Drawing from neuroscience and psychotherapy with empowering strategies to take charge of healing from trauma, this workbook follows the theme of each of the 8 keys in 8 Keys to Safe Trauma Recovery. The two books complement each other; but it is not necessary to have read the original to benefit from this workbook, which presents practical exercises and activities integral to safe trauma recovery and designed to support readers' control of their mind, body, and life in the aftermath of trauma. One thing is for sure: there is no one-size-fits-all method for healing trauma. This workbook will help readers identify, assess, and celebrate the resources they already have, and add more resources to their toolbox. Most importantly, the authors do not subscribe to the old motto "no pain, no gain," fostering instead the concept that healing from trauma should not be traumatic. This edition will focus squarely on the needs of advanced users in the core applications of Office. Key issues will include a strong emphasis on problem solving, troubleshooting, practical applications of advanced features, VBA coverage threaded throughout the chapters, and migration issues such as file format changes and compatibility between different Office and Windows versions. This workbook provides the same materials as the Vocabulary and Activities Workbook followed by the answers to the vocabulary activities. Now, the authors have returned with a companion workbook—offering all new assignments, strategies, and personal reflections to help those who suffer from an eating disorder heal their relationship to food and their bodies. Clients of Costin and Grabb consistently tell them that knowing they are both recovered is one of the most helpful aspects of their treatment. With this experience as a foundation, the authors bring together years of clinical expertise and invaluable personal testimony, from themselves and others, to the strategies in this book. Readers will get a glimpse of what it's like to be in therapy with either Carolyn or Gwen. Filled with tried and true practical exercises, goal sheets, food journal forms, clinical anecdotes and stories, readers are guided in exploring their thoughts, feelings, and coping strategies while being encouraged to choose how they want to approach the material. This book is an important resource to anyone living with destructive or self-defeating eating behaviors.
