Passions ignite in these all-new stories from four bestselling masters of contemporary romance... In Jaci Burton's "Hope Smolders," struggling divorcee Jane has put her personal life on hold to raise her kids—until she runs into Will, her ex's former best friend, who convinces her it's time to start having fun again. Carly Phillips takes you back to the town of Serendipity, where overworked Alexa has an instant connection with a sinfully sexy football star on the dance floor. A one-night stand evolves into multiple nights when Luke decides to teach the good doctor about his own brand of fun. But when it's time for him to leave town, will these "Perfect Strangers" be able to say goodbye for good? In Jessica Clare's "Legend of Jane," an intrepid Bloggess catches the eye of local law enforcement when she gets caught trespassing. Luckily, Luanne wouldn't mind getting handcuffed by Officer Hotness... Single girl Chelsea is tired of feeling like the fifth wheel on her weekend jaunt to Lake Placid, until she gets stuck out in the cold and finds a muscular knight in shining armor to warm her up—in Erin McCarthy's "Ice Princess." When your enemy becomes your boss, tensions are bound to boil over... Arrogant, charming and sexy as hell, Master chef Sean Kincaid is legendary both in the kitchen and in the bedroom. So of course it only took five minutes for him to get me overheated. My temper that is. Because Sean Kincaid is my new boss. Who has strolled into my kitchen demanding I follow his rules. I don't like taking orders from anyone but certainly not from a grumpy man who knows how to push all of my buttons. And when a Best Chef competition pits the two of us against a mutual enemy, it's either going to be a sizzler—or a recipe for disaster. Jessica Sweet thought going away to college would finally free her from her parents' constant judgments, but if anything, the freedom has made her realize she can't be a hypocrite anymore. Tired of dodging their questions, she stays at school over the summer and lands in an unexpected crash pad: Riley Mann's house. His best friend's hot older sister. Her younger brother's annoying sidekick. And one forbidden kiss in high school... It was complicated back then. It's even more so now. Because former mean girl Sloane rolls back in town to find Rick stripping at a charity event like he was born with biceps. And single dad Rick is her landlord. And her brother will murder him if he has sex with her. But sometimes you have to strip it all down to see what was there all along... Is there an equation for the perfect hookup? Turns out it's a lot more complicated than one plus one. . . . Sophie: Numbers are my comfort zone, which explains why my sex life is a big fat zero. Then again, if I'm smart enough to earn a PhD, why can't I calculate a way to get a guy into bed, just to see what all the fuss is about? With my prima donna sister, Bella, getting married in Maine, I figure her wedding is the perfect opportunity for my little experiment. And Cain Jordan seems hot enough—he's certainly drunk enough—to show me what I've been missing. Judging by the body of evidence, it's a lot. . . . Cain: Being stuck in the same town as my lying SOB twin brother, Christian—who may or may not be the father of the son I'm not allowed to see—is a hell of a reason to drink myself silly after the lobster boat docks each day. Any port in a storm. . . . But Sophie's different. She doesn't play around. And she's becoming a habit I don't want to break. Because the smartest woman I've ever met is also the sexiest—and the only one who makes me want to change. Don't miss Bella and Christian's story in *The Breakup!* And look for all of Erin McCarthy's soulful Nashville Nights romances: HEART BREAKER | DREAM MAKER | LOVE TAKER Includes an excerpt from another Loveswept title Kendall Holbrook is determined to make it to the top, even with the challenge of being a woman on the male-dominated racing circuit. She doesn't have time for romance—especially not with racing rival Evan Monroe, the man who nearly crushed her dream years ago. Tricked into meeting him, Kendall is experiencing all those old feelings again—and she can't deny that they still have enough chemistry to set fire to the track. The sequel to *Flat-Out Sexy*, starring a bad boy race car driver hero who's met his match—from a hot USA Today bestselling author. Grad student Imogen Wilson realizes she's hit on the perfect thesis for her sociology degree. If she follows the so-called "rules" on how to get a man, can she steer her way into the world and hearts of stock race car drivers, and establish their dating- and mating-patterns? Although sexy and reckless racer Ty McCordle is the ideal test subject, Imogen knows that for the sake of science, she can't give in to her growing attraction for him. Yet he's the one who's chasing after her, and Imogen realizes that she actually wants to be caught. A southern gentleman like Ty will satisfy all her curiosity—and make all the risks worthwhile... The wacked-out love lives of three computer techies make for entertaining reading in this hilarious and witty collection by a new talent. "Debut author Erin McCarthy pens a sizzling anthology that triples our reading pleasure!"—"Romantic Times." When rock-god vampire Johnny Malone commits suicide, the rest of The Impalers gather for an Irish wake and jam session to send their bandmate off in style. But alcohol-laced blood and grief make for one hell of a combination... When her brother, Johnny, dies, Stella Malone's grief lands her in the buff arms of The Impalers' bass player. While her tryst with Wyatt had some serious bite, Stella isn't looking for a relationship, especially after a tipsy argument leads to her getting stuck in bat form at the wake. The rest of the hungover Impalers are in no shape to help her, meaning that Stella's one night stand is the only one who can help her figure out what really happened last night. Only Wyatt doesn't have a clue what happened last night, either, nor does he know that Stella is the bat currently dive-bombing his head. But he does have her purse and that has to be a start, right? Or not. On the other hand, there is a priest passed out in the bathtub and an alcoholic parrot squawking about a chapel of love... Which might explain the ring on Berto Cortez's finger. How did a night of rock 'n' roll debauchery result in him turning sexy washboard player Katie Lambert into a vampire and then marrying her? He wouldn't. He couldn't. But he can't quite remember, exactly. Which means these four friends turned amnesiac couples have only one choice: hit the famed Bourbon Street for some answers... Easing into the turns... As one of only two girls on the tween racing circuit, Shawn Hamby has always run with a fast crowd. But now at thirty-two, she doesn't need to prove anything to anyone. And she definitely doesn't need a man bossing her around off of the track... Putting the pedal to the metal... But after a silly girls' night at a fetish club, Shawn can't get Rhett Ford out of her mind. He's younger than her, and he's her best friend's brother-in-law, which should be red flags. Rhett is looking for someone to lead in bed, but he can't imagine that Shawn would ever submit to him. Boldly surrendering is more her style. And with Rhett behind the wheel, it's going to be one wild ride... Running into a man once is an accident. Twice is a coincidence. Three times makes it fate... right? Unless he is now your grumpy boss who holds the future of your fading dance career in his hands. And you hooked up with him when he was just a mysterious stranger rescuing you... My life is a hot mess. I'm Dakota Tanner and I speak before I think, I spend before I earn, and I live totally in the moment. Which is why I'm down and out in need of a major life makeover. Cue the hot guy who has it all together and makes my toes curl in bed. Who then disappears before I wake up. When he reappears five months later as head coach of a pro football team he wants a secret romance (aka a no-one-can-ever-know bangfest) while I'm a nanny for his wild-child daughters. I should say no. But he just might be my one true love... or my biggest mistake yet. In the late eighteenth century, plantation owner Damien du Bourg struck an unholy bargain with a fallen angel: an eternity of inspiring lust in others for the gift of immortality. But when Marley Turner stumbles upon Damien's plantation searching for her missing sister, for the first time in two hundred years it's Damien who can't resist the lure of a woman. But his past sins aren't so easily forgotten—or forgiven. Love. Sex. Destiny. A six-foot-four psychic in a bridesmaid's dress? Honey, you don't know Jack ... Jamie Peters no longer believes in true love. True idiots, true scumbags, true moochers—these she believes in wholeheartedly, and she's got the checkered dating history to prove it. So she's more than a little skeptical when her cross-dressing psychic tells

her she's about to meet her soul mate--during an accident. Yeah, sounds about right. And then it happens. A knight in shining armor steps between her and a mugger on a subway platform. Just a regular, honest, upright Jack. The kind they don't make anymore ... Jonathon Davidson doesn't believe in destiny--or lying to beautiful women as a rule. But now that Jamie thinks he's just an ordinary guy, how can he possibly tell her that he's really, (a) her roommate's brother, (b) a millionaire by boot, and (c) the jerk who's investigating her application to his grandfather's charitable trust because she may be involved in something illegal? Yeah, rhetorical question. He can't. Not until he knows what's going on. Besides, it would require being able to resist Jamie's luscious curves long enough to say, "Hi, my name is Big Liar. Let's get naked." Sometimes, destiny sucks ... Somewhere between truth and flat-out-let's-talk-about-this-waaay-later fiction, between fate and delicious accidental insanity, lies a whole lot of mind-blowing sex, delirious passion, unfortunate sundresses, fighting, deception, big mistakes and small hopes, and two people are about to discover that everything happens for a reason. Billionaire businessman in need of a fake fiancée... It should be the easiest job ever for an out-of-work actress, right? All I have to do is pose as Grant Caldwell (the Third)'s fiancée for a fancy-pants weekend in the Hamptons. Easy. Wear designer clothing and sip champagne? Don't mind if I do. Flirting with Grant? It's so delicious I should be paying him. Nothing can go wrong as long as I can keep my hands off of him. But that's the hard part. And I do mean hard. Because Grant is sexy. And bossy. And surprisingly sweet, a real rarity in his pretentious family. Oops. I'm not as good at faking it as I thought. "I'll leave as soon as you give me what I want." In another time and place, that might have a nice ring to it. But standing in a Chicago hotel room with a cub reporter as obstinate as she is hot, FBI agent Derek Knight knows he has to play it charming. Something like, "By holding on to that evidence, you're interfering with FBI business, ma'am, and by the way, those long, gorgeous legs of yours would look awfully good wrapped around my. . ." Sure, losing all sense of professionalism may not help his career, but the off-duty perks would be sensational. . . "Yeah, right, you're an FBI agent. And I can bake a cake from scratch." Reese Hampton is not giving up the envelope she found in her rental car--the one with the story that could take her from journalistic Siberia straight to the front page. She'll just have to outsmart the certifiably insane Fed with the movie-star good looks. Dodge and weave. Distract and bed. No! Bad hormones, bad! Still, spending time with that unbelievably broad chest up close and personal might just add, um, depth to her story. If only she can let her robe down while keeping her guard up. . . In this electrifying New York Times ebook and USA Today bestseller from rising star of dark and sizzling new adult novels Marata Eros, a former ballerina struggles to hide her painful past—only to discover she's not the only one with secrets. When poetry was printed, poets and their publishers could no longer take for granted that readers would have the necessary knowledge and skill to read it well. By making poems available to anyone who either had the means to buy a book or knew someone who did, print publication radically expanded the early modern reading public. These new readers, publishers feared, might not buy or like the books. Worse, their misreadings could put the authors, the publishers, or the readers themselves at risk. *Doubtful Readers: Print, Poetry, and the Reading Public in Early Modern England* focuses on early modern publishers' efforts to identify and accommodate new readers of verse that had previously been restricted to particular social networks in manuscript. Focusing on the period between the maturing of the market for printed English literature in the 1590s and the emergence of the professional poet following the Restoration, this study shows that poetry was shaped by—and itself shaped—strong print publication traditions. By reading printed editions of poems by William Shakespeare, Aemilia Lanyer, John Donne, and others, this book shows how publishers negotiated genre, gender, social access, reputation, literary knowledge, and the value of English literature itself. It uses literary, historical, bibliographical, and quantitative evidence to show how publishers' strategies changed over time. Ultimately, *Doubtful Readers* argues that although—or perhaps because—publishers' interpretive and editorial efforts are often elided in studies of early modern poetry, their interventions have had an enduring impact on our canons, texts, and literary histories. Out of the military, Heath is as brooding and intense as ever, and he is determined not only to win her back, but to exact revenge on everyone who kept him from her... And soon, both doctors may be falling into a desire deeper than any they've ever known. . . I've got forty days to find a fiancée, move in with him and convince the powers-that-be that we're madly in love. Seems like a simple green-card plan until I meet Dr. Michael Kincaid. He's looking for the real thing: love, a baby, an actual ring. The whole shebang. I can't decide which of us is crazier. Maybe it's both--because I agree to his demands. Surely once we're living together he'll see how mad it is for an American doctor and a British girl who barely know each other to actually go through with this. I hadn't counted on our chemistry. There's no end to the inventive ways we find to flirt. Not to mention the rather pressing matter of sharing a bed. Maybe the doctor knows a thing or two about the science of love after all. Forty Day Fiance is a standalone romantic comedy with a smoking-hot doctor, a fast-talking English heroine, and a Happily Ever After. If life is a series of tests, Mandy Keeling just hit the mother lode. Ordinarily, I'm a fan of pink--lovely color, does smashing things for the complexion. But not when it's the bright, glaring stripe staring back at me on the pregnancy test. Then, pink is the color of major oops, of morning sickness, of boyfriends who seemed decent but now are part of some Jerk Witness Protection Program. Still, I've got a few things going for me--bitter humor, a divine right to eat till I'm the size of Marlon Brando, and good friends who've managed to get me a job interview with one Damien Sharpton: in need of a personal assistant, and some say, a good, swift kick in the arse. If you want to make a lasting impression, by all means, toss your cookies in your future boss's wastebasket, which is located directly between his excruciatingly sexy legs. Apparently, Mr. Gorgeous-But-Unbearably-Anti-Social must like personal assistants who violate his trashcan, because I got the job. And if I can avoid him via text messaging for the next nine months of free health insurance, everything will be just fine. Except that he's just asked--no, insisted--that I go with him on a business trip to the Caribbean. Gulp. Ordinarily, this would be cause for celebration. Ordinarily, I'd shave my legs, pack my bikini, revel in day-glo drinks and my seething lust for Mr. Swarthy-And-Secretive. But there's nothing ordinary about this situation. . .which means it could be absolutely extraordinary. . . Some men you can't take anywhere. . .except the bedroom. In Love, There's No Such Thing As A Simple Plan Rule #1: Cops maintain their distance. It was supposed to be your average stakeout. My partner and I would scope out both the coffee shop and Laurel Wilkins, the latest target of con man Trevor Dean's scheme to meet women online and bilk them of their money--and everything else. Rule #2: Cops think fast on their feet. So I went inside to get a better look. So she happened to be gorgeous with a body that made me temporarily forget how to order coffee. So she knew my name--Russ Evans--and hugged me like we were more than friends. So what the \$#@ is going on? Rule #3: Cops never, ever get involved. At least she's willing to offer herself up as bait. All I have to do is keep her safe--and keep my hands off. Anything else would be against the rules. And oh so tempting. . .
