[?]Updated 2nd Edition![?] Strip him of all his power. It's time to push him around and make him beg for more. One of the biggest misconceptions about BDSM is this: Women are submissive, and men are dominant. It's time to shine some bright light on that myth. With tons of experience with pushing men around (in a non-bitchy way, they all agreed, I promise you) I decided to write this book for both novices and experienced Dominas. It's a sensitive topic. It goes against what we see on tv and film. It goes against the innocent girl conquered by a dominant man. It's against the so-called masculine attributes. That's why it's both exciting and common! It's like eating the forbidden fruit, almost as living a double life. I've divided this book into four parts. Part one: Being a dominant women Part two: Understanding Male Sexuality Part three: Communication and satisfying each other's needs Part four: Perform the act Each part is divided into several sections to arm you with the best information and make sure you get a great time being a Domina. Enjoy the book, and please let me know if I can help in any way! All the best, Alex Terry is rich, attractive and all Dom. When he sees something he likes, or more accurately, something his d\*\*k likes, he gets it. His woman are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a "sex" club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only has she bumped into just about every person in the club, but one of the men-a very handsome and extremely rude stranger-not only follows her, but suggests that they "do it" in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then,

she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others? Raine Kendall has been in love with her boss, Macen Hammerman, for years. Determined to make the man notice that she's a grown woman with desires and needs, she pours out her heart and offers her body to him—only to be crushingly rejected. But when his friend, very single, very sexy Liam O'Neill watches the other Dom refuse to act on his obvious feelings for Raine, he resolves to step in and do whatever it takes to help Hammer find happiness again, even rousing his friend's possessive instincts by making the girl a proposition too tempting to refuse. But he never imagines that he'll end up falling for her himself. Hammer has buried his lust for Raine for years. After rescuing the budding runaway from an alley behind his exclusive BDSM Dungeon, he has come to covet the pretty submissive. But tragedy has taught him that he can never be what she needs. So he watches over her while struggling to keep his distance. Liam's crafty plan blindsides Hammer, especially when he sees how determined his friend is to possess Raine for his own. Hammer isn't ready to give the lovely submissive over to any other Dom, but can he heal from his past and fight for her? Or will he lose Raine if she truly gives herself—heart, body, and soul—to Liam? The second tantalizing novel in Tara Sue Me's New York Times bestselling Submissive series...

Nathaniel West doesn't lose control. As the playboy CEO of West Industries, he governs the boardroom during the day; as a strict dominant with exacting rules, he commands the bedroom at night. He never takes on inexperienced submissives, but when Abigail King's application comes across his desk, he breaks his own restrictions and decides to test her limits. Abby's combination of innocence and willingness is intoxicating, and Nathaniel is soon determined to collar her as his own. As long as she follows his orders and surrenders herself fully to him, no one will get hurt. But when Nathaniel begins falling for Abby on a deeper level, he realizes that the trust must go both ways—and he has secrets which could bring the foundations of their entire relationship crashing down... A jury gathers in Manhattan to select a memorial for the victims of a devastating terrorist attack. Their fraught deliberations complete, the jurors open the envelope containing the anonymous winner's name – and discover he is an American Muslim. Instantly they are cast into roiling debate about the claims of grief, the ambiguities of art, and the meaning of Islam. The memorial's designer is Mohammad Khan, an enigmatic, ambitious architect. His fiercest defender on the jury is its sole widow, the mediagenic Claire Burwell. But when the news of his selection leaks to the press, Claire finds herself under pressure from outraged family members and in collision with hungry journalists, wary activists, opportunistic politicians, fellow jurors, and Khan himself. All will bring the emotional weight of their own histories to bear on the urgent question of how to remember, and understand, a national tragedy. After spending weeks trying to reach Raine Kendall, Dominants Liam O'Neill and Macen Hammerman have finally broken past the walls to their submissive's wounded heart. Before they can enjoy their newfound closeness, Liam's past comes back to haunt him when his ex-wife drops in—with a secret that could tear his world apart. Forced to leave Raine in Hammer's care, Liam is stuck on the outside, stewing in frustration and insecurity...and wondering if Raine no longer needs him or if Hammer

alone completes her. Always the pillar of strength, Hammer tries to help Liam while sheltering their woman. But Raine soon discovers the truth that threatens the trio's chance of a happily-ever-after. Determined to hold them together, the two men cook up a scheme to uncover the ex's secret. When an old nemesis returns and targets Raine, can Liam and Hammer come together to slay the danger and save the woman they both love? The first novel in the seductive and scandalous New York Times bestselling series that has enthralled millions. Abby King has a secret fantasy... New York knows Nathaniel West as the brilliant and handsome CEO of West Industries, but Abby knows he's more: a sexy and skilled dominant who is looking for a new submissive. Yearning to experience a world of pleasure beyond her simple life as a librarian, Abby offers herself to Nathaniel to fulfill her most hidden desires. After only one weekend with the Master, Abby knows she needs more, and fully submits to Nathaniel's terms. But despite the pleasure he takes in Abby's willing spirit, the Nathaniel hidden behind the rules remains cold and distant. As Abby falls deeper into his tantalizing world of power and passion, she fears that Nathaniel's heart may be beyond her reach—and that her own might be beyond saving... Abby stood nervously before her Master in the classic submissive pose: fully nude, legs apart, wrists placed behind her back; deeply ashamed of her evident arousal. Worse, she had to recount in exact detail the proceedings of her last whipping. The whipping had been severe; as was the case with most of the clients she was commissioned to serve. These client appointments were scheduled a few weeks apart, in order that the welts, bruises and whatever other marks were left behind had ample time to heal. After all, each new client - whether male, female, a couple, or even a group - surely deserved a fresh canvas upon which to begin. Despite these harsh sessions, her body reacted like that of a wanton whore as she retold of the sadistic punishments and extreme sexual use inflicted upon her body. How far would her Master push her with these 'tests'? How far would Abigail go? How many times could she stand before him blushing; yet with that unmistakable tingle? Their relationship was surely headed for a collision course. Or was it? This story contains STRONG BDSM. While fully consensual, it includes submission, dominance, sadism and masochism. Please do NOT buy or read this if you are offended by graphic sexual descriptions including sexual violence. All characters are aged 25+, and it is recommended for an adult audience ONLY (aged 21+). This story is pure fiction and the author does not condone any violent behavior. The "real" Fifty Shades of Grey...A true life erotic story of female submission to rival The Story of O. In Diary of a Submissive, Sophie Morgan candidly explains what exactly an independent, 21st century woman gets out of relinquishing her power and personal freedom in a submissive relationship with a dominant man for their mutual sexual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive and follows Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound awakened sexuality. From the endorphin rush of her first spanking right through to being collared, she explains in frank and explicit fashion her sexual explorations. But it isn't until she meets James, a real life 'Christian Grey,' that her boundaries and sexual fetishism are really pushed. As her relationship with James travels

into darker and darker places, the question becomes: Where will it end? Can Sophie reconcile her sexuality with the rest of her life, and is it possible for the perfect man to be perfectly cruel? Daring, controversial, and sensual, *Diary of a Submissive* is filled with a captivating warmth and astounding honesty such that no one— man or woman—will be able to put Sophie's story down. Once you read the book you will understand why Sophie Morgan is a pseudonym. Facing a creative dilemma after a failed marriage, Sheila gathers inspiration from a depraved and free-spirited artist who becomes her lover, in a tale based on incidents from the author's true life. Eight erotic romance stories in anthology by Shayla Black, Sylvia Day, Karin Tabke, Beth Williamson, Cathryn Fox, Shiloh Walker, Nikki Duncan, and Mackenzie McKade. Can a modern wife be submissive to her husband? In her highly anticipated sequel to *My So-Called Life as a Proverbs 31 Wife*, author Sara Horn takes on one of the most widely debated subjects for a Christian wife—marital submission. What does biblical submission look like for wives today? And why is submission viewed as such a dirty word by so many women and men in our culture, including Christians? Can a happily married couple live out the biblical model of submission and be the better for it? Horn takes on a one-year experiment to seek answers to these questions and to explore what it means to be submissive as a wife and “helper” to her husband. The answers—and her discoveries—may surprise you. This unique, entertaining, and thought-provoking personal account will challenge women to throw out their preconceived notions of what a submissive wife looks like and seek fresh leading from God for their lives and marriages today. "Did you even enjoy licking my honey-coated..." Melanie nodded. Her eyes told him she had thoroughly enjoyed herself. For she had the look of a satisfied woman, who was luxuriating in the afterglow of beautiful sex. "I'm uninhibited," Barry reminded his wife, "and I believe in sexual exploration." "I guess you could call it creative rutting," she grinned back at him. "Right on," Barry smiled happily. "We will have to think of new ways of getting kicks. You and me and somebody else. How would you like to have two rods stabbing into you, baby?" "Wouldn't it bother you?" she asked her husband, a bit surprised. "Why should it?" he asked her point blank. "We know we love each other. If we want to share our bodies with someone else, beautiful." Melanie is coming over, and warming, to the realization that her husband is an absolute sexual deviant with no limits to his pursuits of all deeds debauched. And what more, it is starting to really turn our young and inexperienced wife on. So when her husband suggests a spot of MMF action with his virile and stamina rich friend, why not? But will the same want for experimentation extend to Barry bringing back his bit on the side for a session of sapphic strap-on action? With this new found sense of sexual liberation, Melanie decides to partake some extra-marital liaisons of her own, and wastes no time in finding a studly participant to satisfy her ever growing lusts. But how far will she go before she is changed forever into a lust-filled nymphomaniac. Replete with the lowliest examples of same room swapping, MMF ruttings (front and, especially, rear), Lesbian toy-play and soixant-neufing, this timeless tale of one woman's exploration of sexual enlightenment will be sure to get a rise out of all. Forming a controversial alliance with the political left to block the Front National's alarming ascendancy, Ben Abbes sweeps to power, and overnight the country is transformed. This proves to be the death knell of French secularism, as Islamic law comes into force: women are veiled, polygamy is encouraged and, for our narrator François - misanthropic, middle-aged and alienated - life is set on a new course. Submission is a devastating satire, comic and melancholy by turns, and a profound meditation on faith and meaning in Western society. Please note: This is a companion version & not the original book. Sample Book Insights: #1 I am not a pervert. I am a submissive, and it doesn't impact on my work. I consider myself a feminist. I have submissive tendencies that started young, and I'm not sure why. #2 I grew up in a nice middle-class home with my mom, dad, and sister. My mom was an accountant before she had me, and she spent a lot of time with us. My dad is the most hardworking man I know, and he ensured that we had whatever new bike or gadget we wanted. #3 I always loved animals, and I had a strong childhood memory of burying a dead bird I had found in the garden against the wishes of my mother. I was never a natural rebel, and I went about doing my thing quietly. #4 I was a late bloomer on the romance front. I had my first kiss

when I was twelve or thirteen with a boy I knew through one of my friends, and I wasn't that impressed by it. There was no thunderclap, no roll of romantic music, and there was a feeling of anticlimax afterward. Rosaleen Young's book of erotic stories and poetry is an intriguing insight into the secret world of a truly submissive teenage girl. The tales are a colourful journey of self-exploration and sexual-awakening. Although still a virgin in real life, the model/authoress (pictured on the book's cover) lets her fantasies run wild in her writing. Her obsession with her own body, particularly the perfection of her bottom, and craving for submission, punishment and the wilder side of sexual pleasure are addressed with vulnerable honesty and dizzying imagination. The stunning collection of photographs of the authoress compliments the writing to make this book a verbal and visual feast for both men and women. Dark, beautiful and intensely erotic! And *Fantasies of a Young Submissive* includes images capturing Rosaleen's radiant innocence Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy. "Eager to understand her secret desires, Gabrielle enters 'The Sanctuary'. Inside she's immediately torn between fear of the unknown and a craving to learn more, until the lights dim. From the first sound of Thomas' calm and controlled voice, she is mesmerized. With an underlying need in her emotional spirit that requires more than sex, she is easily seduced into a world of dominance and submission under false pretenses. For Thomas, an experienced Master, Gabrielle is an interesting mix of defiant, naive and submissive. Her sharp mind and wit appeal to him as much as the curves of her lush figure. He accepts the challenge to help train her despite the danger she represents. Long term anything for him is out of the question. If he does his job right, his protégé David will end up the perfect Dom for her and Thomas will move on with his armor intact."--Publisher's description.

Preston Harrison was the picture of the gentleman Southern lawyer, as handsome and affable, as he was strict and precise. His ordered professional life suited him and his temperament, not a thing out of place, not an event unplanned. But he was more than a lawyer though - he was also a Dom, and he made sure his personal life and professional life never intersected. Never that is until his world is turned upside down by one Avery Beauchamp, a stubborn, adorable, and way too sassy pocket Venus. Being the only daughter of a respected Judge should've set Avery up for a life of ease, of privilege. But Avery had a habit of not doing anything she should - she only did the things she wanted. Marching to the beat of her own (very smart-mouthed) drummer had always served the headstrong girl well... until the day she ran afoul of a little thing called the law. A strict southern lawyer and a color-outside-the-lines misdemeanor offender should have been like oil and water. But when a Judge's daughter finds herself on the wrong side of the law, she's presented with a choice: a fine and possible jail time, or an alternative sentence. Preston - against his better judgment - finds himself agreeing to the rather unique sentence for the wayward girl: house arrest for Avery. There was one problem for Avery though: the house where she would serve her sentence wasn't hers - it was Preston's. Worse, as she learns what working for the strict Preston Harrison really means - and how deep her own repressed desires might go - she fears that she might lose more than her

freedom to the devastatingly handsome Dom. She might lose her heart too. When Nick said he wanted to make all of Rebecca's fantasies come true, he wasn't kidding. Nick and Rebecca are madly in love, kinky as hell and ready to push the boundaries a little.
