From showmance to romance? Will Alex open her heart (and mind) and let notorious playboy Daniel Kerrington in? When her parents' company fails, Alex Woods finds herself at the mercy of billionaire Harry Kerrington, who will bail them out but only at a cost. That price? Alex must agree to be engaged to Harry's playboy son for a period of three years. Three years to put her life on hold. Three years where she has to pretend. Three years she won't get back . . . Daniel isn't happy about the arrangement, either. But he's willing to make it work, to prove to his father that he's ready to run the company. And when the sparks do more than fly, Daniel will do anything to prove to Alex that he's worthy of her, that he's changed his ways. Except she doesn't know if she can ever trust him, or her heart—both of which have betrayed her before . . . Perfect Illusion is the first book in the Perfect Series from Claudia Tan, and this steamy new adult romance from the Wattpad superstar will take your heart for a ride and never let go! Freedom - that is what Lilly Linton wants most in life. Not marriage, not a brood of squalling brats, and certainly not love, thank you very much But freedom is a rare commodity in 19th-century London, where girls are expected to spend their lives sitting at home, fully occupied with looking pretty. Lilly is at her wits' end - until a chance encounter with a dark, dangerous and powerful stranger changes her life forever... Enter the world of Mr Rikkard Ambrose, where the only rule is: Knowledge is power is time is money Winner of the People's Choice Award 2015 What do you do? Tim Ferriss has trouble answering the question. Depending on when you ask this controversial Princeton University guest lecturer, he might answer: "I race motorcycles in Europe." "I ski in the Andes." "I scuba dive in Panama." "I dance tango in Buenos Aires." He has spent more than five years learning the secrets of the New Rich, a fast-growing subculture who has abandoned the "deferred-life plan" and instead mastered the new currencies—time and mobility—to create luxury lifestyles in the here and now. Whether you are an overworked employee or an entrepreneur trapped in your own business, this book is the compass for a new and revolutionary world. Join Tim Ferriss as he teaches you: • How to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want • How blue-chip escape artists travel the world without quitting their jobs • How to eliminate 50% of your work in 48 hours using the principles of a forgotten Italian economist • How to trade a long-haul career for short work bursts and frequent "mini-retirements" • What the crucial difference is between absolute and relative income • How to train your boss to value performance over presence, or kill your job (or company) if it's beyond repair • What automated cash-flow "muses" are and how to create one in 2 to 4 weeks •

How to cultivate selective ignorance—and create time—with a low-information diet • What the management secrets of Remote Control CEOs are • How to get free housing worldwide and airfare at 50-80% off • How to fill the void and create a meaningful life after removing work and the office You can have it all—really. From the Hardcover edition. (Piano/Vocal/Guitar Songbook). Features 18 piano/vocal selections from this Broadway hit that won both Tony and Drama Desk awards. Includes a plot synopsis, sensational color photos, and these tunes: The Ballad of Farquaad * Big Bright Beautiful World * Build a Wall * Don't Let Me Go * Donkey Pot Pie * Finale (This Is Our Story) * Freak Flag * I Know It's Today * I Think I Got You Beat * Make a Move * More to the Story * Morning Person * Story of My Life * This Is How a Dream Comes True * Travel Song * What's Up, Duloc? * When Words Fail * Who I'd Be. Curt's having the worst luck: his date just stood him up, he just sat in someone's cheesy nachos at the movie theatre, and a crazy naked woman BIT him in the alley outside. It's true what they say, weird things do happen at the full moon. Little does Curt know that the woman who bit him in the alley has infected him. His full moon nights are about to get a lot weirder, because from now on, he'll become a sex-hungry woman when the moon is fully exposed. His female self's appetites are insatiable when the full moon is in the sky. He can only refer to himself as a werewoman. He enlists Kathy, his oldest friend and the only person who will believe him, to help him deal with the werewoman. Together, they manage to find a bright spot in all the madness. Author's note: This is a standalone romance story with a HAE ending! Two bonus gender swap romance stories have been included as a thank you to my readers! Warning: This 15,000-word novella contains graphic language and steamy descriptions of gender transformation and sex. There's no better way to decode the mysteries of women than to become one yourself... Antwon Reynolds is a brilliant scientist working day and night to win fame and fortune by solving the ultimate mystery of mankind—how to understand the mysterious inner workings of women's minds! To further his research, he comes up with a brilliant and daring plan: the creation of a potion which will allow him to transform himself into a woman and conduct first-hand research of the intricacies of the fairer sex. The only barrier to his plan is Duke Owen Montgomery, head of the scientific society, and his biggest critic. Not only does the Duke regularly belittle Antwon, but his uncanny success with women is infuriating. What drives this strange attraction? When Antwon completes his potion, he experiences his moment of greatest triumph as he takes it and is immediately transformed into a beautiful woman, mind and body! He poses as his own cousin Anita, and immediately sets out learning to act and speak as a woman from his ravishing assistant Maggie so that he can complete his societal research. But being a woman is so much more exciting than Anita had ever anticipated—the sensations, the power, the emotions, the cravings... most especially her newfound craving for her old enemy, Duke Owen. Will she be able to resist her passions long enough to finish her research, or will she give in to the newfound desire she experiences at the touch of his artful hands? More and more, all she wants is to seduce the Duke, wrap herself up at his side, and be with him forever... An irresistible roller coaster of a high school romance, perfect for fans of Beth Reekles and Jenny Han. Macy Anderson is a seventeen-year-old tomboy and captain of her school's soccer team. Sam Cahill is a rich bad boy with a British accent and cocky attitude. Macy tells herself she won't fall for his charm. But as the two get to know each other, and Macy starts uncovering Sam's secrets, she begins to realise keeping that promise to herself is going to be harder than she thought . . . Freaky Friday meets Downton Abbey in this middle grade mystery that features a modern day twelve-year-old switching bodies with a Gilded Age heiress in order to solve a famous art heist. Hannah Jordan lives in a museum...well, sort of. She is the daughter of the caretaker for mansion-turned-museum The Elms in Newport, Rhode Island. Hannah's captivated by stories of The Elms's original occupants, especially Maggie Dunlap, the tween heiress subject of a painting that went missing during a legendary art heist in 1905. But when a mysterious mirror allows Hannah and Maggie to switch places in time, suddenly Hannah is racing to stop the heist from happening, while Maggie gets an introduction to iPhones, soccer (which girls can play!), and freedoms like exploring without supervision. Not to mention the best invention of all: sweatpants (so long, corsets!). As the hours tick away toward the art heist, something's not adding up. Can the girls work together

against time—and across it—to set things right? Or will their temporary swap become a permanent trade? The founder and executive chairman of the World Economic Forum on how the impending technological revolution will change our lives We are on the brink of the Fourth Industrial Revolution. And this one will be unlike any other in human history. Characterized by new technologies fusing the physical, digital and biological worlds, the Fourth Industrial Revolution will impact all disciplines, economies and industries - and it will do so at an unprecedented rate. World Economic Forum data predicts that by 2025 we will see: commercial use of nanomaterials 200 times stronger than steel and a million times thinner than human hair; the first transplant of a 3D-printed liver; 10% of all cars on US roads being driverless; and much more besides. In *The Fourth Industrial Revolution*, Schwab outlines the key technologies driving this revolution, discusses the major impacts on governments, businesses, civil society and individuals, and offers bold ideas for what can be done to shape a better future for all.

Protect your organization from scandalously easy-to-hack MFA security “solutions” Multi-Factor Authentication (MFA) is spreading like wildfire across digital environments. However, hundreds of millions of dollars have been stolen from MFA-protected online accounts. How? Most people who use multifactor authentication (MFA) have been told that it is far less hackable than other types of authentication, or even that it is unhackable. You might be shocked to learn that all MFA solutions are actually easy to hack. That’s right: there is no perfectly safe MFA solution. In fact, most can be hacked at least five different ways. *Hacking Multifactor Authentication* will show you how MFA works behind the scenes and how poorly linked multi-step authentication steps allows MFA to be hacked and compromised. This book covers over two dozen ways that various MFA solutions can be hacked, including the methods (and defenses) common to all MFA solutions. You’ll learn about the various types of MFA solutions, their strengths and weaknesses, and how to pick the best, most defensible MFA solution for your (or your customers’) needs. Finally, this book reveals a simple method for quickly evaluating your existing MFA solutions. If using or developing a secure MFA solution is important to you, you need this book. Learn how different types of multifactor authentication work behind the scenes See how easy it is to hack MFA security solutions—no matter how secure they seem Identify the strengths and weaknesses in your (or your customers’) existing MFA security and how to mitigate Author Roger Grimes is an internationally known security expert whose work on hacking MFA has generated significant buzz in the security world. Read this book to learn what decisions and preparations your organization needs to take to prevent losses from MFA hacking. “If you've been looking for something different to level up your health, fitness, and personal growth, this is it.”—Melissa Urban, Whole30 CEO and New York Times bestselling author Discover the evolutionary mind and body benefits of living at the edges of your comfort zone and reconnecting with the wild. In many ways, we’re more comfortable than ever before. But could our sheltered, temperature-controlled, overfed, underchallenged lives actually be the leading cause of many our most urgent physical and mental health issues? In this gripping investigation, award-winning journalist Michael Easter seeks out off-the-grid visionaries, disruptive genius researchers, and mind-body conditioning trailblazers who are unlocking the life-enhancing secrets of a counterintuitive solution: discomfort. Easter’s journey to understand our evolutionary need to be challenged takes him to meet the NBA’s top exercise scientist, who uses an ancient Japanese practice to build championship athletes; to the mystical country of Bhutan, where an Oxford economist and Buddhist leader are showing the world what death can teach us about happiness; to the outdoor lab of a young neuroscientist who’s found that nature tests our physical and mental endurance in ways that expand creativity while taming burnout and anxiety; to the remote Alaskan backcountry on a demanding thirty-three-day hunting expedition to experience the rewilding secrets of one of the last rugged places on Earth; and more. Along the way, Easter uncovers a blueprint for leveraging the power of discomfort that will dramatically improve our health and happiness, and perhaps even help us understand what it means to be human. *The Comfort Crisis* is a bold call to break out of your comfort zone and explore the wild within yourself. *The Changeling* is a popular Renaissance tragedy in which the relationship between money, sex, and power is explored. Frequently performed and studied in University courses, it is a key text in the New

Mermaids series. Podrías enamorarte de alguien a quien nunca has conocido? Déjate seducir por el nuevo fenómeno Wattpad. El verano no podía terminar de peor manera para Keeley, cogiendo por accidente el móvil equivocado. La situación empeora cuando descubre que el móvil pertenece a Talon, un repulsivo y egocéntrico compañero del Instituto que se ha llevado también su móvil. A regañadientes, ambos acuerdan que se intercambiarán mensajes durante una semana. Conforme Keeley va conociendo mejor a Talon, empieza a sentirse atraída por él. Ella descubre que en el fondo en Talon hay mucho más que el chico arrogante y engreído que todo el mundo percibe en él. Chatear con Talon también le permite a Keeley alejarse de la sombra de su popular hermano gemelo para descubrir que solo a través de sus mensajes con Talon puede ser la persona que siempre ha querido ser. Las chispas saltan entre ellos cuando finalmente se encuentran para intercambiarse sus móviles. Pero mientras Keeley ha sido muy sincera, Talon ha estado guardando un secreto durante todo este tiempo. ENGLISH DESCRIPTION Was it just a cell phone swap ... or fate? It's bad enough when high-school senior Keeley mistakenly swaps cell phones with a stranger. It's even worse when the stranger turns out to be an obnoxious, self-centered boy named Talon ... who's just left for football camp with her phone. Reluctantly, the two agree to forward messages for a week. As Keeley gets to know Talon through their texts, she finds out he's more than just an egocentric jock. In fact, the two fall for each other, hard. But Talon has been keeping a secret. One that makes their relationship all but impossible. Will Keeley ever be able to trust him? This romance offers high-school drama, humor and heart, plus a love story that will sweep you away. A new comedy by the author of *The Clean House*. Meet Kyle MacDonald. He has one red paperclip and one big dream. And he can write. Only problem is he's between jobs, and his girlfriend is supporting him. Now is the time for Kyle MacDonald to get creative. And that is where this amazing story begins. Kyle takes his paperclip and puts an ad on Craigslist. In just fourteen trades, Kyle MacDonald turned that paperclip into a fish pen, then a doorknob, and then a camping stove. Next, he trades the camping stove for a generator. Soon, Corbin Bernsen, Alice Cooper, and a small town in Canada are involved, and before long Kyle MacDonald turns his paperclip into a house! One Red Paperclip is an inspiring story about a man with the courage and moxie to think outside the box. It is the most unlikely of stories and an example of how we can create and do amazing things with the right amount of know-how and determination. Let Kyle MacDonald inspire you to find your own one red paperclip. You just never know where it could lead . . . "Wholly original . . . the work of the newest major talent in fantasy."—The Wall Street Journal "Freakishly compelling . . . through heart-thumping acts of violence and laugh-out-loud moments, this book practically dares you to keep reading."—Atlanta Magazine A missing God. A library with the secrets to the universe. A woman too busy to notice her heart slipping away. Carolyn's not so different from the other people around her. She likes guacamole and cigarettes and steak. She knows how to use a phone. Clothes are a bit tricky, but everyone says nice things about her outfit with the Christmas sweater over the gold bicycle shorts. After all, she was a normal American herself once. That was a long time ago, of course. Before her parents died. Before she and the others were taken in by the man they called Father. In the years since then, Carolyn hasn't had a chance to get out much. Instead, she and her adopted siblings have been raised according to Father's ancient customs. They've studied the books in his Library and learned some of the secrets of his power. And sometimes, they've wondered if their cruel tutor might secretly be God. Now, Father is missing—perhaps even dead—and the Library that holds his secrets stands unguarded. And with it, control over all of creation. As Carolyn gathers the tools she needs for the battle to come, fierce competitors for this prize align against her, all of them with powers that far exceed her own. But Carolyn has accounted for this. And Carolyn has a plan. The only trouble is that in the war to make a new God, she's forgotten to protect the things that make her human. Populated by an unforgettable cast of characters and propelled by a plot that will shock you again and again, *The Library at Mount Char* is at once horrifying and hilarious, mind-blowingly alien and heartbreakingly human, sweepingly visionary and nail-bitingly thrilling—and signals the arrival of a major new voice in fantasy. Praise for *The Library at Mount Char* An engrossing fantasy world full of supernatural beings and gruesome consequences."—Boston Globe "Vivid . . . the

Although there are other "how-to" guides and references texts on survey research, none is as comprehensive as this Encyclopedia, and none presents the material in such a focused and approachable manner. With more than 600 entries, this resource uses a Total Survey Error perspective that considers all aspects of possible survey error from a cost-benefit standpoint. On Monday, 4 March 2019, Sergei Skripal and his 33-year-old daughter Yulia collapsed in the centre of Salisbury in Wiltshire. Both were suffering the effects of A-234, a third-generation Russian-manufactured military grade Novichok nerve agent. As three suspects, all GRU officers, were quickly identified, it was also established that the door handle to the Skripals' suburban home had been contaminated with the toxin. Whilst the Skripals had lived in the cathedral city for the past seven years, what Sergei's neighbours did not know was that he had once been a colonel in the Russian Federation's military intelligence service. Back in July 1996, he had been posted under diplomatic cover to Madrid where he was subsequently cultivated by Pablo Miller, an MI6 officer operating as a businessman under the alias Antonio Alvarez de Idalgo. Sergei's recruitment by Miller was one of many successes achieved by Western agencies following the collapse of the Soviet Bloc. These counter-intelligence triumphs had their origins in a joint FBI/CIA project codenamed COURTSHIP which was based on the rather risky tactic of making an approach to almost any identified KGB or GRU officer, in almost any environment - a technique known as a 'cold pitch'. It soon yielded results; within five years COURTSHIP had netted about twenty assets. Codenamed FORTHWITH, Sergei was betrayed in December 2001. Arrested in 2004, he was convicted of high treason in Russia, but was subsequently included in a prisoner swap in July 2010 and brought to the UK. The journey to the attempt on his life had begun. The Vienna spy swap was the culmination of a CIA plan to free a specific individual, Gennadi Vasilenko, who had been the Agency's key mole inside the KGB since March 1979. To acquire the necessary leverage, the FBI swooped on a large network in the United States, bringing to an end a surveillance operation, codenamed GHOST STORIES, that lasted ten years. Anxious to avoid further embarrassment over the arrests, Vladimir Putin personally authorised an exchange, unaware of Vasilenko's true status. It was only after the transaction had been completed, and two further Russian spies were exfiltrated from Moscow, that the Kremlin learned of Vasilenko's value, and the scale of the deception. For the very first time, a Russian government had been persuaded to release four traitors and send them to the West. The humiliation was complete. As Spy Swap reveals, Putin's retribution would manifest itself in a quiet Wiltshire market town. If hit Netflix show CHEER had you hooked, you will love this! 'AN INSTANT FAVOURITE!' crowded coffee shop, Zack Yellin swaps identical-looking cell phones with the businessman next to him. It's an honest mistake—and a deadly one. Because the "businessman" is actually a professional—and highly volatile—hit man named Joey Richter, and his phone is filled with bombshell evidence. If Zack takes Joey's phone to the police, will they believe his swapped cell phone story? Would they even be able to protect him? Because the hit man now has Zack's phone with the phone numbers and addresses of Zack's new girlfriend Emily, his best friend Steve, and all the texts and information from Zack's life. Whether Zack keeps the phone or ditches it, Joey will kill him for what he now knows. In cat-and-mouse twists, turns, and continually mounting terror, one thing is clear: Zack is next on the hit man's list. This sweet, funny holiday romance from the author of *Romeo And What's Her Name* features cute boys, plenty of rom-com mishaps, and a determined heroine readers are certain to fall for. Charlotte "Charlie" Donovan knows exactly what she wants for Christmas: Teo Ortiz. He's a star athlete, a National Honor Society member, and the most popular guy in school. Plus he contributes to the school paper, where Charlie is a co-editor. Basically, he's exactly the type of guy Charlie's looking for. The only problem is—he barely knows she exists. But Charlie has a plan: rig the paper's Secret Santa and win his heart with the perfect gift. The catch? She has no idea what to get him. Enter J.D. Ortiz—Teo's cousin, and possibly the most annoying person on the planet. He's easy going, laid back, disorganized, and spontaneous—the exact opposite of Charlie (and Teo). But he knows what Teo wants, so she's stuck with him. Yet, the more time Charlie spends with J.D., the more she starts to wonder: Does she really know what, or rather who, she wants for Christmas? Shani Petroff's newest young adult comedy of errors, *My New Crush Gave to Me*, is the perfect read for those searching for some love and laughter along with their holiday spirit. Praise for *My New Crush Gave to Me*: "Fans of holiday movies, rom-coms, and "All I Want for Christmas Is You" will enjoy *My New Crush Gave to Me*.... Petroff's festive story will have readers baking gingerbread cookies and bunuelos at any time of year." —VOYA "It's light as powdered sugar and just as sweet." —Booklist Was it just a cell phone swap or fate? It's bad enough when high-school senior Keeley mistakenly swaps cell phones with a stranger. It's even worse when the stranger turns out to be an obnoxious, self-centered boy named Talon who's just left for football camp with her phone. Reluctantly, the two agree to forward messages for a week. As Keeley gets to know Talon through their texts, she finds out he's more than just an egocentric jock. In fact, the two fall for each other, hard. But Talon has been keeping a secret. One that makes their relationship all but impossible. Will Keeley ever be able to trust him? This romance offers high-school drama, humor and heart, plus a love story that will sweep you away.
