Political Mercenaries Jun 26 2020 When Bill Clinton defeated George H.W. Bush in 1992, their campaigns spent a total of \$192 million—combined! In 2012, Barack Obama and Mitt Romney spent over \$7 billion, including outside funding from superPACs—nearly 37 times more than just 20 years

earlier. All that money didn't appear out of thin air. In *Political Mercenaries*, Lindsay Mark Lewis tells the outrageous tale of the fledgling days of fundraising and how he raised over \$200 million for the Democratic Party, its candidates, and its causes over a fifteen-year career. Sure to raise the eyebrows of everyone from ordinary citizens to Citizens United, he pulls back the veil of secrecy that has shrouded the relationships between politicians and their financial backers in this thought-provoking and laugh-out-loud insider account. The outrageous Lewis starts off as a wide-eyed 22-year-old who thinks raising political money is a means to an end—helping Democrats win. Lewis' tactics aren't for the faint of heart. Along the way, he launders \$40,000 from an (allegedly) murdered casino mogul, smuggles marijuana, and passes an Elvis impersonator off as Bill Clinton! But he becomes increasingly conflicted as he continues to sell access to politicians in exchange for ever-larger checks and a loss of control over the party's priorities. Lewis eventually rises to his party's top fundraising post at the Democratic National Committee, and attempts to redeem himself by waging an ultimately losing battle against the party's elite billionaire donors, who force him out. Contrary to conventional wisdom, Lewis and co-author Jim Arkedis conclude that the real damage isn't the raw amount of money spent on elections, but rather the amount of time politicians spend raising it. It's time they should spend governing. And Lewis lays much of that blame at the feet of the Democratic Party, who sold out—not to corporate or lobbying interests, but to a very few liberal wealthy elites.

The Mercenary Aug 09 2021 From the New York Times bestselling author of *Viper Pilot* and USAF F-16 legend Dan Hampton, *The Mercenary* follows the rogue American gun-for-hire known only as the Sandman. A former military officer haunted by a personal tragedy in his past, the Sandman embarks on a quest for revenge that pits him against friend and country and leads him straight to the heart of the American military establishment.

The Mercenary Dec 25 2022 From acclaimed spy novelist Paul Vidich comes a taut new thriller following the attempted exfiltration of a KGB officer from the ever-changing-and always dangerous-USSR in the mid-1980s. Moscow, 1985. The Soviet Union and its communist regime are in the last stages of decline, but remain opaque to the rest of the world-and still very dangerous. In this ever-shifting landscape, a senior KGB officer-code name GAMBIT-has approached the CIA Moscow Station chief with top secret military weapons intelligence and asked to be exfiltrated. GAMBIT demands that his handler be a former CIA officer, Alex Garin, a former KGB officer who defected to the American side. The CIA had never successfully exfiltrated a KGB officer from Moscow, and the top brass do not trust Garin. But they have no other options: GAMBIT's secrets could be the deciding factor in the Cold War. Garin is able to gain the trust of GAMBIT, but remains an enigma. Is he a mercenary acting in self-interest or are there deeper secrets from his past that would explain where his loyalties truly lie? As the date nears for GAMBIT's exfiltration, and with the walls closing in on both of them, Garin begins a relationship with a Russian agent and sets into motion a plan that could compromise everything. Praise for Paul Vidich 'Vidich perfectly captures the era's paranoid mood' - The Times 'A terse and convincing thriller... This stand-alone work reaches a new level of moral complexity and brings into stark relief the often contradictory nature of spycraft' - Wall Street Journal 'In the manner of Charles Cumming and recent le Carré, Vidich pits spies on the same side against one another in a kind of internal cold war' - Booklist

The Kingdom of Liars Apr 17 2022 In this brilliant debut fantasy, a story of secrets, rebellion, and murder are shattering the Hollows, where magic costs memory to use, and only the son of the kingdom's despised traitor holds the truth. Michael is branded a traitor as a child because of the murder of the king's nine-year-old son, by his father David Kingman. Ten years later on Michael lives

a hardscrabble life, with his sister Gwen, performing crimes with his friends against minor royals in a weak attempt at striking back at the world that rejects him and his family. In a world where memory is the coin that pays for magic, Michael knows something is there in the hot white emptiness of his mind. So when the opportunity arrives to get folded back into court, via the most politically dangerous member of the kingdom's royal council, Michael takes it, desperate to find a way back to his past. He discovers a royal family that is spiraling into a self-serving dictatorship as gun-wielding rebels clash against magically trained militia. What the truth holds is a set of shocking revelations that will completely change the Hollows, if Michael and his friends and family can survive long enough to see it.

Four Ball, One Tracer Sep 29 2020 "Brutally honest and devoid of hyperbole, this is Roelf van Heerden's Executive Outcomes. Unapologetic, unassuming and forthright, the combat exploits of Executive Outcomes (EO) in Angola and Sierra Leone are recounted for the first time by a battlefield commander who was physically on the ground during all their major combat operations. From fighting UNITA for the critical oil installations and diamond fields of Angola to the offensive against the RUF in Sierra Leone to capture the Kono diamond fields and the palace coup which ousted Captain Valentine Strasser, van Heerden was at the forefront. He tells of the tragedy of child soldiers, illegal diamond mining and the curse of government soldiers who turn on their own people; he tells of RUF atrocities, the harrowing attempt to rescue a downed EO pilot and the poignant efforts to recover the remains of EO soldiers killed in action. Coupled with van Heerden's gripping expose', hitherto unpublished photographs, order of battle charts and battle maps offer unprecedented access to the major actions as they took place on the ground during the heydays of EO."--Publisher's website.

Manual Of The Mercenary Soldier Dec 13 2021 Whether you're a retired soldier, a seeker of adventure, or simply one who wants to gain insight into today's soldier of fortune, this manual covers everything you need to know: clients and accounts, how to assume the "chameleon mode," money and survival, psywar ops, shock warfare and classic SOF cities. Seasoned professional mercenary Paul Balor reveals the experiences, tricks of the trade and hard-learned lessons that have kept him alive for more than four decades.

Best Laid Plans Feb 21 2020 THE PLAN: * Smuggle diamonds from Liberia to Morocco * Make the trip in three days * Don't get caught * Don't kill each other * Don't have sex with each other * Don't fall for each other * STICK TO THE PLAN This is the story of what happens when an unlikely bond is formed between enemies, causing tensions to rise, and igniting a chemistry that threatens to burn them both. Together, they'll learn that sometimes even the best laid plans can fail.

Greek Mercenary Soldiers, from the Earliest Times to the Battle of Ipsus Oct 31 2020

Polybius and His World Feb 03 2021 Polybius and his World honours F. W. Walbank's achievement by bringing together a number of leading scholars in the fields of Hellenistic historiography and history.

Mercenary Mum Nov 12 2021 How does a supermarket cashier and single Mum become a fearless Baghdad bodyguard in the battlefields of Iraq? This is the true story of Neryl Joyce, a young Australian woman, struggling to pay the bills, who signed up to be a soldier. After a stint with the Australian Army's elite Close Personal Protection Unit, Neryl joined a private security firm inside Baghdad's heavily guarded Green Zone. Here, she defended high-risk foreign targets from opportunistic assassination inside Iraq. As a female bodyguard in the Middle East, Neryl had to be as good as—or even better than—any of her fellow soldiers. With courage and heart, she navigated

sexual discrimination and abuse, operations on the world's most dangerous road, and the unrelenting brutality of a man's world. But the longer she stayed, the more convinced she became that disaster was imminent. Somehow, Neryl survived to return home to her son and tell this heart-stopping and inspirational story.

My Friend the Mercenary Export Jan 26 2023 In a fly-blown bar in West Africa, war reporter James Brabazon found himself discussing military plans to overthrow the government of Equatorial Guinea with one of Africa's most notorious mercenaries - his friend Nick du Toit. The Byzantine plot, its farcical execution and its tragic consequences led to Simon Mann and a host of celebrated guns-for-hire falling victim to their own avaricious plans. In a twist of fate, James Brabazon remained free. His mercenary friend wasn't as lucky. Nick du Toit was supposed to serve thirty-four years in Black Beach Prison, Africa's most notorious jail - a sentence which James could have been serving alongside him. *My Friend The Mercenary* recounts James's courageous journey into the Liberian war, and tell the inside story of the most infamous coup attempt in recent history. Through this gripping narrative, James Brabazon explodes the myth of the modern mercenary; and paints a moving portrait of an extraordinary friendship.

The Everything Store: Jeff Bezos and the Age of Amazon Oct 19 2019 ****Winner of the Financial Times and Goldman Sachs Business Book of the Year Award**** 'Brad Stone's definitive book on Amazon and Bezos' *The Guardian* 'A masterclass in deeply researched investigative financial journalism . . . riveting' *The Times* The definitive story of the largest and most influential company in the world and the man whose drive and determination changed business forever. Though Amazon.com started off delivering books through the mail, its visionary founder, Jeff Bezos, was never content with being just a bookseller. He wanted Amazon to become 'the everything store',

offering limitless selection and seductive convenience at disruptively low prices. To achieve that end, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now... Jeff Bezos stands out for his relentless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way that Henry Ford revolutionised manufacturing. Amazon placed one of the first and largest bets on the Internet. Nothing would ever be the same again.

Kings of the Wyld Nov 19 2019 'A fantastic read, a rollicking, page-turning, edge-of-your-seat road-trip of a book' - John Gwynne Clay Cooper and his band were once the best of the best - the meanest, dirtiest, most feared and admired crew of mercenaries this side of the Heartwyld. But their glory days are long past; the mercs have grown apart and grown old, fat, drunk - or a combination of the three. Then a former bandmate turns up at Clay's door with a plea for help: his daughter Rose is trapped in a city besieged by an enemy horde one hundred thousand strong and hungry for blood. Rescuing Rose is the kind of impossible mission that only the very brave or the very stupid would sign up for. It's time to get the band back together for one last tour across the Wyld. ***WINNER OF THE 2018 GEMMELL AWARD FOR BEST DEBUT*** ***WINNER OF FANTASY FACTION'S BEST FANTASY BOOK OF 2017 AWARD*** ***WINNER OF REDDIT FANTASY'S BEST DEBUT NOVEL OF 2017 AWARD*** LOOK OUT FOR BLOODY ROSE, THE SECOND BOOK IN THE BAND SERIES

Cry Havoc Nov 24 2022 On 7th March 2004, former SAS soldier and mercenary Simon Mann prepared to take off from Harare International Airport with an aeroplane full of heavy weaponry and guns for hire. Their destination: the former Spanish colony of Equatorial Guinea. Their mission: to remove one of the most brutal dictators in Africa in a privately organised coup d'etat. The plot had the tacit approval of Western intelligence agencies and, according to Mann, the backing of a

European government. Simon Mann had personally planned, overseen and won two wars in Angola and Sierra Leone. Everything should have gone right. Why, then, did it go so wrong? When Simon was released from five years' incarceration in two of Africa's toughest prisons, he made worldwide headlines. Since then, he has spoken to nobody about his experiences. Now, he is telling everything, including: * His belief that the CIA deliberately compromised the coup to court favour with Equatorial Guinea's President Obiang, in return for access to the country's vast oil resources. * How the British government approached Simon in the months preceding the Iraq war, asking him to suggest ways in which a justified invasion of Iraq could be engineered. * The real story behind the involvement of Mark Thatcher in the coup plot * Simon will also tell of his pain when he had to tell his wife, Amanda, who gave birth to their fourth child while he was incarcerated, that he believed he would never be freed. This is Simon's remarkable first-hand account of his life: an account that will read like a thriller as it takes us into the world of mercenaries and spooks: of murky international politics, big oil and big bucks; of action, danger, love, despair and betrayal.

The Mercenary Jun 07 2021 In a future universe in which prisoner colonists are shipped to strange worlds for a corrupt alliance of Earth nations, John Christian Falkenberg gives up a brilliant military career and makes a monumental sacrifice

Mercenaries Feb 15 2022 Second volume of Deutscher prize-winning trilogy on the future of IR, tracing the defining characteristics of 'foreign encounters' over time.

The Two-Faced Queen Apr 05 2021 Michael Kingman thought he was going to die by the executioner's axe, forever labelled as a traitor. Still alive, and under the protection of the Orbis Mercenary company, Michael and his family and friends are deeply involved in the seemingly rival conspiracies that are tearing The Hollows apart. With the death of the King, both the Corrupt Prince

and his sister Serena are vying for the throne, while the Rebel Emperor is spreading lies amongst the people, and all of them want Michael dead. This is a story of betrayal, murder, and rebellion, and in this direct sequel to the debut novel *The Kingdom of Liars*, also some hope for justice. For readers who love the intrigue and widening scope of epic fantasy like Sanderson's *Mistborn* and *Week's The Black Prism*, this is your next must-read fantasy series. Praise for *The Kingdom of Liars*: 'An excellent fantasy debut, with engaging worldbuilding and a good mix between action and character. I thoroughly enjoyed the novel, and look forward to following Nick's sure-to-be lengthy writing career' - Brandon Sanderson, #1 New York Times best-selling author of *The Stormlight Archive* series 'A symphony of loyalty, greed, family, and betrayal set in an innovative culture!' - Tamora Pierce, #1 New York Times bestselling author of *Tempests* and *Slaughter* 'With a smartly plotted story, great world-building, flawed but fascinating characters and plenty of mystery, *The Kingdom of Liars* is a terrific debut' - James Islington, author of *The Shadow of What Was Lost* 'A richly rewarding fantasy that seethes with mysteries, fused with a mindscrew of a magic system. This, dear readers, is the good stuff' - Jeremy Szal, author of *Stormblood* 'Nick Martell's debut *The Kingdom of Liars* lives up to its name, with so many truths and lies interwoven that nothing is as it seems and surprises lurk across every turn of the page. Michael's tale is nothing, if not thrilling' - Ryan Van Loan, author of *The Sin in the Steel* "This smart, briskly told high fantasy entertains all the way until the unexpected end' - Publishers Weekly

Swords for Hire Oct 11 2021 In 1612, George Sinclair, an illegitimate son of a Caithness laird, became a Norwegian national hero. Along with almost 300 of his followers, Sinclair was killed in an ambush in Norway while marching to join the king of Sweden's army. Sinclair has legendary status in Norway but has been almost totally forgotten at home, just as the memory of thousands of other

Scots who served as mercenaries in the armies of Europe in the 16th and 17th centuries has faded into obscurity. In this book, James Miller tells how a considerable proportion of the able-bodied male population of Scotland at one time sought service on behalf of almost every dynasty and monarch on the continent. Some were fleeing from justice, others went to seek fame and fortune - and found it.

War Dog: Fighting Other People's Wars: The Modern Mercenary in Combat Sep 22 2022

The Wild Geese Mar 24 2020

Congo Mercenary Jul 08 2021 In July 1964, after four years of uneasy independence, the Democratic Republic of the Congo was engulfed by an armed rebellion that spread throughout the country like a bush fire. The rebel soldiers struck terror into the hearts of civilians and National Army soldiers alike. Faced with this situation, the Congolese government hired legendary mercenary leader Mike Hoare to quell the uprising and bring order to the country. In *Congo Mercenary*, Mike Hoare tells the true story of his resolute band of mercenaries during the Congo war. In fascinating detail, Hoare describes how the mercenaries were recruited and trained, and then recounts their adventures through four combat campaigns over an 18-month period during which they liberated Stanleyville, fought rebels in the hinterland, freed hundreds of European hostages and restored law and order to the Congo. Originally published in 1967, and now including a new foreword by Mike Hoare, *Congo Mercenary* is a well-written and historically important account of one of the most brutal rebellions in Africa, as well as an accurate and gritty depiction of the mercenary life.

Deal with the Devil May 06 2021 *Deal with the Devil* is Orphan Black meets the post-apocalyptic Avengers by USA Today and New York Times bestselling author duo Kit Rocha. Nina is an information broker with a mission—she and her team of mercenary librarians use their knowledge to save the hopeless in a crumbling America. Knox is the bitter, battle-weary captain of the Silver

Devils. His squad of supersoldiers went AWOL to avoid slaughtering innocents, and now he's fighting to survive. They're on a deadly collision course, and the passion that flares between them only makes it more dangerous. They could burn down the world, destroying each other in the process... Or they could do the impossible: team up. This is the first book in a near-future science fiction series with elements of romance. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Seventy Maxims of Maximally Effective Mercenaries Jan 22 2020

The Last Mercenary Mar 16 2022 Micah Steele is forced to pick up his gun once again when Callie Kirby, a woman from his past, is kidnapped by his sworn enemy, and Lily Germaine helps Noah Laramie get his life back on track after he loses an arm in Afghanistan.

Gunship Ace Jul 20 2022 "Spotlights the career of a fascinating modern warrior, while also shedding light on some of the conflicts that have raged throughout the world" (Tucson Citizen). A former South African Air Force pilot who saw action throughout the region from the 1970s on, Neall Ellis is the best-known mercenary combat aviator alive. Apart from flying Alouette helicopter gunships in Angola, he fought in the Balkan war for the Islamic forces, tried to resuscitate Mobutu's ailing air force during his final days ruling the Congo, flew Mi-8s for Executive Outcomes, and piloted an Mi-8 fondly dubbed "Bokkie" for Colonel Tim Spicer in Sierra Leone. Finally, with a pair of aging Mi-24 Hinds, Ellis ran the Air Wing out of Aberdeen Barracks in the war against Sankoh's vicious RUF rebels. As a "civilian contractor," Ellis has also flown helicopter support missions in Afghanistan, where, he reckons, he had more close shaves than in his entire previous four decades. From single-handedly turning the enemy back from the gates of Freetown to helping rescue eleven British soldiers who'd been taken hostage, Ellis's many missions earned him a price on his head, with

reports of a million-dollar dead-or-alive reward. This book describes the full career of this storied aerial warrior, from the bush and jungles of Africa to the forests of the Balkans and the merciless mountains of Afghanistan. Along the way the reader encounters a multiethnic array of enemies ranging from ideological to cold-blooded to pure evil, as well as examples of incredible heroism for hire.

Mercenaries and War May 26 2020 Mercenaries are more powerful than experts realize, a grave oversight. Those who assume they are cheap imitations of national armed forces invite disaster because for-profit warriors are a wholly different genus and species of fighter. Private military companies such as the Wagner Group are more like heavily armed multinational corporations than the Marine Corps. Their employees are recruited from different countries, and profitability is everything. Patriotism is unimportant, and sometimes a liability. Unsurprisingly, mercenaries do not fight conventionally, and traditional war strategies used against them may backfire.

Arkhangel Jul 28 2020 The brutally authentic, tense and terrifying thriller from bestselling author and frontline journalist James Brabazon 'Totally James Bond' THE TIMES 'Escape into a world of black ops, spies and assassins. A James Bond for the 21st century' EXPRESS _____ Officially, Max McLean doesn't exist. An off-the-books assassin for the British government, he operates alone. But when a routine hit goes badly wrong, a cryptic note on a \$100 bill prised from his target's dead fingers suggests there's more to the mission than meets the eye. Is someone from Max's former life trying to send him a message? From Paris to Jerusalem and on to the frozen wastes of north-west Russia, Max is forced into a desperate race for the truth - with unknown enemies determined to stop him at any cost. And when the secret coded into the banknote is finally revealed, only one thing is certain: With the fate of the world in his possession, failure is not an option . . . _____ A razor-sharp

action thriller with the raw inventiveness of *I Am Pilgrim* and the breathless pace of movies like *John Wick* and *James Bond*, Arkhangel sees James Brabazon stake his claim alongside Lee Child, David Baldacci and Gregg Hurwitz as a master of the genre. Praise for James Brabazon 'Don't plan on sleeping' Lee Child 'A full-throttle exercise in tension' CRIMETIME 'A thriller of an unusually classy calibre' Financial Times 'Outstanding . . . I couldn't put this book down' Andy McNab

The Modern Mercenary Aug 21 2022 In *The Modern Mercenary*, Sean McFate lays bare this opaque world, explaining the economic structure of the industry and showing in detail how firms operate on the ground. A former U.S. Army paratrooper and private military contractor, McFate provides an unparalleled perspective into the nuts and bolts of the industry, as well as a sobering prognosis for the future of war. While at present, the U.S. government and U.S. firms dominate the market, private military companies are emerging from other countries, and warlords and militias have restyled themselves as private security companies in places like Afghanistan and Somalia. To understand how the proliferation of private forces may influence international relations, McFate looks back to the European Middle Ages, when mercenaries were common and contract warfare the norm. He concludes that international relations in the twenty-first century may have more in common with the twelfth century than the twentieth. This "back to the future" situation, which he calls "neomedievalism," is not necessarily a negative condition, but it will produce a global system that contains rather than solves problems.

The Mercenary's Marriage May 18 2022 Trained as a mercenary soldier, Darius was a man of decisive action. He was also a man of compassion. Seeing a young slave woman about to become the spoils of war, he claimed her for his own. Marrying her before God and king, he made her a free and respectable soldier's wife. Brice was born a slave. Abused and beaten, she learned quickly to avoid

being noticed and to stay away from men. When her master's walls fell to enemy forces, she ran, but not fast enough. In Darius' offer she found deliverance, but experience had taught her to fear power such as his. Could she trust in his protection, or had she traded one form of slavery for another?

Mercenary Aug 29 2020 Lee Christmas gets drunk and falls asleep at the throttle of his locomotive, plowing straight into an oncoming train. Blacklisted from the railroad and his marriage in tatters, he flees New Orleans on a steamer bound for the tropics. In Honduras, he begins a quiet new life. But trouble has a way of finding Christmas. With unrest sweeping the countryside, he's kidnapped by bandits. Soon, he finds himself taking sides in an all-out civil war—as leader of the rebellion.

MERCENARY is the story of the USA's most famous soldier of fortune: the hard-drinking drifter who changed the fate of a nation. Praise for MERCENARY: "Highly recommended to readers of adventure fiction and history, as well as anyone interested in American adventurism and meddling in Latin America." - Michael Wallace, Wall Street Journal and USA Today bestselling author. "Lee Christmas led a roaring life on and off the battlefield. Gaughran's great, fast-paced read keeps you right alongside all his exploits." - Richard Sutton, author of The Red Gate. Keywords: Historical fiction | Literary fiction | Biographical fiction | Adventure novel | Central America | Latin America | Honduras | New Orleans | Lee Christmas | History

Keenie Meenie Jan 02 2021 An explosive account of a secret group of mercenaries based on newly declassified documents.

Matched to the Mercenary Oct 23 2022 She's going to be mine. She's my friend's little sister. She should be off-limits. But I never was one to follow the rules. I was sent to protect her, but one look at her and I want more. She's smart, beautiful and curvy, and she consumes my every thought. But I'm a mercenary. I have enemies all over the world, and I travel more than I'm home. I have plans to

make. Plans that include loving Jenna but also keeping my crew safe. I just need time to put them in place. But when I find out that MY woman has signed up with Seeking Curves, an exclusive matchmaking company that guarantees a match, I'm no longer playing. Nothing else matters... Jenna means everything to me. I just hope she's ready because she's about to be matched to a mercenary. Get Matched in September. This fall, four bestselling authors have come together to bring you a new series all about finding that perfect alpha and his curvy heroine. Whether you love over-the-top mercenaries, dark and brooding mafia men, gorgeous movie stars, or rugged mountain men, Seeking Curves brings the heat between every page with a guaranteed happily ever after. Sign up with Seeking Curves-and get matched to your next book boyfriend.

Dance with the Devil Dec 21 2019 USA Today and New York Times bestselling author Kit Rocha return to their explosive post-apocalyptic action/romance series, The Mercenary Librarians, with the next thrilling installment, Dance with the Devil. POWER IS NEVER GIVEN, ONLY TAKEN Tobias Richter, the fearsome VP of Security of the TechCorps is dead. The puppetmaster is gone and the organization is scrambling to maintain control by ruthlessly limiting Atlanta's access to resources, hoping to quell rebellion. Our band of mercenary librarians have decided that the time for revolution has come. Maya uses her wealth of secrets to weaken the TechCorps from within. Dani strikes from the shadows, picking off the chain of command one ambush at a time. And Nina is organizing their community—not just to survive, but to fight back. When Maya needs to make contact with a sympathetic insider, Dani and Rafe are the only ones with the skill-set and experience to infiltrate the highest levels of the TechCorps. They'll go deep undercover in the decadent, luxury-soaked penthouses on the Hill. Bringing Dani face-to-face with the man who turned her into a killer. And forcing Rafe to decide how far he'll go to protect both of his families—the one he was born to, and

the one he made for himself. Victory will break the back of Power. Failure will destroy Atlanta. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Mercenary Jun 19 2022 Victoria Jones was a lousy liar. Not that the sensible bookkeeper was accustomed to lying—or anything else that would have disrupted her safe, dull existence. But her world took a terrifying turn when her twin brother, Alex, an agent for T-FLAC, the elite antiterrorist task force, went missing. Now she'll do anything to find him...lie, cheat, even subject herself to the predatory advances of Alex's T-FLAC partner, Marc Savin, if it will help get her brother home safe. But trusting the sexy, brooding operative might just be the risk of a lifetime.

Mercenary Princess Jan 14 2022 A crown princess living a dangerous double life and a sinfully sexy Russian billionaire with a ruthless penchant for collecting secrets: a match set for disaster. For years, one man has ruled Sophia's fantasies. The harmless obsession keeps her warm on the nights her double life starts to take its toll. She, unfortunately, gains his attention at the worst possible moment, when she's in the middle of a dangerous job. Now, she'll be forced to protect her heart along with her life of lies. Viktor has been tempted by the innocent princess's lust-filled glances for far too long, and he has fought hard to resist her beauty. When her secrets finally draw him in, getting through her royal guard proves a minor inconvenience. But one sexually charged night isn't enough. He wants more, including whatever she's hiding beneath that demure façade. As much as Sophia wants Viktor, she can never fully allow him in because her secrets aren't her own. Viktor is determined to have all of his princess. Will they find a way to be together, or will her dangerous secrets tear them apart?

The Gateway: The Midnight Mercenary Mar 04 2021 It's a dark and stormy night at the Gateway

Hotel. And of course, the latest intergalactic visitor is the most terrifying yet. But who is he, and what does he want? With their families and the hotel in grave danger, it's up to Amelia and Charlie to save the day ...

The Voyage of the Forgotten Sep 10 2021 In this twistingly beautiful and epically thrilling conclusion to the fantasy trilogy *The Legacy of the Mercenary King*, Michael, the infamous Kingkiller, and Serena, the Hollow Queen, race against the odds to have the future they've worked so hard to protect...or risk bringing about the end of the world. Michael Kingman has discovered his destiny, but the distance to what he wants, namely a life with Serena, the queen of Hollow kingdom, is as wide as the world, and just as cruel. Meanwhile, Dark, the realm's most fearsome mercenary, Michael's sometime mentor, and son of his nemesis, Angelo, is trying to keep Michael in line, for his own purposes as he too has a hidden agenda. Michael comes to realize that he is outclassed by powers that have been working for centuries to bring about a fresh end to the world filled with those he loves. But when has merely being overpowered ever stopped Michael from getting what he wants? To prevent what may bring about the end times Michael must gather his remaining allies and push himself to achieve the impossible because the alternative is worse than he can imagine: it's not just the beginning of the end of the world, it's being alone and forgotten. In this epic conclusion, *The Voyage of the Forgotten* brilliantly wraps up the stories fans have fallen in love with as the characters struggle against odds that seem impossible to overcome.

The Break Line Apr 24 2020 'War correspondent James Brabazon brings his experience of the world's most dangerous places to this brutally compelling thriller . . .' Mail on Sunday _____
Officially Max McLean doesn't exist. The British government denies all knowledge of the work he does on their behalf to keep us safe. But Max and his masters are losing faith in each other. And they

give him one last chance to prove he's still their man. Sent to a military research facility to meet a former comrade-in-arms, Max finds the bravest man he ever knew locked up for his own protection. His friend lost his mind during an operation in West Africa. The reason? Absolute mortal terror. Max is determined to find out why. Ahead lies a perilous, breath taking mission into the unknown that will call into question everything that Max once believed in. Acting alone, without back-up, Max lands in Sierra Leone with his friend's last words ringing in his ears: 'They're coming, Max. They're coming . . .'

_____ The Break Line is a thriller dripping with authenticity, menace and first-hand knowledge of the frontline. Smart, unputdownable and packed with irresistible set pieces and jaw-dropping plot twists, this is a thriller like no other. _____ 'The Break Line plunges you into the most extraordinary and exciting world of covert operations . . . with a terrifyingly precise eye and an irresistible prose style, he creates a world that is almost impossible to leave. I'm still waiting for the choppers to come and take me home' Sebastian Junger 'A taut, razor-edged thriller, packed with granular detail and authenticity' James Swallow, bestselling author of Nomad 'It is insanely immersive, brilliantly blurring the lines between fiction and reality. I couldn't put it down' Tom Marcus, bestselling author of Soldier Spy 'The Breakline is a distillation of a quarter of a century of travel with a camera in one hand and a notebook in the other' Mail on Sunday

A Debt of Honour Dec 01 2020 Archie, a seasoned mercenary, owed much to his pal. In their earlier days of service together in the British Army, they had agreed to care for each other should the need arise and to be proxy fathers for their children should they die. How do you say no to someone who is holding your hand with desperate strength and asking for your help? Archie has to make a choice between two equally unwelcome options. Should he take up arms and attempt to recover his comrade's dues, or should he reject the idea of operating in the role of debt collector with little or no

formal support? His professional mind screamed that he should not be daft enough to attempt it-to venture once again into the heart of darkness, the corrupt and violent world of Africa. His friendship for this man who had shared most of his life said that he should give it a try.

My Friend the Mercenary Feb 27 2023 In February 2002, British journalist James Brabazon set out to travel with guerrilla forces into Liberia to show the world what was happening in that war-torn country. To protect him, he hired Nick du Toit, a former South African Defence Force soldier who had fought in conflicts across Africa for over three decades. What follows is an incredible behind-the-scenes account of the Liberian rebels — known as the LURD — as they attempt to seize control of the country from government troops led by President Charles Taylor. In this gripping narrative, James Brabazon paints a brilliant portrait of the chaos that tore West Africa apart: nations run by warlords and kleptocrats, rebels fighting to displace them, ordinary people caught in the crossfire — and everywhere adventurers and mercenaries operating in war's dark shadows. It is a brutally honest book about what it takes to be a journalist, survivor, and friend in this morally corrosive crucible.
