. Eventually it appears that their skills are all they need there to survive. But suddenly life throws a riddle to them...

LEGO Ninjago: Dark Island Trilogy Part 1 Feb 28 2021 After the events of Skybound, a new darkness threatens the Ninjago universe. Fishermen vanish from the seas, a violent storm brews off the edge of Dark Island, and Master Wu senses a growing imbalance between good and evil. When Misako and Ronin disappear, they leave behind one clue-a warning to stay away. As Master Wu and the ninja journey to Dark Island, they'll be faced with new and old threats alike. Will their Spinjitzu and mastery over the elements be enough to stop the end of the world? Includes an exclusive EPISODE GUIDE and WU'S JOURNAL-the Master's secret thoughts on the ninja, their enemies, and more. Join your favorite heroes here as they go up against a threat that could destroy the Ninjago world as we know it! This brand new adventure is the first part in an epic trilogy and takes place after the events of the 6th Ninjago TV Season: Skybound. This middle grade graphic novel is not to be missed! A History of the Literature of the U.S. South: Volume 1 May 14 2022 A History of the Literature of the U.S. South provides scholars with a dynamic and heterogeneous examination of southern writing from

John Smith to Natasha Trethewey. Eschewing a master narrative limited to predictable authors and titles, the anthology adopts a variegated approach that emphasizes the cultural and political tensions crucial to the making of this regional literature. Certain chapters focus on major white writers (e.g., Thomas Jefferson, William Faulkner, the Agrarians, Cormac McCarthy), but a substantial portion of the work foregrounds the achievements of African American writers like Frederick Douglass, Zora Neale Hurston, and Sarah Wright to address the multiracial and transnational dimensions of this literary formation. Theoretically informed and historically aware, the volume's contributors collectively demonstrate how southern literature constitutes an aesthetic, cultural and political field that richly repays examination from a variety of critical perspectives.

The Prince William Sound, Alaska, Earthquake of 1964 and Aftershocks: Operational phases of the Coast and Geodetic Survey program in Alaska for the period March 27 to December 31, 1964, including an account of seismicity and brief history of the Coast and Geodetic Survey in this area Oct 07 2021

Islands of Truth Mar 20 2020 In Islands of Truth, Daniel Clayton examines a series of encounters with the Native peoples and territory of Vancouver Island in the late eighteenth and early nineteenth centuries. Although he focuses on a particular region and period, Clayton also meditates on how representations of land and people, and studies of the past, serve and shape specific interests, and how the dawn of Native-Western contact in this part of the world might be studied 200 years later, in the light of ongoing struggles between Natives and non-Natives over land and cultural status. Between the 1770s and 1850s, the Native people of Vancouver Island were engaged by three sets of forces that were of general importance in the history of Western overseas expansion: the West's scientific exploration of the world in the Age of Enlightenment; capitalist practices of exchange; and the geopolitics of nation-state rivalry. Islands of Truth discusses these developments, the

geographies they worked through, and the stories about land, identity, and empire stemming from this period that have shaped understanding of British Columbia's past and present. Clayton questions premises underlying much of present B.C. historical writing, arguing that international literature offers more fruitful ways of framing local historical experiences. Islands of Truth is a timely, provocative, and vital contribution to post-colonial studies.
