Separate Beds Dec 27 2020 New York Times bestselling author LaVyrle Spencer presents a beautiful and moving tale of a false marriage that leads to true love. The wedding of Clay Forrester and Catherine Anderson was the social event of the season. It seemed like a page out of a fairy tale. But everything about it—from the formal vows to the magnificent reception—was a lie. Catherine had reluctantly agreed to Clay's "marriage of convenience"—and the only thing that could threaten their arrangement was the unexpected arrival of love. "A superb story."—Los Angeles Times "LaVyrle Spencer's legions of fans are drawn to her fiction because of its uncalculated emotion and the author's almost old-fashioned sense of integrity."—Chicago Tribune "LaVyrle Spencer is magic!"—Affaire de Coeur

River Under the Road Nov 18 2022 From the bestselling, critically acclaimed author of *Man in the Woods* and *Endless Love*, a stunning, stinging portrait of class and creativity—and the double-edged sword of success. Thirteen parties over the course of two decades—an opium-infused barbecue, a reception for a doomed presidential candidate, a fund-raiser for a blind child who speaks in tongues, a visit to one of New York's fabled sex clubs—brilliantly reveal the lives of two couples, one hoping to be admitted to the kingdom of Art, the other hoping for a small share of the American dream, both driven by forces of history they rarely perceive or acknowledge. Thaddeus Kaufman, the son of booksellers, and Grace Cornell, raised in a basement apartment she longs to escape, meet at a neighborhood art fair in Chicago. Soon after, they head to New York, aloft on the wings of young love. Jennings Stratton, the son of a caretaker, and Muriel Sanchez, the daughter of a cop, meet in a house he is refurbishing in New Mexico, and they, too, head for the big city. In a vast Hudson River estate, the lives of the two couples ultimately intertwine. Thaddeus has made it big in an unexpected way, setting off a chain reaction of envy among his friends and peers and forever changing the dynamic of his marriage with Grace, for whom success has been elusive, and art, once a source of solace, has become a font of bitterness. And Jennings, hoping to transcend his reputation as the local Casanova, a man suited only for menial tasks, has ventured into a cycle of theft and betrayal that threatens to destroy the fragile life of his family. Funny and cutting, affecting and expansive, *River Under the Road* is Scott Spencer's masterpiece of all that lies beneath our everyday lives—a story about the pursuit of love, art, and money, and the inevitable reckoning that awaits us all.

With section-by-section commentary, Spencer highlights the overriding salvific message that runs through Luke’s gospel. When Sophia's mother wrote to an entomological society looking for a bug scientist to be a pen pal for her daughter, she and Sophie were overwhelmed by the enthusiastic response--letters, photos, and videos came flooding in. Using the hashtag BugsR4Girls, scientists tweeted hundreds of times to tell Sophia to keep up her interest in bugs--and it worked! Sophia has since appeared on Good Morning America, The Today Show, and NPR, and she continues to share her love of bugs with others.

A Polar Affair Oct 25 2020 George Murray Levick was the physician on Robert Falcon Scott's tragic Antarctic expedition of 1910. Marooned for an Antarctic winter, Levick passed the time by becoming the first man to study penguins up close. His findings were so shocking to Victorian morals that they were quickly suppressed and seemingly lost to history. A century later, Lloyd Spencer Davis rediscovers Levick and his findings during the course of his own scientific adventures in Antarctica. Levick's long-suppressed manuscript reveals not only an incredible survival story, but one that will change our understanding of an entire species. A Polar Affair reveals the last untold tale from the Heroic Age of Antarctic Exploration. It is perhaps the greatest of all of those stories—but why was it hidden to begin with? The ever-fascinating and charming penguin holds the key. Moving deftly between both Levick's and Davis's explorations, observations, and comparisons in biology over the course of a century, A Polar Affair reveals cutting-edge findings about ornithology, in which the sex lives of penguins are the jumping-off point for major new insights into the underpinnings of evolutionary biology itself.

Salty Wives, Spirited Mothers, and Savvy Widows Mar 10 2022 Engaging feminist hermeneutics and philosophy in addition to more traditional methods of biblical study, Salty Wives, Spirited Mothers, and Savvy Widows demonstrates and celebrates the remarkable capability and ingenuity of several women in the Gospel of Luke. While recent studies have exposed women's limited opportunities for ministry in Luke, Scott Spencer pulls the pendulum back from a negative feminist-critical pole toward a more constructive center. Granting that Luke sends somewhat "mixed messages" about women's work and status as Jesus' disciples, Spencer analyzes such women as Mary, Elizabeth, Joanna, Martha and Mary, and the infamous yet intriguing wife of Lot -- whom Jesus exhorts his followers to "remember" -- as well as the unrelentingly persistent women characters in Jesus' parables.

The Perfect Hour Jan 28 2021 F. Scott Fitzgerald was a handsome, ambitious sophomore at Princeton when he fell in love for the first time. Ginevra King, though only sixteen, was beautiful, socially poised, and blessed with the confidence that considerable wealth can bring. Their romance began instantly, flourished in heartfelt letters, and quickly ran its course—but Scott never forgot it. Now, for the first time, scholar and biographer James L. W. West III tells the story of the youthful passion that shaped Scott Fitzgerald’s life as a writer. When Scott and Ginevra met in January 1915, the rest of the world was at war, but America remained a haven for young people who could afford to have a good time. Privileged and mildly rebellious, the two were swept together in a whirl of dances, parties, campus weekends, and chaperoned visits to New York. “For heaven’s sake don’t idealize me!” Ginevra warned in one of the many letters she sent to Scott, but of course that’s just what he did—for the next two decades. Though he fell in love with Zelda Sayre soon after learning of Ginevra’s engagement to a well-to-do midwesterner, Scott drew on memories of Ginevra for his most unforgettable female characters—Isabelle Borgé and Rosalind Connage in *This Side of Paradise*, Judy Jones in “Winter Dreams,” and above all Daisy Buchanan in *The Great Gatsby*. Transformed by Scott’s art, Ginevra became a new American heroine who inspired an entire generation.

Man in the Woods Aug 15 2022 “A smart, haunting thriller with bass reverb and a pounding heart.” —Jayne Anne Phillips, author of the National Book Award finalist *Lark and Termite* Scott Spencer, the acclaimed author of *Endless Love* and *A Ship Made of Paper*, reaffirms his storytelling mastery with *Man in the Woods*—a gripping psychological thriller about a carpenter at loose ends and the crime of passion that radically reorders his world. Rudy Wurlitzer lauds *Man in the Woods* as a stunning work that offers “heartbreaking insights into the dark frailties of human nature,” and which he calls, “a page turner from beginning to end.” And New York Times bestselling author Francine Prose hails its achievement, writing, “In this brilliant novel, Scott Spencer further expands his range.”
